Referred to:

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A VIOLATIONS POINTS SYSTEM FOR THE
SUSPENSION, REVOCATION, AND REISSUANCE OF MARINE FISHING
LICENSES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 113-171 is repealed.

SECTION 2. Article 14A of Chapter 113 of the General Statutes is amended
by adding a new section to read:

**"§ 113-171.2. Violation points system for the suspension, revocation, and
reissuance of licenses.**

(a) Definitions. – As used in this section:

(1) "Commercial fishing license" means any license used to engage in a
commercial fishing operation. A fish dealer license issued under
G.S. 113-169.3 is not a commercial fishing license.

(2) "Conviction" means a plea of guilty or nolo contendere, any other
termination of a criminal prosecution unfavorable to the defendant
after jeopardy has attached, any substitute for criminal prosecution
whereby the defendant expressly or impliedly confesses the
defendant's guilt, procedures whereby bond forfeitures are accepted in
lieu of proceeding to trial, or cases indefinitely continued upon arrest
of judgment or prayer for judgment continued.

(3) "Fishery offense" means a criminal offense within the jurisdiction of
the Division under the provisions of this Subchapter or of rules of the
Commission adopted under the authority of this Subchapter.

(4) "License" means all licenses, assignments, endorsements, registrations,
and permits issued by the Division and the privilege to hold licenses,

1 assignments, endorsements, registrations, and permits issued by the
2 Division.

3 (5) "Licensee" means a person who holds a license issued under this
4 Article.

5 (6) "Recreational fishing license" means a RCGL.

6 (7) "Reliable notice" means information furnished to the Fisheries
7 Director in prosecution or other reports from inspectors.

8 (b) Duty to Revoke or Suspend Licenses. – Upon receipt of reliable notice that a
9 licensee has had imposed against the licensee a conviction of a fisheries offense, the
10 Fisheries Director shall suspend or revoke all licenses held by the licensee as provided
11 in this section.

12 (c) Notice of Convictions. – The Fisheries Director shall initiate an
13 administrative procedure designed to give the Fisheries Director reliable notice of all
14 convictions of fisheries offenses by licensees.

15 (d) Assessment and Recordation of Points. – The Fisheries Director shall
16 maintain a record of the convictions of fisheries offenses of each licensee. The Fisheries
17 Director shall assess to the record of each licensee, as of the date of the commission of
18 the fisheries offense, a number of points for each conviction as provided in the schedule
19 set out in subsection (f) of this section. The Fisheries Director shall assess points for any
20 conviction in which any of the following are the case:

21 (1) No notice of appeal has been given.

22 (2) The time for appeal has expired without an appeal having been
23 perfected.

24 (3) The conviction is sustained on appeal. Where there is a new trial,
25 finality of any subsequent conviction will be determined in the manner
26 set out above.

27 (e) Designation of Fisheries Offenses and Multiple Offenses. – The Fisheries
28 Director shall designate in the record whether a fisheries offense was related to
29 commercial fishing activity or recreational fishing activity. The Fisheries Director shall
30 designate in the record whether a fisheries offense was related to the harvest of fish or
31 the sale of fish. These designations are within the sole discretion of the Fisheries
32 Director. Where several convictions for fisheries offenses result from a single
33 transaction or occurrence, the licensee shall be assessed for one fisheries offense only
34 and if the fisheries offenses have different point values, the licensee shall be assessed
35 for the fisheries offense having the greater point value.

36 (f) Violation Points Schedule. – The Fisheries Director shall assess points for
37 convictions of fisheries offenses as follows:

38 (1) Felony 36 points.

39 (2) Class A1 misdemeanor 12 points.

40 (3) Class 1 misdemeanor 10 points.

41 (4) Class 2 misdemeanor 6 points.

42 (5) Class 3 misdemeanor 3 points.

1 (g) General Revocation and Suspension Schedule. – Except as provided in
2 subsections (h) and (i) of this section, the Fisheries Director shall suspend or revoke all
3 of the licenses held by a licensee as follows:

4 (1) The assessment of 18 to 25 points within a three-year period shall
5 result in a 30-day suspension.

6 (2) The assessment of 26 to 35 points within a three-year period shall
7 result in a six-month suspension.

8 (3) The assessment of 36 or more points within a three-year period shall
9 result in a minimum one-year revocation. Where 36 or more points
10 have been assessed within a three-year period, the Fisheries Director
11 may, in the Director's sole discretion, revoke all of the licenses of a
12 licensee for a specified period of time greater than one year or may
13 permanently revoke all of the licenses of a licensee.

14 (h) Limitation on Revocation and Suspension Based on Type of Fishery Offense.
15 – The Fisheries Director shall suspend or revoke a recreational fishing license based
16 only on points assessed for fisheries offenses related to recreational fishing activity. The
17 Fisheries Director shall suspend or revoke a commercial fishing license based only on
18 points assessed for fisheries offenses related to commercial fishing activity. The
19 Fisheries Director shall suspend or revoke a SCFL or RSCFL based only on points
20 assessed for fisheries offenses related to the harvest of fish. The Fisheries Director shall
21 suspend or revoke a fish dealer license based only on points assessed for fisheries
22 offenses related to the sale of fish, unless the holder of the fish dealer license was
23 clearly in collusion or in a conspiracy with fishermen to commit fisheries offenses
24 related to commercial fishing activity.

25 (i) Specific Revocation and Suspension Requirements Based on Type of Fishery
26 Offense. – Except where subsection (g) of this section would result in a longer
27 suspension or revocation and as provided in subsection (h) of this section, the Fisheries

15 (k) Assignment and Transfer. – Except as provided by rules adopted by the
16 Commission pursuant to this subsection, any assignment or transfer made from the time
17 of the offense that triggered a suspension or revocation to the end of the period of
18 suspension or revocation is void. The Commission may adopt rules to allow the transfer
19 of a suspended or revoked pound net permit.

20 (l) Cancellation of Points. – Upon revocation of a license, the assessed points
21 that resulted in the revocation shall be cancelled and removed from the former licensee's
22 record. Upon suspension of a license, one-half of the assessed points that resulted in the
23 suspension, rounded down, shall be cancelled and removed from the former licensee's
24 record.

25 (m) Reissuance. – Where a commercial fishing license has been suspended or
26 revoked, the former licensee is not eligible to apply for the reissuance of the license or
27 to apply for the issuance of a different type of commercial fishing license during the

29 suspended or revoked, the former licensee is not eligible to apply for the reissuance of
30 the license or to apply for the issuance of a different type of recreational fishing license

4 licensee will strive in the future to conduct the operations for which the license is sought
5 in accord with all applicable laws and the Fisheries Director, in the Director's sole
6 discretion, may issue one license sought but not another, as deemed necessary to
7 prevent the hazard of recurring violations of the law.

8 (n) Notice of Suspension or Revocation. – Upon a determination that suspension

19 subsection.

20 (o) Administrative Review for Suspension or Revocation. – A licensee served
21 with a notice of suspension or revocation may obtain an administrative review of the
22 suspension or revocation by filing a petition for a contested case under G.S. 150B-23
23 within 20 days after receiving the notice. The only issue in the hearing shall be whether
24 the licensee was convicted of the criminal offense on which the suspension or
25 revocation is based. A license remains suspended or revoked pending the final decision
26 by the Fisheries Director.

27 (p) Administrative Review for Reissuance. – If the Fisheries Director refuses to
28 reissue a license of or issue an additional license to an applicant whose license was
29 revoked, the applicant may contest the decision by filing a petition for a contested case
30 under G.S. 150B-23 within 20 days after the Fisheries Director makes the decision. The
31 Commission shall make the final agency decision in a contested case under this
32 subsection. An applicant whose license is denied under this subsection may not reapply
33 for the same license for at least six months.

34 (q) The Commission may adopt rules to provide for the disclosure of the identity
35 of any individual or individuals in responsible positions of control respecting operations
36 of any licensee that is not an individual. For the purposes of this section, individuals in
37 responsible positions of control are deemed to be individual licensees subject to the
38 suspension and revocation requirements of this section with regard to any applications
39 for license they may make either as individuals or as persons in responsible positions of
40 control in any corporation, partnership, or association. In the case of individual
41 licensees, the individual applying for a license or licensed under this Article shall be the
42 real party in interest."

43 **SECTION 3.** G.S. 113-277(a3) reads as rewritten:

1 (a3) As used in this Article, the term "conviction" has the same meaning assigned
2 to it in ~~G.S. 113-171~~G.S. 113-171.2."

3 **SECTION 4.** This act becomes effective December 1, 2004, and applies to
4 offenses committed on or after that date. Suspensions and revocations for offenses
5 committed before the effective date of this act are not abated or affected by this act, and
6 the statutes that would be applicable but for this act remain applicable to those
7 suspensions and revocations.
