Section 1. G.S. 20-12.1(a) reads as rewritten:

- "(a) It is unlawful for any person to accompany another person driving a motor vehicle, in accordance with G.S. 20-11, or instruct another person driving a motor vehicle, in accordance with G.S. 20-7(l-1) and (m) or G.S. 20-12:
  - (1) While the person accompanying or instructing is under the influence of an impairing substance; or
  - (2) After having consumed sufficient alcohol that he has, at any relevant time after the driving, an alcohol concentration of 0.10-0.08 or more."

Sec. 2. G.S. 20-16.2(a) reads as rewritten:

- "(a) Basis for Charging Officer to Require Chemical Analysis; Notification of Rights.—Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if he is charged with an implied-consent offense. The charging officer must designate the type of chemical analysis to be administered, and it may be administered when he has reasonable grounds to believe that the person charged has committed the implied-consent offense. Except as provided in subsection (b), the person charged must be taken before a chemical analyst authorized to administer a test of a person's breath, who must inform the person orally and also give him a notice in writing that:
  - (1) He has a right to refuse to be tested.

- (2) Refusal to take any required test or tests will result in an immediate 1 revocation of his driving privilege for at least 10 days and an 2 3 additional 12-month revocation by the Division of Motor Vehicles. The test results, or the fact of his refusal, will be admissible in 4 (3) 5 evidence at trial on the offense charged. 6 **(4)** If any test reveals an alcohol concentration of 0.10-0.08 or more, his 7 driving privilege will be revoked immediately for at least 10 days. 8 He may have a qualified person of his own choosing administer a (5) 9 chemical test or tests in addition to any test administered at the 10 direction of the charging officer. He has the right to call an attorney and select a witness to view for him 11 (6) 12 the testing procedures, but the testing may not be delayed for these 13 purposes longer than 30 minutes from the time he is notified of his 14 rights." 15 Sec. 3. G.S. 20-16.2(i) reads as rewritten: 16 (i) Right to Chemical Analysis before Arrest or Charge.—A person stopped or questioned by a law-enforcement officer who is investigating whether the person may 17 18 have committed an implied-consent offense may request the administration of a 19 chemical analysis before any arrest or other charge is made for the offense. Upon this 20 request, the officer must afford the person the opportunity to have a chemical analysis 21 of his breath, if available, in accordance with the procedures required by G.S. 20-139.1(b). The request constitutes the person's consent to be transported by the law-22 23 enforcement officer to the place where the chemical analysis is to be administered. 24 Before the chemical analysis is made, the person must confirm his request in writing 25 and he must be notified: 26 (1) That the test results will be admissible in evidence and may be used 27 against him in any implied-consent offense that may arise; That his license will be revoked for at least 10 days if the test reveals 28 (2) 29 an alcohol concentration of 0.10-0.08 or more; and 30 That if he fails to comply fully with the test procedures, the officer (3) may charge him with any offense for which the officer has probable 31 32 cause, and if he is charged with an implied-consent offense, his refusal to submit to the testing required as a result of that charge would result 33 in revocation of his driver's license. 34 The results of the chemical 35 analysis are admissible in evidence in any proceeding in which they

- "(b) Revocations for Persons Who Refuse Chemical Analyses or Have Alcohol Concentrations of <u>0.10-0.08</u> or More.—A person's driver's license is subject to revocation under this section if:
  - (1) A charging officer has reasonable grounds to believe that the person has committed an offense subject to the implied-consent provisions of G.S. 20-16.2;

The person is charged with that offense as provided in G.S. 20-(2) 1 2 16.2(a): 3 **(3)** The charging officer and the chemical analyst comply with the procedures of G.S. 20-16.2 and G.S. 20-139.1 in requiring the person's 4 5 submission to or procuring a chemical analysis; and 6 **(4)** The person: 7 Willfully refuses to submit to the chemical analysis; or a. 8 Has an alcohol concentration of 0.10-0.08 or more within a 9 relevant time after the driving." 10 Sec. 5. G.S. 20-16.5(b1) reads as rewritten: "(b1) Precharge Test Results as Basis for Revocation.—Notwithstanding the 11 12 provisions of subsection (b), a person's driver's license is subject to revocation under 13 this section if: 14 (1) He requests a precharge chemical analysis pursuant to G.S. 20-16.2(i); 15 and 16 (2) He has, at any relevant time after the driving, an alcohol concentration 17 of 0.10-0.08 or more; and 18 (3) He is charged with an implied-consent offense." 19 Sec. 6. G.S. 20-179(m) reads as rewritten: "(m) Assessment and Treatment Required in Certain Cases. If a defendant being 26 27 sentenced under this section is placed on probation, he shall be required as a condition of that probation to obtain a substance abuse assessment if: 28 29 He had an alcohol concentration of 0.15 or more as 30 indicated by a chemical analysis taken when he was charged; or He has a prior conviction for an offense involving impaired 31 (2) 32 driving within the five years preceding the date of the offense for 33 which he is being sentenced and, when he was charged with the 34 current offense, he had an alcohol concentration of 0.10-0.08 or 35 more; or 36 He willfully refused to submit to a chemical analysis. (3) 37 The judge shall require the defendant to obtain the assessment from an area mental 38 health agency, its designated agent, or a private facility licensed by the State for the 39 treatment of alcoholism and substance abuse. Unless a different time limit is specified in 40 the court's judgment, the defendant shall schedule the assessment within 30 days from the date of the judgment. this subsection, and these rules may include provisions to allow defendant to obtain assessments and treatment from agencies not located in North Carolina. The assessing agency shall give the client a standardized test, approved by the Department of Human Resources to determine chemical dependency. A clinical interview concerning the general status of the defendant with respect to chemical dependency shall be conducted by the assessing agency before making any recommendation for further treatment. A recommendation made by the assessing agency shall be signed by a 'Certified Alcoholism, Drug Abuse or Substance Abuse Counselor', as defined by the Department If the assessing agency recommends that the defendant of Human Resources. participate in a treatment program, the judge may require the defendant to do so, and he shall require the defendant to execute a Release of Information authorizing the treatment agency to report his progress to the court or the Department of Correction. The judge may order the defendant to participate in an appropriate treatment program at the time he is ordered to obtain an assessment, or he may order him to reappear in court when the assessment is completed to determine if a condition of probation requiring participation in treatment should be imposed. An order of the court shall not require the defendant to participate in any treatment program for more than 90 days unless a longer treatment program is recommended by the assessing agency and his alcohol concentration was .15 or greater as indicated by a chemical analysis taken when he was charged or this was a second or subsequent offense within five years. The judge shall require the defendant to pay fifty dollars (\$50.00) for the services of the assessment facility and any additional treatment fees that may be charged by the treatment facility. If the defendant is treated by an area mental health facility, G.S. 122C-146 applies. Any determinations with regard to the defendant's ability to pay the assessment fee shall be made by the judge. In those cases in which no substance abuse handicap is identified, that finding shall be filed with the court. When treatment is required, the treatment agency's progress reports shall be filed with the court or the Department of Correction at intervals of no greater than six months until the termination of probation or the treatment agency determines and reports that no further treatment is appropriate. Upon the completion of the courtordered assessment or court-ordered treatment, the assessing or treatment agency shall give the Division of Motor Vehicles the original of the certificate of completion, shall provide the defendant with a copy of that certificate, and shall retain a copy of the certificate on file for a period of five years. The Division of Motor Vehicles shall not reissue the driver's license of a defendant ordered to obtain assessment or participate in a treatment program unless it has received the original certificate of completion from the assessing or treatment agency, provided, however that a defendant may be issued a limited driving privilege pursuant to G.S. 20-179.3.

The Department of Human Resources may approve programs offered in another state if they are substantially similar to programs approved in this State, and if that state recognizes North Carolina programs for similar purposes. The defendant shall be responsible for the fees at the approved program."

- "(j) Costs.—Unless the magistrate or judge orders the revocation rescinded, a person whose license is revoked under this section must pay a fee of twenty-five dollars (\$25.00) as costs for the action before his license may be returned under subsection (h); provided, however, if the revocation is pursuant to G.S. 20-16.5(b)(4)c. or G.S. 20-16.5(b1)(2)b., the fee shall be fifty dollars (\$50.00). The costs collected under this section go to the State."
- Sec. 32. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

# "§ 20-17.4. Mandatory Revocation of a Class A or Class B License.

The Division shall forthwith revoke the Class 'A' or Class 'B' license of any driver upon receiving a record of a final conviction of such driver for impaired driving in a commercial vehicle under G.S. 20-138.2. Under this section only, a final conviction of any driver for violating G.S. 20-138.1 shall not be grounds for revoking the license of such driver."

"(c2) When a license is revoked under G.S. 20-17.4, the period of suspension shall be for one year for the first conviction of G.S. 20-138.2, 10 years for the second conviction of G.S. 20-138.2, and for life for a third or subsequent conviction of G.S. 20-

- Sec. 35. Chapter 20 of the General Statutes is amended by adding a new section to read:

## "§ 20-138.2. Impaired driving in commercial vehicle.

- (a) Offense.—A person commits the offense of impaired driving in a commercial motor vehicle if he drives a commercial motor vehicle upon any highway, any street, or any public vehicular area within the State:
  - (1) While appreciably under the influence of an impairing substance; or
  - (2) After having consumed sufficient alcohol that he has, at any relevant time after the driving, 0.02 percent by weight of alcohol in his blood.
- (b) <u>Defense Precluded.—The fact that a person charged with violating this section is or has been legally entitled to use alcohol or a drug is not a defense to a charge under this section.</u>
- (c) <u>Pleading.—To charge a violation of this section, the pleading is sufficient if it states the time and place of the alleged offense in the usual form and charges the defendant drove a commercial motor vehicle on a highway, street, or public vehicular area while subject to an impairing substance.</u>
- (d) <u>Implied Consent Offense.—An offense under this section is an implied consent offense subject to the provisions of G.S. 20-16.2.</u>
- (e) Punishment; Effect When Impaired Driving Offense Also Charged.—The offense in this section is a misdemeanor punishable by a fine of not less than one hundred dollars (\$100.00), up to two years imprisonment, or both. This offense is not a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving under G.S. 20-138.1 arising out of the same transaction, the aggregate punishment imposed by the court may not exceed the maximum punishment applicable to the offense involving impaired driving under G.S. 20-138.1.
- (f) Limited Driving Privilege.—A person convicted of the offense of impaired driving under this section is eligible for a limited driving privilege if:
  - (1) At the time of the offense he held either a valid drivers license or a license that had been expired for less than one year;
  - (2) At the time of the offense he had not within the preceding seven years been convicted of an offense involving impaired driving;
  - Subsequent to the offense he has not been convicted of, or had an unresolved charge lodged against him for, an offense involving impaired driving;

 (4) The court finds slight impairment of the defendant's faculties, and an alcohol concentration that did not exceed .10 at any relevant time after the driving.

The limited driving privilege under this section shall be issued for the purposes specified in G.S. 20-179.3(a) and according to the procedure in G.S. 20-179.3(d) and G.S. 20-179.3(f)-(k).

(g) The provisions of G.S. 20-139.1 shall apply to the offense of impaired driving in a commercial motor vehicle."

Sec. 36. G.S. 20-138.4 reads as rewritten:

# "§ 20-138.4. Requirement that prosecutor explain reduction or dismissal of charge involving impaired driving.

In any case in which a person is charged with an offense involving impaired driving, Aany prosecutor must enter detailed facts in the record of any case involving impaired driving explaining the reasons for his action if he:

- (1) Enters a voluntary dismissal; or
- (2) Accepts a plea of guilty or no contest to a lesser included offense; or
- (3) Substitutes another charge, by statement of charges or otherwise, if the substitute charge carries a lesser mandatory minimum punishment or is not an offense involving impaired driving; or
- (4) Otherwise takes a discretionary action that effectively dismisses or reduces the original charge in the case involving impaired driving.

General explanations such as 'interests of justice' or 'insufficient evidence' are not sufficiently detailed to meet the requirements of this section."

Sec. 37. G.S. 20-179(e) reads as rewritten:

- "(e) Mitigating Factors to Be Weighed. The judge must also determine before sentencing under subsection (f) whether any of the mitigating factors listed below apply to the defendant. The judge must weigh the degree of mitigation of each factor in light of the particular circumstances of the case. The factors are:
  - (1) Slight impairment of the defendant's faculties resulting solely from alcohol, and an alcohol concentration that did not exceed 0.11–0.09 at any relevant time after the driving.
  - (2) Slight impairment of the defendant's faculties, resulting solely from alcohol, with no chemical analysis having been available to the defendant.
  - (3) Driving at the time of the offense that was safe and lawful except for the impairment of the defendant's faculties.
  - (4) A safe driving record, with the defendant's having no conviction for any motor vehicle offense for which at least four points are assigned under G.S. 20-16 or for which the person's license is subject to revocation within five years of the date of the offense for which the defendant is being sentenced.
    - (5) Impairment of the defendant's faculties caused primarily by a lawfully prescribed drug for an existing medical condition, and the amount of the drug taken was within the prescribed dosage.

- 1 (6) The defendant's voluntary submission to a mental health facility for 2 assessment after he was charged with the impaired driving offense for 3 which he is being sentenced, and, if recommended by the facility, his voluntary participation in the recommended treatment. 4 5
  - Any other factor that mitigates the seriousness of the offense. **(7)**

Except for the factors in subdivisions (4), (6) and (7), the conduct constituting the mitigating factor must occur during the same transaction or occurrence as the impaired driving offense."

Sec. 38. G.S. 20-179(c) reads as rewritten:

- Determining Existence of Grossly Aggravating Factors.-At the sentencing hearing, based upon the evidence presented at trial and in the hearing, the judge must first determine whether there are any grossly aggravating factors in the case. If the defendant has been convicted of two or more prior offenses involving impaired driving, if the convictions occurred within seven years before the date of the offense for which he is being sentenced, the judge must impose the Level One punishment under subsection (g). The judge must also impose the Level One punishment if he determines that two or more of the following grossly aggravating factors apply:
  - (1) A single conviction for an offense involving impaired driving, if the conviction occurred within seven years before the date of the offense for which the defendant is being sentenced.
  - (2) Driving by the defendant at the time of the offense while his driver's license was revoked under G.S. 20-28, and the revocation was an impaired driving revocation under G.S. 20-28.2(a).
  - Serious injury to another person caused by the defendant's impaired (3) driving at the time of the offense.

If the judge determines that only one of the above grossly aggravating factors applies, he must impose the Level Two punishment under subsection (h). In imposing a Level One or Two punishment, the judge may consider the aggravating and mitigating factors in subsections (d) and (e) in determining the appropriate sentence. If there are no grossly aggravating factors in the case, the judge must weigh all aggravating and mitigating factors and impose punishment as required by subsection (f).

A conviction for another offense involving impaired driving, for which the conviction occurs after the date of the offense for which the defendant is presently being sentenced, but prior to or contemporaneously with the present sentencing, shall also constitute a prior conviction involving impaired driving for aggravation purposes of this subsection."

Sec. 39. This act shall become effective October 1, 1989.
