41 disciplinary matters will not be considered public records within the meaning of Chapter  
42 132 of the General Statutes; provided, however, that any notice or statement of charges  
43 against any licensee or applicant, or any notice to any licensee or applicant of a hearing  
44 in any proceeding, or any decision rendered in connection with a hearing in any

2 Statutes, notwithstanding that it may contain information collected and compiled as a  
3 result of such investigation, inquiry, or hearing except that identifying information  
4 concerning the treatment of or delivery of services to a patient or client who has not  
5 consented to the public disclosure of such treatment or services may be deleted; and  
6 provided, further, that if any such record, paper, or other document containing  
7 information theretofore collected and compiled by or on behalf of the Board, as

19 credentials, or submit to examination for reinstatement. Notwithstanding any provision  
20 to the contrary, the Board retains full jurisdiction to investigate alleged violations of this  
21 Article by any person whose license is suspended under this subsection and, upon proof  
22 of any violation of this Article by any such person, the Board may take disciplinary  
23 action as authorized by this section.

25 denied or revoked may reapply to the Board for licensure or certification after the  
26 passage of one calendar year from the date of such denial or revocation.

27 (h) A licensee may, with the consent of the Board, voluntarily relinquish his or  
28 her license or health services provider certificate at any time. The Board may delay or  
29 refuse the granting of its consent as it may deem necessary in order to investigate any  
30 pending complaint, allegation, or issue regarding violation of any provision of this  
31 Article by the licensee. Notwithstanding any provision to the contrary, the Board  
32 retains full jurisdiction to investigate alleged violations of this Article by any person  
33 whose license is relinquished under this subsection and, upon proof of any violation of  
34 this Article by any such person, the Board may take disciplinary action as authorized by
