

§ 58-10-600. Asset management agreements.

An SPFC may enter into swap agreements, or other forms of asset management agreements, including guaranteed investment contracts, or other transactions that have the objective of leveling timing differences in funding of up-front or ongoing transaction expenses, or managing asset, credit, or interest rate risk of the investments to minimize the likelihood that the investments are not sufficient to assure payment or repayment of the securities, and related interest or principal payments, issued pursuant to an SPFC insurance securitization transaction, or the obligations of the SPFC under the SPFC contract.
