(a) The Administrative Office of the Courts shall establish a Custody and Visitation Mediation Program to provide statewide and uniform services in accordance with G.S. 50-13.1 in cases involving unresolved issues about the custody or visitation of minor children. The Director of the Administrative Office of the Courts shall appoint such AOC staff support required for planning, organizing, and administering such program on a statewide basis.

The purposes of the Custody and Visitation Mediation Program shall be to provide the services of skilled mediators to further the goals expressed in G.S. 50-13.1(b).

(b) Beginning on July 1, 1989, the Administrative Office of the Courts shall establish in phases a statewide custody mediation program comprised of local district programs to be established in all judicial districts of the State. Each local district program shall consist of: a qualified mediator or mediators to provide mediation services; and such clerical staff as the Administrative Office of the Courts in consultation with the local district program deems necessary. Such personnel, to be employed by the Chief District Court Judge of the district, may serve as full-time or part-time State employees or, in the alternative, such activities may be provided on a contractual basis when determined appropriate by the Administrative Office of the Courts. The Administrative Office of the Courts may authorize all or part of a program in one judicial district to be operated in conjunction with that of another district or districts. The Director of the Administrative Office of the Courts is authorized to approve contractual agreements for such services as executed by order of the Chief District Court Judge of a district court district; such contracts to be exempt from competitive bidding procedures under Chapter 143 of the General Statutes. The Administrative Office of the Courts shall promulgate rules and regulations necessary and appropriate for the administration of the program. (b) Advisory Committee Established.—The Director of the Administrative Office of the Courts shall appoint a Custody Mediation Advisory Committee consisting of at least five members to advise the Custody Mediation Program. The members of the Advisory Committee shall receive the same per diem and reimbursement for travel expenses as members of State boards and commissions generally."

(b) G.S. 50-13.1 reads as rewritten:

**"§ 50-13.1. Action or proceeding for custody of minor child.**

(a) Any parent, relative, or other person, agency, organization, or institution claiming the right to custody of or visitation with a minor child may institute an action or proceeding for custody of or visitation with such child, as hereinafter provided. Unless a contrary intent is clear, the word 'custody' shall be deemed to include custody or visitation or both.

(b) Whenever it appears to the court, from the pleadings or otherwise, that an action involves a contested issue as to the custody or visitation of a minor child, the matter, where there is a program established pursuant to G.S. 7A-494, shall be set for mediation of the unresolved issues as to custody and visitation before or concurrent with the setting of the matter for hearing unless the court waives mediation pursuant to subsection (c). Issues that arise in motions for contempt or for modifications as well as in other pleadings shall be set for mediation unless mediation is waived by the court. Alimony, child support, and other economic issues may not be referred for mediation pursuant to this section. The purposes of mediation under this section include the pursuit of the following goals:

- (1) To reduce any acrimony that exists between the parties to a dispute involving custody or visitation of a minor child;
- (2) The development of custody and visitation agreements that are in the child's best interest;
- (3) To provide the parties with informed choices and, where possible, to give the parties the responsibility for making decisions about child custody and visitation;
- (4) To provide a structured, confidential, nonadversarial setting that will facilitate the cooperative resolution of custody and visitation disputes and minimize the stress and anxiety to which the parties, and especially the child, are subjected; and
- (5) To reduce the relitigation of custody and visitation disputes.

(c) For good cause, on the motion of either party or on the court's own motion, the court may waive the mandatory setting under Article 39A of Chapter 7A of the General Statutes of a contested custody or visitation matter for mediation. Good cause may include, but is not limited to, the following: a showing of undue hardship to a party; an agreement between the parties for voluntary mediation, subject to court approval; allegations of abuse or neglect of the minor child; allegations of alcoholism, drug abuse, or spouse abuse; or allegations of severe psychological, psychiatric, or emotional problems. A showing by either party that the party resides more than fifty miles from the court shall be considered good cause.

(d) Either party may move to have the mediation proceedings dismissed and the action heard in court due to the mediator's bias, undue familiarity with a party, or other prejudicial ground.

(e) Mediation proceeding shall be held in private and shall be confidential. Except as provided in this Article, all verbal or written communications from either or both parties to the mediator or between the parties in the presence of the mediator made in a proceeding pursuant to this section are absolutely privileged and inadmissible in court. The mediator may assess the needs and interests of the child, and may interview the child or others who are not parties to the proceedings when he or she thinks appropriate.

(f) Neither the mediator nor any party or other person involved in mediation sessions under this section shall be competent to testify to communications made during or in furtherance of such mediation sessions; provided, there is no privilege as to communications made in furtherance of a crime or fraud. Nothing in this subsection shall be construed as permitting an individual to obtain immunity from prosecution for criminal conduct or as excusing an individual from the reporting requirements of G.S. 7A-543 or G.S. 108A-102.

(g) Any agreement reached by the parties as a result of the mediation shall be reduced to writing, signed by each party, and submitted to the court as soon as practicable. Unless the court finds good reason not to, it shall incorporate the agreement in a court order and it shall become enforceable as a court order. If some or all of the issues as to custody or visitation are not resolved by mediation, the mediator shall report that fact to the court.

(h) If an agreement that results from mediation and is incorporated into a court order is referred to as a 'parenting agreement' or called by some similar name, it shall nevertheless be deemed to be a custody order or child custody determination for purposes of Chapter 50A of the General Statutes, G.S. 14-320.1, G.S. 110-139.1, or other places where those terms appear."

(c) Programs in judicial districts 26 and 27A shall be established as of July 1, 1989, and programs in additional judicial districts shall be established by the Administrative Office of the Courts as provided in G.S. 7A-494(b).

(d) Funds in the amount of \$140,000 for the 1989-90 fiscal year and \$212,000 for the 1990-91 fiscal year are appropriated from the General Fund to the Judicial Department to achieve the purposes of this section.

(c) Of the funds appropriated to the Judicial Department in Chapter 500 of the 1989 Session Laws, \$3,924 for the 1989-90 fiscal year and \$5,232 for the 1990-91 fiscal year may be used to implement the provisions of subsections (a) and (b) of this section. In addition to the funds appropriated to the Judicial Department for the 1989-91 biennium to operate the present District Court District 19A, \$73,204 of the funds appropriated to the Judicial Department for the 1989-90 fiscal year shall be used to implement the provisions of subsections (a) and (b) of this section. There is appropriated to the Judicial Department for the 1990-91 fiscal year \$83,631 to implement the provisions of subsections (a) and (b) of this section.

(c1) G.S. 7A-293 reads as rewritten:

**"§ 7A-293. Special authority of a magistrate assigned to a municipality located in more than one county of a district court district.**

A magistrate assigned to an incorporated municipality, the boundaries of which lie in more than one county of a district court district, may, in criminal matters, exercise the powers granted by G.S. 7A-273 as if the corporate limits plus the territory embraced within a distance of one mile in all directions therefrom were located wholly within the magistrate's county of residence. Appeals from a magistrate exercising the authority granted by this section shall be taken in the district court in the county in which the offense was committed. A magistrate exercising the special authority granted by this section shall transmit all records, reports, and monies collected to the clerk of the superior court of the county in which the offense was committed. In addition, if a magistrate is assigned to an incorporated municipality, the boundaries of which lie in two district court districts, the magistrate may exercise the powers described in this section as if both counties were in the same district court district, if the clerks of superior court and the chief district court judges serving both districts in which the municipality is located agree in writing that the exercise of this special authority would promote the administration of justice in the municipality and in both districts."

(c2) G.S. 7A-199(c) reads as rewritten:

"(c) A district court judge sitting at a seat of court described in this section may, in criminal cases, conduct preliminary hearings and try misdemeanors arising within the corporate limits of the municipality plus the territory embraced within a distance of one mile in all directions therefrom.

If the corporate limits of the municipality extend into two counties, each of which is in a separate district court district, a district court judge assigned to sit at the seat of court has the same authority over criminal cases arising in the municipality and the territory embraced within a distance of one mile in all directions that he would have if the corporate limits of the municipality were solely located in a single district court district. Judges assigned to sit in such a municipality shall be assigned by the chief district court judge serving the district in which a majority of the voters of the municipality reside, but offenses arising in the portion of the municipality in which the minority of the voters reside shall not be disposed of in the municipality unless the chief district court judge for that district consents in writing to the disposition of criminal cases in the municipality."

(d) Effective December 1, 1989, G.S. 7A-133 as rewritten by subsection (a) of this section reads as rewritten:
