Section 1. G.S. 20-12.1(a) reads as rewritten:

- "(a) It is unlawful for any person to accompany another person driving a motor vehicle, in accordance with G.S. 20-11, or instruct another person driving a motor vehicle, in accordance with G.S. 20-7(l-1) and (m) or G.S. 20-12:
  - (1) While the person accompanying or instructing is under the influence of an impairing substance; or
  - (2) After having consumed sufficient alcohol that he has, at any relevant time after the driving, an alcohol concentration of <u>0.10-0.08</u> or more."

Sec. 2. G.S. 20-16.2(a) reads as rewritten:

"(a) Basis for Charging Officer to Require Chemical Analysis; Notification of Rights.—Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if he is charged with an implied-consent offense. The charging officer must designate the type of chemical analysis to be administered, and it may be administered when he has reasonable grounds to believe that the person charged has committed the implied-consent offense. Except as provided in subsection (b), the person charged must be taken before a chemical analyst authorized to administer

a test of a person's breath, who must inform the person orally and also give him a notice in writing that:

- (1) He has a right to refuse to be tested.
- (2) Refusal to take any required test or tests will result in an immediate revocation of his driving privilege for at least 10 days and an additional 12-month revocation by the Division of Motor Vehicles.
- (3) The test results, or the fact of his refusal, will be admissible in evidence at trial on the offense charged.
- (4) If any test reveals an alcohol concentration of <u>0.10-0.08</u> or more, his driving privilege will be revoked immediately for at least 10 days.
- (5) He may have a qualified person of his own choosing administer a chemical test or tests in addition to any test administered at the direction of the charging officer.
- (6) He has the right to call an attorney and select a witness to view for him the testing procedures, but the testing may not be delayed for these purposes longer than 30 minutes from the time he is notified of his rights."

Sec. 3. G.S. 20-16.2(i) reads as rewritten:

- "(i) Right to Chemical Analysis before Arrest or Charge.—A person stopped or questioned by a law-enforcement officer who is investigating whether the person may have committed an implied-consent offense may request the administration of a chemical analysis before any arrest or other charge is made for the offense. Upon this request, the officer must afford the person the opportunity to have a chemical analysis of his breath, if available, in accordance with the procedures required by G.S. 20-139.1(b). The request constitutes the person's consent to be transported by the law-enforcement officer to the place where the chemical analysis is to be administered. Before the chemical analysis is made, the person must confirm his request in writing and he must be notified:
  - (1) That the test results will be admissible in evidence and may be used against him in any implied-consent offense that may arise;
  - (2) That his license will be revoked for at least 10 days if the test reveals an alcohol concentration of 0.10-0.08 or more; and
  - (3) That if he fails to comply fully with the test procedures, the officer may charge him with any offense for which the officer has probable cause, and if he is charged with an implied-consent offense, his refusal to submit to the testing required as a result of that charge would result in revocation of his driver's license. The results of the chemical analysis are admissible in evidence in any proceeding in which they are relevant."

Sec. 4. G.S. 20-16.5(b) reads as rewritten:

"(b) Revocations for Persons Who Refuse Chemical Analyses or Have Alcohol Concentrations of <u>0.10-0.08</u> or More.—A person's driver's license is subject to revocation under this section if:

A charging officer has reasonable grounds to believe that the person **(1)** 1 2 has committed an offense subject to the implied-consent provisions of 3 G.S. 20-16.2; 4 (2) The person is charged with that offense as provided in G.S. 5 6 (3) The charging officer and the chemical analyst comply with the 7 procedures of G.S. 20-16.2 and G.S. 20-139.1 in requiring the person's 8 submission to or procuring a chemical analysis; and 9 **(4)** The person: 10 Willfully refuses to submit to the chemical analysis; or a. Has an alcohol concentration of 0.10-0.08 or more within a 11 b. 12 relevant time after the driving." 13 Sec. 5. G.S. 20-16.5(b1) reads as rewritten: 14 "(b1) Precharge Test Results as Basis for Revocation.-Notwithstanding the 15 provisions of subsection (b), a person's driver's license is subject to revocation under this section if: 16 17 **(1)** He requests a precharge chemical analysis pursuant to G.S. 20-16.2(i); 18 and 19 (2) He has, at any relevant time after the driving, an alcohol concentration 20 of 0.10-0.08 or more; and 21 (3) He is charged with an implied-consent offense." Sec. 6. G.S. 20-138.1(a) reads as rewritten: 22 Offense.—A person commits the offense of impaired driving if he drives any 23 "(a) 24 vehicle upon any highway, any street, or any public vehicular area within this State: While under the influence of an impairing substance; or 25 (1) 26 After having consumed sufficient alcohol that he has, at any relevant (2) 27 time after the driving, an alcohol concentration of 0.10-0.08 or more." Sec. 7. G.S. 20-179(m) reads as rewritten: 28 29 "(m) Assessment and Treatment Required in Certain Cases.—If a defendant being 30 sentenced under this section is placed on probation, he shall be required as a condition of that probation to obtain a substance abuse assessment if: 31 32 He had an alcohol concentration of 0.15 or more as 33 indicated by a chemical analysis taken when he was charged; or 34 He has a prior conviction for an offense involving impaired (2) 35 driving within the five years preceding the date of the offense for 36 which he is being sentenced and, when he was charged with the 37 current offense, he had an alcohol concentration of 0.10-0.08 or 38 more; or 39 He willfully refused to submit to a chemical analysis. (3) 40 The judge shall require the defendant to obtain the assessment from an area mental health agency, its designated agent, or a private facility licensed by the State for the 41 42 treatment of alcoholism and substance abuse. Unless a different time limit is specified in

the court's judgment, the defendant shall schedule the assessment within 30 days from

the date of the judgment. Any agency performing assessments shall give written

43 44 notification of its intention to do so to the area mental health authority in the catchment area in which it is located and to the Department of Human Resources. The Secretary of the Department of Human Resources may adopt rules to implement the provisions of this subsection, and these rules may include provisions to allow defendant to obtain assessments and treatment from agencies not located in North Carolina. The assessing agency shall give the client a standardized test, approved by the Department of Human Resources to determine chemical dependency. A clinical interview concerning the general status of the defendant with respect to chemical dependency shall be conducted by the assessing agency before making any recommendation for further treatment. A recommendation made by the assessing agency shall be signed by a 'Certified Alcoholism, Drug Abuse or Substance Abuse Counselor', as defined by the Department of Human Resources. If the assessing agency recommends that the defendant participate in a treatment program, the judge may require the defendant to do so, and he shall require the defendant to execute a Release of Information authorizing the treatment agency to report his progress to the court or the Department of Correction. The judge may order the defendant to participate in an appropriate treatment program at the time he is ordered to obtain an assessment, or he may order him to reappear in court when the assessment is completed to determine if a condition of probation requiring participation in treatment should be imposed. An order of the court shall not require the defendant to participate in any treatment program for more than 90 days unless a longer treatment program is recommended by the assessing agency and his alcohol concentration was .15 or greater as indicated by a chemical analysis taken when he was charged or this was a second or subsequent offense within five years. The judge shall require the defendant to pay fifty dollars (\$50.00) for the services of the assessment facility and any additional treatment fees that may be charged by the treatment facility. If the defendant is treated by an area mental health facility, G.S. 122C-146 applies. Any determinations with regard to the defendant's ability to pay the assessment fee shall be made by the judge. In those cases in which no substance abuse handicap is identified, that finding shall be filed with the court. When treatment is required, the treatment agency's progress reports shall be filed with the court or the Department of Correction at intervals of no greater than six months until the termination of probation or the treatment agency determines and reports that no further treatment is appropriate. Upon the completion of the courtordered assessment or court-ordered treatment, the assessing or treatment agency shall give the Division of Motor Vehicles the original of the certificate of completion, shall provide the defendant with a copy of that certificate, and shall retain a copy of the certificate on file for a period of five years. The Division of Motor Vehicles shall not reissue the driver's license of a defendant ordered to obtain assessment or participate in a treatment program unless it has received the original certificate of completion from the assessing or treatment agency, provided, however that a defendant may be issued a limited driving privilege pursuant to G.S. 20-179.3.

The Department of Human Resources may approve programs offered in another state if they are substantially similar to programs approved in this State, and if that state recognizes North Carolina programs for similar purposes. The defendant shall be responsible for the fees at the approved program."

Sec 8. G.S. 20-179(g) reads as rewritten:

"(g) Level One Punishment. – A defendant subject to Level One punishment may be fined up to two thousand dollars (\$2,000) five thousand dollars (\$5,000) and must be sentenced to a term of imprisonment that includes a minimum term of not less than 14 days and a maximum term of not more than 24 months. The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least 14 days. If the defendant is placed on probation, the judge must, if required by subsections (l) or (m), impose the conditions relating to treatment and education described in those subsections. The judge may impose any other lawful condition of probation. If the judge does not place on probation a defendant who is otherwise subject to the mandatory assessment and treatment provisions of subsection (m), he must include in the record of the case his reasons for not doing so."

Sec. 8. G.S. 20-179(h) reads as rewritten:

"(h) Level Two Punishment. – A defendant subject to Level Two punishment may be fined up to one thousand dollars (\$1,000) four thousand dollars (\$4,000) and must be sentenced to a term of imprisonment that includes a minimum term of not less than seven days and a maximum term of not more than 12 months. The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least seven days. If the defendant is placed on probation, the judge must, if required by subsections (l) or (m), impose the conditions relating to treatment and education described in those subsections. The judge may impose any other lawful condition of probation. If the judge does not place on probation a defendant who is otherwise subject to the mandatory assessment and treatment provisions of subsection (m), he must include in the record of the case his reasons for not doing so."

Sec. 9. G.S. 20-179(i) reads as rewritten:

- "(i) Level Three Punishment. A defendant subject to Level Three punishment may be fined up to five hundred dollars (\$500.00) two thousand five hundred dollars (\$2,500) and must be sentenced to a term of imprisonment that includes a minimum term of not less than 72 hours and a maximum term of not more than six months. The term of imprisonment must be suspended, on the condition that the defendant:
  - (1) Be imprisoned for a term of at least 72 hours as a condition of special probation; or
  - (2) Perform community service for a term of at least 72 hours; or
  - (3) Not operate a motor vehicle for a term of at least 90 days; or
  - (4) Any combination of these conditions.

The judge in his discretion may impose any other lawful condition of probation and, if required by subsections (l) or (m), must impose the conditions relating to treatment and education described in those subsections. This subsection does not affect the right of a defendant to elect to serve the suspended sentence of imprisonment as provided in G.S. 15A-1341(c)."

Sec. 10. G.S. 20-179(j) reads as rewritten:

- "(j) Level Four Punishment. A defendant subject to Level Four punishment may be fined up to two hundred fifty dollars (\$250.00) two thousand dollars (\$2,000) and must be sentenced to a term of imprisonment that includes a minimum term of not less than 48 hours and a maximum term of not more than 120 days. The term of imprisonment must be suspended, on the condition that the defendant:
  - (1) Be imprisoned for a term of 48 hours as a condition of special probation; or
  - (2) Perform community service for a term of 48 hours; or
  - (3) Not operate a motor vehicle for a term of 60 days; or
  - (4) Any combination of these conditions.

The judge in his discretion may impose any other lawful condition of probation and, if required by subsections (l) or (m), must impose the conditions relating to treatment and education described in those subsections. This subsection does not affect the right of a defendant to elect to serve the suspended sentence of imprisonment as provided in G.S. 15A-1341(c)."

Sec. 11. G.S. 20-179(k) reads as rewritten:

- "(k) Level Five Punishment. A defendant subject to Level Five punishment may be fined up to one hundred dollars (\$100.00) five hundred dollars (\$500.00) and must be sentenced to a term of imprisonment that includes a minimum term of not less than 24 hours and a maximum term of not more than 60–61 days. The term of imprisonment must be suspended, on the condition that the defendant:
  - (1) Be imprisoned for a term of 24 hours as a condition of special probation; or
  - (2) Perform community service for a term of 24 hours; or

This subsection does not affect the right of a defendant to elect to serve the suspended sentence of imprisonment as provided in G.S. 15A-1341(c)."

Sec. 12. G.S. 20-139.1(b3) reads as rewritten:

- "(b3) Sequential Breath Tests Required. By January 1, 1985, the regulations of the Commission for Health Services governing the administration of chemical analyses of the breath must require the testing of at least duplicate sequential breath samples. Those regulations must provide:
  - (1) A specification as to the minimum observation period before collection of the first breath sample and the time requirements as to collection of second and subsequent samples.
  - (2) That the test results may only be used to prove a person's particular alcohol concentration if:
    - a. The pair of readings employed are from consecutively administered tests; and

Page 6

- b. The readings do not differ from each other by an alcohol concentration greater than 0.02.
  - (3) That when a pair of analyses meets the requirements of subdivision (2), only the lower of the two readings may be used by the State as proof of a person's alcohol concentration in any court or administrative proceeding.

A person's willful refusal to give the sequential breath samples necessary to constitute a valid chemical analysis is a willful refusal under G.S. 20-16.2(c).

If a person willfully refuses to submit to a chemical analysis by refusing to provide a second or subsequent breath sample, then

- (i) The result of the analysis of the sample providing the lowest alcohol concentration, if more than one sample is provided; or
- (ii) If a single sample is provided, the result of that sample may be used as evidence in any judicial or administrative proceeding for any relevant purpose, including, but not limited to
  - (i) The establishment of probable cause;
  - (ii) Corroboration of field sobriety tests; or
  - (iii) Evidence of impairment

provided, however, the result may not be used to prove that a person had a particular alcohol concentration to establish a violation of G.S. 20-138.1(a)(2)."

Sec. 13. G.S. 18B-401(a) reads as rewritten:

"(a) Opened Containers.—It shall be unlawful for a person to transport <u>or possess</u> fortified wine or spirituous liquor <u>alcoholic beverages</u> in the passenger area of a motor vehicle in other than the manufacturer's unopened original container <u>if the person driving the motor vehicle has consumed a sufficient amount of alcohol at any relevant time after driving resulting in such person having an alcohol concentration of 0.04 or more.</u>

It shall be unlawful for a person who is driving a motor vehicle on a highway or public vehicular area to consume in the passenger area of that vehicle any malt beverage or unfortified winealcoholic beverages.

Violation of this subsection shall constitute a misdemeanor punishable by a fine of twenty-five dollars (\$25.00) to five hundred dollars (\$500.00), imprisonment for not more than 30 days community service of not more than 24 hours, or both."

Sec. 14. G.S. 20-13.2(d) reads as rewritten:

"(d) A-The length of revocation under this section continues until shall be equal to the number of days from the date of the charge to the provisional licensee's 18th birthday reaches 18 years of age or 45 days have clapsed, whichever occurs lastis longer. Revocations under this section run concurrently with any other revocations, but a limited driving privilege issued pursuant to law does not authorize a provisional licensee to drive if his license is revoked under this section."

Sec. 15. G.S. 20-141.4(a1) reads as rewritten:

"(a1) Felony Death by Vehicle.—A person commits the offense of felony death by vehicle if he unintentionally causes the death of another person while engaged in the offense of impaired driving under G.S. 20-138.1 and commission of that offense is the

  - (2) After having consumed sufficient alcohol that he has, at any relevant time after the driving, 0.04 percent by weight of alcohol in his blood.
- (b) <u>Defense Precluded.—The fact that a person charged with violating this section is or has been legally entitled to use alcohol or a drug is not a defense to a charge under this section.</u>
- (c) <u>Pleading.—To charge a violation of this section, the pleading is sufficient if it states the time and place of the alleged offense in the usual form and charges the defendant drove a commercial motor vehicle on a highway, street, or public vehicular area while subject to an impairing substance.</u>
- (d) <u>Implied Consent Offense.—An offense under this section is an implied</u> consent offense subject to the provisions of G.S. 20-16.2.
- (e) Punishment; Effect When Impaired Driving Offense Also Charged.—The offense in this section is a misdemeanor punishable by a fine of not less than one hundred dollars (\$100.00), up to two years imprisonment, or both. This offense is not a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving under G.S. 20-138.1 arising out of the same transaction, the aggregate punishment imposed by the court may not exceed the maximum punishment applicable to the offense involving impaired driving under G.S. 20-138.1.

Requirement that prosecutor explain reduction or dismissal of charge 4 5 involving impaired driving. 6 In any case in which a person is charged with an offense involving impaired driving. 7 Aany prosecutor must enter detailed facts in the record of any case involving impaired 8 driving explaining the reasons for his action if he: 9 (1) Enters a voluntary dismissal; or 10 **(2)** Accepts a plea of guilty or no contest to a lesser included offense; or (3) Substitutes another charge, by statement of charges or otherwise, if the 11 12 substitute charge carries a lesser mandatory minimum punishment or is 13 not an offense involving impaired driving; or 14 (4) Otherwise takes a discretionary action that effectively dismisses or 15 reduces the original charge in the case involving impaired driving. General explanations such as 'interests of justice' or 'insufficient evidence' are not 16 17 sufficiently detailed to meet the requirements of this section." 18 Sec. 29. G.S. 20-179(e) reads as rewritten: Mitigating Factors to Be Weighed. – The judge must also determine before 19 20 sentencing under subsection (f) whether any of the mitigating factors listed below apply 21 to the defendant. The judge must weigh the degree of mitigation of each factor in light 22 of the particular circumstances of the case. The factors are: 23 Slight impairment of the defendant's faculties resulting solely from (1) 24 alcohol, and an alcohol concentration that did not exceed 0.11-0.09 at 25 any relevant time after the driving. Slight impairment of the defendant's faculties, resulting solely from 26 **(2)** 27 alcohol, with no chemical analysis having been available to the 28 defendant. 29 Driving at the time of the offense that was safe and lawful except for (3) 30 the impairment of the defendant's faculties. 31 A safe driving record, with the defendant's having no conviction for (4) 32 any motor vehicle offense for which at least four points are assigned 33 under G.S. 20-16 or for which the person's license is subject to revocation within five years of the date of the offense for which the 34 35 defendant is being sentenced. 36 Impairment of the defendant's faculties caused primarily by a lawfully prescribed drug for an existing medical condition, and the 37 38 amount of the drug taken was within the prescribed dosage. 39 The defendant's voluntary submission to a mental health facility for (6) assessment after he was charged with the impaired driving offense for 40 41 which he is being sentenced, and, if recommended by the facility, his 42 voluntary participation in the recommended treatment.

Any other factor that mitigates the seriousness of the offense.

**(7)** 

 Except for the factors in subdivisions (4), (6) and (7), the conduct constituting the mitigating factor must occur during the same transaction or occurrence as the impaired driving offense."

Sec. 30. G.S. 20-179(c) reads as rewritten:

- "(c) Determining Existence of Grossly Aggravating Factors.—At the sentencing hearing, based upon the evidence presented at trial and in the hearing, the judge must first determine whether there are any grossly aggravating factors in the case. If the defendant has been convicted of two or more prior offenses involving impaired driving, if the convictions occurred within seven years before the date of the offense for which he is being sentenced, the judge must impose the Level One punishment under subsection (g). The judge must also impose the Level One punishment if he determines that two or more of the following grossly aggravating factors apply:
  - (1) A single conviction for an offense involving impaired driving, if the conviction occurred within seven years before the date of the offense for which the defendant is being sentenced.
  - Oriving by the defendant at the time of the offense while his driver's license was revoked under G.S. 20-28, and the revocation was an impaired driving revocation under G.S. 20-28.2(a).
  - (3) Serious injury to another person caused by the defendant's impaired driving at the time of the offense.

If the judge determines that only one of the above grossly aggravating factors applies, he must impose the Level Two punishment under subsection (h). In imposing a Level One or Two punishment, the judge may consider the aggravating and mitigating factors in subsections (d) and (e) in determining the appropriate sentence. If there are no grossly aggravating factors in the case, the judge must weigh all aggravating and mitigating factors and impose punishment as required by subsection (f).

A conviction for another offense involving impaired driving, for which the conviction occurs after the date of the offense for which the defendant is presently being sentenced, but prior to or contemporaneously with the present sentencing, shall also constitute a prior conviction involving impaired driving for aggravation purposes of this subsection."

Sec. 31.1. G.S. 20-16.5(e) reads as rewritten:

"(e) Procedure if Report Filed with Judicial Official When Person Is Present.—If a properly executed revocation report concerning a person is filed with a judicial official when the person is present before that official, the judicial official must, after completing any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must enter an order revoking the person's driver's license for the period required in this subsection. The judicial official must order the person to surrender his license and if necessary may order a law-enforcement officer to seize the license. The judicial official must give the person a copy of the revocation order. In addition to setting it out in the order the judicial official must personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. currently licensed, the revocation under this subsection begins at the time the revocation order is issued and continues until the person's license has been surrendered for 10-30 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until 10-30 days from the date the revocation order is issued and the person has paid the applicable costs. If within five working days of the effective date of the order, the person does not surrender his license or demonstrate that he is not currently licensed, the clerk must immediately issue a pick-up order. The pick-up order must be issued to a member of a local law-enforcement agency if the charging officer was employed by the agency at the time of the charge and the person resides in or is present in the agency's territorial jurisdiction. In all other cases, the pick-up order must be issued to an officer or inspector of the Division. A pick-up order issued pursuant to this section is to be served in accordance with G.S. 20-29 as if the order had been issued by the Division."

Sec. 31.2. G.S. 20-16.5(f) reads as rewritten:

- ''(f)Procedure if Report Filed with Clerk of Court When Person Not Present.— When a clerk receives a properly executed report under subdivision (d)(3) and the person named in the revocation report is not present before the clerk, the clerk must determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must mail to the person a revocation order by first-class mail. The order must direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order must inform the person of the time and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk must immediately issue a pick-up order. The pickup order must be issued and served in the same manner as specified in subsection (e) for pick-up orders issued pursuant to that subsection. A revocation under this subsection begins at the date specified in the order and continues until the person's license has been revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation under this subsection is:
  - (1) Ten—Thirty days from the time the person surrenders his license to the court, if the surrender occurs within five working days of the effective date of the order; or
  - (2) Ten-Thirty days after the person appears before the clerk and demonstrates that he is not currently licensed to drive, if the appearance occurs within five working days of the effective date of the revocation order; or
  - (3) Thirty-Sixty days from the time:
    - a. The person's driver's license is picked up by a lawenforcement officer following service of a pick-up order; or

- The person demonstrates to a law-enforcement 1 b. 2 officer who has a pick-up order for his license that he is not 3 currently licensed; or 4 The person's driver's license is surrendered to the 5 court if the surrender occurs more than five working days 6 after the effective date of the revocation order; or 7 The person appears before the clerk to demonstrate 8 that he is not currently licensed, if he appears more than five 9 working days after the effective date of the revocation order. 10 When a pick-up order is issued, it must inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the 11 12 hearing. An officer serving a pick-up order under this subsection must return the order 13 to the court indicating the date it was served or that he was unable to serve the order. If 14 the license was surrendered, the officer serving the order must deposit it with the clerk 15 within three days of the surrender." 16 Sec. 31.3. G.S. 20-28(a1) reads as rewritten: 17 "(a1) A person convicted under subsection (a) shall be punished as if he had been 18 convicted of driving without a driver's license under G.S. 20-7 if he demonstrates to the 19 court that: 20 (1) At the time of the offense, his license was revoked solely 21 under G.S. 20-16.5; and 22 (2) The offense occurred more than 30–60 days a. after the effective date of a revocation order issued under G.S. 23 24 20-16.5(f) and the period of revocation was 30 days as 25 provided under subdivision (3) of that subsection; or The offense occurred more than 10-30 days after the 26 27 effective date of the revocation order issued under any other 28 provision of G.S. 20-16.5. 29 In addition, a person punished under this subsection shall be treated for driver's license 30 and insurance rating purposes as if he had been convicted of driving without a license 31 under G.S. 20-7, and the conviction report sent to the Division must indicate that the 32 person is to be so treated." 33 Sec. 31.4. G.S. 20-16.2(a) reads as rewritten: Basis for Charging Officer to Require Chemical Analysis; Notification of 34 35 Rights.—Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if he is charged with an implied-consent offense. 36 The charging officer must designate the type of chemical analysis to be administered, 37 38 and it may be administered when he has reasonable grounds to believe that the person 39 charged has committed the implied-consent offense. Except as provided in subsection
  - (1) He has a right to refuse to be tested.

(b), the person charged must be taken before a chemical analyst authorized to administer

a test of a person's breath, who must inform the person orally and also give him a notice

in writing that:

40

41 42

- Refusal to take any required test or tests will result in an 1 (2) 2 immediate revocation of his driving privilege for at least 10-30 days 3 and an additional 12-month revocation by the Division of Motor 4 Vehicles. 5 (3) The test results, or the fact of his refusal, will be admissible 6 in evidence at trial on the offense charged. 7 If any test reveals an alcohol concentration of 0.10 or more, 8 his driving privilege will be revoked immediately for at least 10-30 9 days. 10 (5) He may have a qualified person of his own choosing administer a chemical test or tests in addition to any test 11 12 administered at the direction of the charging officer. 13 (6) He has the right to call an attorney and select a witness to 14 view for him the testing procedures, but the testing may not be 15 delayed for these purposes longer than 30 minutes from the time he 16 is notified of his rights." 17 Sec. 31.5. G.S. 20-16.2(i) reads as rewritten: 18 "(i) Right to Chemical Analysis before Arrest or Charge.—A person stopped or 19 questioned by a law-enforcement officer who is investigating whether the person may have committed an implied-consent offense may request the administration of a 20 21 chemical analysis before any arrest or other charge is made for the offense. Upon this 22 request, the officer must afford the person the opportunity to have a chemical analysis 23 of his breath, if available, in accordance with the procedures required by G.S. 20-24 139.1(b). The request constitutes the person's consent to be transported by the law-25 enforcement officer to the place where the chemical analysis is to be administered. 26 Before the chemical analysis is made, the person must confirm his request in writing 27 and he must be notified: 28 (1) That the test results will be admissible in evidence and may 29 be used against him in any implied-consent offense that may arise; 30 (2) That his license will be revoked for at least 10-30 days if the 31 test reveals an alcohol concentration of 0.10 or more; and 32 That if he fails to comply fully with the test procedures, the officer may charge him with any offense for which the officer has 33 34 probable cause, and if he is charged with an implied-consent offense, 35 his refusal to submit to the testing required as a result of that charge 36 would result in revocation of his driver's license. The results of the chemical analysis are admissible in evidence in any proceeding in 37 38 which they are relevant."
  - Sec. 31.6. G.S. 20-16.5(k) reads as rewritten:

"(k) Report to Division.—Except as provided below, the clerk must mail a report to the Division within 10 working days of the return of a license under this section or of the termination of a revocation of the driving privilege of a person not currently licensed.
