8 compliance with this Article and IDEA. The State Board also shall monitor the
9 effectiveness of IEPs in meeting the educational needs of children with disabilities.

10 (b) The State Board shall implement an effective and efficient system of
11 incentives and sanctions for local educational agencies in order to improve results for
12 children with disabilities and meet the requirements of this Article and IDEA. The
13 system, which must be based on a continuum of recognition and sanctions, shall:

14 (1) Identify and recognize local educational agencies that achieve or
15 exceed targets and indicators as determined by the State Board,
16 demonstrate significant improvement over time, and show growth on
17 targets and indicators as determined by each local educational agency.

19 substantially noncompliant with statutory and regulatory requirements
20 under this Article and IDEA.

21 (c) The system of incentives developed under subsection (b) of this section may
22 include commendations, public recognition, allocation of grant funds if available, and
23 any other incentives as considered appropriate by the State Board.

24 (d) The system of sanctions developed under subsection (b) of this section shall
25 include the following:

26 (1) Level One – Needs Assistance: When the State Board determines (i) a
27 local school educational agency has been in noncompliance for two
28 years and (ii) that agency needs assistance in implementing the
29 requirements of this Article and IDEA, the State Board shall take one
30 or more of the following actions:

31 a. The Board may direct the local educational agency to allocate
32 additional time and resources for technical assistance and
33 guidance related to areas of noncompliance.

34 b. The Board may impose special conditions on that agency's
35 application for IDEA funds and receipt of State funds.

36 c. The Board may direct how that local educational agency utilizes
37 IDEA and State funds to address the remaining findings of
38 noncompliance. The local educational agency must track the
39 use of these funds to show how the funds are targeted to address
40 areas of noncompliance.

41 (2) Level Two – Needs Intervention: If the State Board determines (i) that
42 the local educational agency has been in noncompliance for three years
43 and (ii) that agency needs assistance in implementing this Article and
44 IDEA, the following apply:

- 1 a. The Board may take any of the actions described in subdivision
2 (1) of this subsection.
- 3 b. The Board shall withhold, in whole or in part, any further
4 payments of IDEA and State funds to the agency.
- 5 c. The Board shall require the agency to enter into a compliance
6 agreement.
- 7 (3) Level Three – Needs Substantial Intervention: In addition to the
8 sanctions described in subdivisions (1) and (2) of this subsection, if at
9 any time the State Board determines a local educational agency (i)
10 needs substantial intervention in implementing the requirements of this
11 Article and IDEA, or (ii) has established a substantial failure to
12 comply with this Article and IDEA, the Board shall take one or more
13 of the following actions:
- 14 a. The Board shall direct the agency to implement a compliance
15 agreement, billed to that agency.
- 16 b. The Board shall recover IDEA and State funds.
- 17 c. The Board shall refer the agency for appropriate enforcement
18 under State or federal law.

19 (e) In addition to the consequences required under subsections (b) and (d) of this
20 section, the State Board shall develop sanctions for local educational agencies that fail
21 to implement a corrective action or hearing decision.

22 "**§ 115C-107.5. Annual reports.**

23 The State Board shall report annually to the Joint Legislative Education Oversight
24 Committee on the implementation of this Article and the educational performance of
25 children with disabilities. Each annual report shall include a copy of the following
26 documents that were submitted, received, or made public during the year: (i) the most
27 recent State performance plan and any amendments to that plan submitted to the
28 Secretary of Education, (ii) compliance and monitoring reports submitted to the
29 Secretary of Education, (iii) the annual report submitted to the Secretary of Education
30 on the performance of the State under its performance plan, and (iv) any other
31 information required under IDEA to be made available to the public. In addition, the
32 annual report shall include an analysis of the educational performance of children with
33 disabilities in the State and a summary of disputes under Part 1D of this Chapter. The
34 report shall be filed no later than October 15 each year and may be filed electronically.

35 "**§ 115C-107.6. Duties of local educational agencies.**

36 (a) Each local educational agency, in providing for the education of children with
37 disabilities within its jurisdiction, must comply with IDEA and the rules adopted by the
38 State Board under this Article. In addition, each local educational agency shall have in
39 effect policies, procedures, and programs that are consistent with this Article, IDEA,
40 and rules adopted by the State Board.

41 (b) No child with disabilities shall be prevented from attending the public schools
42 of the local educational agency in which the child's parents or legal guardian resides or
43 from which the child receives services or from attending any other public program of
44 free appropriate public education based solely on the fact that the child has a disability.

1 If it appears the child should receive a program of free appropriate public education in a
2 program operated by or under the supervision of the Department of Health and Human
3 Services or the Department of Juvenile Justice and Delinquency Prevention, the local
4 school administrative unit shall confer with the appropriate Department of Health and
5 Human Services or Department of Juvenile Justice and Delinquency Prevention staff for
6 their participation and determination of the appropriateness of placement in that
7 program and development of the child's individualized education program.

8 (c) No matriculation or tuition fees or other fees or charges shall be required or
9 asked of children with disabilities or their parents except those fees or charges that are
10 required uniformly of all public school pupils. The provision of a free appropriate public
11 education within the facilities of the Department of Health and Human Services and the
12 Department of Juvenile Justice and Delinquency Prevention shall not prevent that
13 Department from charging for other services or treatment.

14 (d) Each child with a disability shall be educated in accordance with that child's
15 IEP and in the least restrictive environment for that child.

16 (e) Each local educational agency shall use the forms developed under
17 G.S. 115C-107.2(d).

18 **"§ 115C-107.7. Discipline.**

19 The policies and procedures for the discipline of students with disabilities shall be
20 consistent with federal laws and regulations.

21 "Part 1C. Interagency Coordination.

22 **"§ 115C-108.1. State Board lead agency.**

23 (a) The Board shall cause all local educational agencies to provide special
24 education and related services to children with disabilities in their care, custody,
25 management, jurisdiction, control, or programs.

26 (b) The jurisdiction of the Board with respect to the design and content of special
27 education programs or related services for children with disabilities extends to and over
28 the Department of Health and Human Services, the Department of Juvenile Justice and
29 Delinquency Prevention, and the Department of Correction.

30 (c) All provisions of this Article that are specifically applicable to local school
31 administrative units also are applicable to the Department of Health and Human
32 Services, the Department of Juvenile Justice and Delinquency Prevention, and the
33 Department of Correction, and their divisions and agencies; all duties, responsibilities,
34 rights, and privileges specifically imposed on or granted to local school administrative
35 units by this Article also are imposed on or granted to the Department of Health and
36 Human Services, the Department of Juvenile Justice and Delinquency Prevention, and
37 the Department of Correction, and their divisions and agencies. However, with respect
38 to children with disabilities who are residents or patients of any State-operated or
39 State-supported residential treatment facility, including a school for the deaf, school for
40 the blind, mental hospital or center, mental retardation center, or in a facility operated
41 by the Department of Juvenile Justice and Delinquency Prevention, the Department of
42 Correction, or any of their divisions and agencies, the Board may contract with the
43 Department of Health and Human Services, the Department of Juvenile Justice and
44 Delinquency Prevention, and the Department of Correction for the provision of special

1 education and related services and the power to review, revise, and approve any plans
2 for special education and related services to those residents.

3 (d) The Departments of Health and Human Services, Correction, and Juvenile
4 Justice and Delinquency Prevention shall submit to the Board their plans for the
5 education of children with disabilities in their care, custody, or control. The Board may
6 grant specific exemptions for programs administered by the Department of Health and
7 Human Services, the Department of Juvenile Justice and Delinquency Prevention, or the
8 Department of Correction when compliance by them with the Board's standards would,
9 in the Board's judgment, impose undue hardship on that department and when other
10 procedural due process requirements, substantially equivalent to those required under
11 this Article and IDEA, are assured in programs of special education and related services
12 furnished to children with disabilities served by that department. Further, the Board
13 shall recognize that inpatient and residential special education programs within the
14 Departments of Health and Human Services, Correction, and Juvenile Justice and
15 Delinquency Prevention may require more program resources than those necessary for
16 optimal operation of these programs in local school administrative units.

17 (e) The Board shall support and encourage joint and collaborative special
18 education planning and programming at local levels to include local school
19 administrative units and the programs and agencies of the Departments of Health and
20 Human Services, Correction, and Juvenile Justice and Delinquency Prevention.

21 **"§ 115C-108.2. Interlocal cooperation.**

22 The Board, any two or more local educational agencies, and any other agency and
23 any State department, agency, or division having responsibility for the education,
24 treatment, or habilitation of children with disabilities may enter into interlocal
25 cooperative undertakings under Part 1 of Article 20 of Chapter 160A of the General
26 Statutes or into undertakings with a State agency such as the Departments of Public
27 Instruction, Health and Human Services, Juvenile Justice and Delinquency Prevention,
28 or Correction, or their divisions, agencies, or units, for the purpose of providing for the
29 special education and related services, treatment, or habilitation of these children within
30 the jurisdiction of the agency or unit, and shall do so when it is unable to provide the
31 appropriate public special education or related services for these children. In entering
32 into such undertakings, the local agency and State department, agency, or division shall
33 also contract to provide the special education or related services that are educationally
34 appropriate to the children with disabilities for whose benefit the undertaking is made
35 and provide these services by or in the local agency unit or State department, agency, or
36 division located in the place most convenient to these children.

37 "Part 1D. Procedural Safeguards.

38 **"§ 115C-109.1. Handbook for parents.**

39 The State Board of Education shall make available to parents a handbook of
40 procedural safeguards. This handbook for parents shall be made available at least once
41 each school year, except that a copy also shall be given to the parent (i) upon the initial
42 referral or parental request for an evaluation; (ii) upon the first occurrence of the filing
43 of a petition under G.S. 115C-109.6 and IDEA; (iii) upon the parent's request; and (iv)
44 upon any revision to the content of the handbook. This handbook for parents shall

1 include a full explanation of the procedural safeguards under this Article and IDEA, be
2 written in the native language of the parent unless it clearly is not feasible to do so, be
3 written in an easily understood manner, and include information required under IDEA
4 to be included.

5 The State Board shall place a current copy of the handbook for parents on its
6 Internet Web site.

7 **"§ 115C-109.2. Adult children with disabilities; surrogate parents.**

8 (a) When a child with a disability reaches the age of 18, all of the following
9 apply:

10 (1) Notices required under this Article shall be provided to both the child
11 and the child's parent.

12 (2) All other rights accorded to parents under this Article and IDEA
13 transfer to the child.

14 (3) The local educational agency shall notify the child and the child's
15 parent of these transfer rights.

16 (b) Notwithstanding subsection (a) of this section, for a child with a disability
17 who has reached the age of majority under State law and who has not been determined
18 to be incompetent but is determined to not have the ability to provide informed consent
19 with respect to his or her education program, the State Board shall establish procedures
20 for appointing the parent of the child, or if the parent is not available, another
21 appropriate individual, to represent the educational interests of the child throughout the
22 period of eligibility under this section.

23 (c) A reasonable effort must be made to appoint a surrogate for a child with a
24 disability within 30 days of a determination that one of the following conditions exists
25 and that the child needs a surrogate:

26 (1) The parents of that child are not known;

27 (2) The parents, after reasonable efforts, cannot be located; or

28 (3) The child is a ward of the State.

29 (d) A person must be eligible under IDEA to be appointed as a child's surrogate.

30 **"§ 115C-109.3. Access to records; opportunity for parents to participate in**
31 **meetings.**

32 (a) Each local educational agency shall provide an opportunity for the parents of
33 a child with a disability to examine all records relating to that child and to participate in
34 meetings with respect to the identification, evaluation, and educational placement of the
35 child, and the provision of a free appropriate public education to that child.

36 (b) Local educational agencies may release the records of a child with a disability
37 only as permitted under State or federal law. The parents of a child with a disability may
38 have access to the child's records and may read, inspect, and copy all and any records,
39 data, and information maintained by a local educational agency with respect to that
40 child. Parents, upon their request, are entitled to have those records, data, and
41 information fully explained, interpreted, and analyzed for them by the staff of the
42 agency, unless specifically prohibited by court order. If a request is made under this
43 subsection, the local educational agency shall honor the request within not more than 45

1 days after it is made or in time for the individual who made the request to prepare for a
2 meeting under subsection (a) of this section, whichever is sooner.

3 (c) The student and the student's parents may add written explanations or
4 clarifications to the records, data, and information and may request the expunction of
5 incorrect, outdated, misleading, or irrelevant entries. If a local educational agency
6 refuses to expunge incorrect, outdated, misleading, or irrelevant entries after having
7 been asked to do so by the parent, the parent may appeal that decision under
8 G.S. 115C-45(c)(2).

9 **"§ 115C-109.4. Mediation.**

10 (a) It is the policy of this State to encourage local educational agencies and
11 parents to seek mediation involving any dispute under this Article, including matters
12 arising before or after filing a petition under G.S. 115C-109.6.

13 (b) Mediation under this section must meet the following requirements:

14 (1) The mediation must be voluntary on the part of both parties.

15 (2) Mediation shall not be used to deny or delay a parent's right to an
16 impartial hearing under G.S. 115C-109.6, or to deny any other rights
17 afforded under this Article or IDEA.

18 (3) The mediation shall be conducted by a qualified and impartial
19 mediator who is trained in effective mediation techniques.

20 (c) The State Board may establish procedures to offer to parties that do not
21 choose to use the mediation process an opportunity to meet with a disinterested party, as
22 provided under IDEA, who can encourage the use and explain the benefits of the
23 mediation process to the parties. This meeting must be at a time and location convenient
24 to the parents.

25 (d) The State Board shall maintain a list of qualified mediators who are
26 knowledgeable in laws and regulations relating to the provision of special education and
27 related services. When mediation is requested, the Exceptional Children Division of the
28 Department of Public Instruction shall assign a mediator from this list of mediators.

29 (e) The State shall bear the cost of the mediation process, including the costs of
30 meetings described under subsection (c) of this section, unless the parties opt to select a
31 mediator other than the mediator assigned under subsection (d) of this section or if the
32 parties opt to use an alternative method of dispute resolution.

33 (f) Each session in the mediation process shall be scheduled in a timely manner
34 and shall be held in a location that is convenient to the parties to the dispute.

35 (g) Evidence of statements made and conduct occurring in a mediation are
36 confidential, are not subject to discovery, and are inadmissible in any proceeding in the
37 action or other actions on the same claim. However, no evidence otherwise discoverable
38 is inadmissible merely because it is presented or discussed in a mediation. Mediators
39 shall not be compelled in any civil proceeding to testify or produce evidence concerning
40 statements made and conduct occurring in a mediation.

41 (h) When resolution is reached to resolve the dispute through the mediation
42 process, the parties shall execute a legally binding agreement that:

43 (1) Sets forth the agreement.

1 (2) States that all discussions that occurred during the mediation process
2 are confidential and may not be used as evidence in any subsequent
3 impartial hearing under G.S. 115C-109.6 or in any civil proceeding.

4 (3) Is signed by both the parent and a representative of the local
5 educational agency who has the authority to bind that agency.

6 (4) Is enforceable in any State administrative forum provided for in IDEA,
7 any State court of competent jurisdiction, or in a district court of the
8 United States.

9 (i) In addition to mediation as provided by this section, the parties may
10 participate in a mediated settlement conference as provided by G.S. 150B-23.1. In
11 addition, the parties may agree to use other dispute resolution methods or to use
12 mediation in other circumstances, including after a request for formal administrative
13 review is filed, to the extent permitted under State and federal law.

14 **"§ 115C-109.5. Prior written notice.**

15 (a) The local educational agency shall provide prompt written notice to parents
16 whenever that agency proposes to initiate or change, or refuses to initiate or change (i)
17 the identification, evaluation, or educational placement of a child, or (ii) the provision of
18 a free appropriate public education to a child with a disability. The local educational
19 agency shall document that all required notices have been sent to and received by
20 parents.

21 (b) This prior written notice shall be in the native language of the parents, unless
22 it clearly is not feasible to translate it, and shall contain all of the following information:

23 (1) A description of the action proposed or refused by the local
24 educational agency.

25 (2) An explanation of why the local educational agency proposes or
26 refuses to take the action and a description of each evaluation
27 procedure, assessment, record, or report that agency used as a basis for
28 the proposed or refused action.

29 (3) A statement that the parent of a child with a disability has protection
30 under the procedural safeguards of this Article and IDEA and, if this
31 notice is not the initial referral for evaluation, the means by which a
32 copy of the procedural safeguards can be obtained.

33 (4) Sources for parents to contact to obtain assistance in understanding
34 this Article and IDEA.

35 (5) A description of other options considered by the IEP Team and the
36 reason why those options were rejected.

37 (6) A description of the factors that are relevant to the local educational
38 agency's proposal or refusal.

39 (7) Any other information required to be included under IDEA.

40 **"§ 115C-109.6. Impartial due process hearings.**

41 (a) Any party may file with the Office of Administrative Hearings a petition to
42 request an impartial hearing with respect to any matter relating to the identification,
43 evaluation, or educational placement of a child, or the provision of a free appropriate
44 public education of a child, or a manifestation determination. The party filing the

1 petition must notify the other party and the person designated under
2 G.S. 115C-107.2(b)(9) by simultaneously serving them with a copy of the petition.

3 (b) Notwithstanding any other law, the party shall file a petition under subsection
4 (a) of this section that includes the information required under IDEA and that sets forth
5 an alleged violation that occurred not more than one year before the party knew or
6 reasonably should have known about the alleged action that forms the basis of the
7 petition. The issues for review under this section are limited to those set forth in
8 subsection (a) of this section. The party requesting the hearing may not raise issues that
9 were not raised in the petition unless the other party agrees otherwise.

10 (c) The one-year restriction in subsection (b) of this section shall not apply to a
11 parent if the parent was prevented from requesting the hearing due to (i) specific
12 misrepresentations by the local educational agency that it had resolved the problem
13 forming the basis of the petition, or (ii) the local educational agency's withholding of
14 information from the parent that was required under State or federal law to be provided
15 to the parent.

16 (d) The hearing shall be conducted in the county where the child attends school
17 or is entitled to enroll under G.S. 115C-366, unless the parties mutually agree to a
18 different venue.

19 (e) The hearing shall be closed to the public unless the parent requests in writing
20 that the hearing be open to the public.

21 (f) Subject to G.S. 115C-109.7, the decision of the administrative law judge shall
22 be made on substantive grounds based on a determination of whether the child received
23 a free appropriate public education. Following the hearing, the administrative law judge
24 shall issue a written decision regarding the issues set forth in subsection (a) of this
25 section. The decision shall contain findings of fact and conclusions of law.
26 Notwithstanding Chapter 150B of the General Statutes, the decision of the
27 administrative law judge becomes final and is not subject to further review unless
28 appealed to the Review Officer under G.S. 115C-109.9.

29 (g) A copy of the administrative law judge's decision shall be served upon each
30 party and a copy shall be furnished to the attorneys of record. The written notice shall
31 contain a statement informing the parties of the availability of appeal and the 30-day
32 limitation period for appeal as set forth in G.S. 115C-109.9.

33 (h) In addition to the petition, the parties shall simultaneously serve a copy of all
34 pleadings, agreements, and motions under this Part with the person designated by the
35 State Board under G.S. 115C-107.2(b)(9). The Office of Administrative Hearings shall
36 simultaneously serve a copy of all orders and decisions under this Part with the person
37 designated by the State Board under G.S. 115C-107.2(b)(9).

38 (i) Nothing in this section shall be construed to preclude a parent from filing a
39 separate due process petition on an issue separate from a petition already filed.

40 (j) The State Board, through the Exceptional Children Division, and the State
41 Office of Administrative Hearings shall develop and enter into a binding memorandum
42 of understanding to ensure compliance with the statutory and regulatory procedures and
43 timelines applicable under IDEA to due process hearings and to hearing officers'
44 decisions, and to ensure the parties' due process rights to a fair and impartial hearing.

1 This memorandum of understanding shall be amended if subsequent changes to IDEA
2 are made. The procedures and timelines shall be made part of the Board's procedural
3 safeguards that are made available to parents and the public under G.S. 115C-109.1 and
4 G.S. 115C-109.5.

5 **"§ 115C-109.7. Resolution session.**

6 (a) Within 15 days of receiving notice of the parent's petition filed under
7 G.S. 115C-109.6 and before the opportunity for an impartial hearing, the local
8 educational agency shall convene a meeting with the parent and the relevant members
9 of the IEP Team who have specific knowledge of the facts identified in the petition.
10 This meeting shall include a representative of the agency who has decision-making
11 authority on behalf of that agency and may not include an attorney of the local
12 educational agency unless the parent is accompanied by an attorney. If the parent plans
13 to be accompanied by an attorney under this section, the parent must give prior written
14 notice of this fact to the agency. The purposes of the meeting are (i) for the parent to
15 have an opportunity to discuss the petition and the facts that form the basis of the
16 petition and (ii) for the local educational agency to have the opportunity to resolve the
17 dispute.

18 (b) The parent and the local educational agency jointly may agree in writing to
19 waive the meeting under subsection (a) of this section or to use the mediation process
20 described in G.S. 115C-109.4.

21 (c) If the local educational agency does not resolve the dispute to the satisfaction
22 of the parents within 30 days of the agency's receipt of the petition, the impartial
23 hearing under G.S. 115C-109.6 may occur and all of the applicable timelines for that
24 hearing shall commence.

25 (d) If a resolution is reached to resolve the dispute at a meeting under subsection
26 (a) of this section, the parties shall execute a legally binding agreement that is:

- 27 (1) Signed by both the parent and a representative of the local educational
28 agency who has the authority to bind the agency;
29 (2) Enforceable in any State administrative forum provided for in IDEA,
30 any State court of competent jurisdiction, or in a district court of the
31 United States; and
32 (3) Filed with the person designated by the State Board to receive notices
33 and with the Office of Administrative Hearings.

34 (e) If the parties execute an agreement under subsection (d) of this section, either
35 party may void the agreement by providing written notice within three business days of
36 the agreement's execution to the person designated by the State Board to receive notices,
37 the Office of Administrative Hearings, and the other party. Notwithstanding subsection
38 (c) of this section, upon receipt of this notice, the impartial hearing under
39 G.S. 115C-109.6 may occur and all of the applicable timelines for that hearing shall
40 commence.

41 **"§ 115C-109.8. Procedural issues.**

42 (a) In matters alleging a procedural violation, the hearing officer may find that a
43 child did not receive a free appropriate public education only if the procedural
44 inadequacies (i) impeded the child's right to a free appropriate public education; (ii)

1 significantly impeded the parents' opportunity to participate in the decision-making
2 process regarding the provision of a free appropriate public education to the parents'
3 child; or (iii) caused a deprivation of educational benefits.

4 (b) A hearing officer may order a local educational agency to comply with
5 procedural requirements under this Article and IDEA.

6 **"§ 115C-109.9. Review by review officer; appeals.**

7 (a) Any party aggrieved by the findings and decision of a hearing officer under
8 G.S. 115C-109.6 or G.S. 115C-109.8 may appeal the findings and decision within 30
9 days after receipt of notice of the decision by filing a written notice of appeal with the
10 person designated by the State Board under G.S. 107.2(b)(9) to receive notices. The
11 State Board, through the Exceptional Children Division, shall appoint a Review Officer
12 from a pool of review officers approved by the State Board of Education. The Review
13 Officer shall conduct an impartial review of the findings and decision appealed under
14 this section. The Review Officer conducting this review shall make an independent
15 decision upon completion of the review. The decision of the Review Officer becomes
16 final unless an aggrieved party brings a civil action under subsection (d) of this section.
17 A copy of the decision shall be served upon each party, and a copy shall be furnished to
18 the attorneys of record and the Office of Administrative Hearings. The written notice
19 shall contain a statement informing the parties of the right to file a civil action and the
20 30-day limitation period for filing a civil action under subsection (d) of this section.

21 (b) A Review Officer shall be an educator or other professional who is
22 knowledgeable about special education and who possesses other qualifications as may
23 be established by the State Board of Education. No person may be appointed as a
24 Review Officer if that person is an employee of the State Board of Education, the
25 Department of Public Instruction, or the local educational agency that has been involved
26 in the education or care of the child whose parents have filed the petition.

27 (c) The State Board may enforce the final decision of the administrative law
28 judge under G.S. 115C-109.6, if not appealed under this section, or the final decision of
29 the Review Officer, by ordering a local educational agency:

30 (1) To provide a child with appropriate education;

31 (2) To place a child in a private school that is approved to provide special
32 education and that can provide the child an appropriate education; or

33 (3) To reimburse parents for reasonable private school placement costs in
34 accordance with this Article and IDEA when it is determined that the
35 local educational agency did not offer or provide the child with
36 appropriate education and the private school in which the parent
37 placed the child was an approved school and did provide the child an
38 appropriate education.

39 (d) Any party that does not have the right to appeal under this Part and any party
40 who is aggrieved by the decision of the Review Officer under this section may institute
41 a civil action in State court within 30 days after receipt of the notice of the decision or in
42 federal court as provided in 20 U.S.C. § 1415.

43 (e) Except as provided under IDEA, upon the filing of a petition under
44 G.S. 115C-109.6 and during the pendency of any proceedings under this Part, the child

1 must remain in the child's then-current educational placement or, if applying for initial
2 admission to a public school, the child must be placed in the public school.
3 Notwithstanding this subsection, the parties may agree in writing to a different
4 educational placement for the child during the pendency of any proceedings under this
5 Part.

6 "Part 1E. Special Education and Related Services Personnel.

7 "**§ 115C-110.1. Teacher qualifications.**

8 The Board shall adopt rules covering the qualifications of and standards for licensure
9 of teachers, teacher assistants, speech-language pathologists, school psychologists, and
10 others involved in the education and training of children with disabilities.

11 "**§ 115C-110.2. Interpreters/transliterators.**

12 Each interpreter or transliterator employed by a local educational agency to provide
13 services to hearing-impaired students must annually complete 15 hours of job-related
14 training that has been approved by the local educational agency.

15 "**§ 115C-110.3 through 110.5. [Reserved]**

16 "Part 1F. Budgeting; Funds.

17 "**§ 115C-111.1. Out-of-state students; eligibility for State funds.**

18 Notwithstanding any policy or rule adopted by the State Board of Education, if a
19 local school administrative unit provides services to a student under a current IEP from
20 another state while a determination is being made regarding the student's eligibility for
21 services as a child with disabilities in North Carolina, the local school administrative
22 unit is entitled to receive State funding to serve the student while the determination is
23 being made. If the student is later determined not to qualify for services in North
24 Carolina, the local school administrative unit is not required to repay State funds
25 received while the determination is being made.

26 "**§ 115C-111.2. Contracts with private service providers.**

27 Local educational agencies furnishing special education and related services to
28 children with disabilities may contract with private special education facilities or service
29 providers to furnish any of these services that the public providers are unable to furnish.

30 "**§ 115C-111.3. Cost of education of children in group homes, foster homes, etc.**

31 (a) Notwithstanding any other State law and without regard for the place of
32 domicile of a parent, the cost of a free appropriate public education for a child with
33 disabilities who is placed in or assigned to a group home or foster home, under State
34 and federal law, shall be borne by the local board of education in which the group home
35 or foster home is located. However, the local school administrative unit in which a child
36 is domiciled shall transfer to the local school administrative unit in which the institution
37 is located an amount equal to the actual local cost in excess of State and federal funding
38 required to educate that child in the local school administrative unit for the fiscal year
39 after all State and federal funding has been exhausted.

40 (b) The State Board of Education shall use State and federal funds appropriated
41 for children with disabilities to establish a reserve fund to reimburse local boards of
42 education for the education costs of children assigned to group homes or other facilities
43 as provided in subsection (a) of this section. Local school administrative units may
44 submit a Special State Reserve Program application for foster home or group home

1 children whose special education and related services costs exceed the per child group
2 home allocation.

3 (c) The Department shall review the current cost of children with disabilities
4 served in the local school administrative units with group homes or foster homes to
5 determine the actual cost of services.

6 **§ 115C-111.4. Nonreduction.**

7 Notwithstanding any of the other provisions of this Article, it is the intent of the
8 General Assembly that funds appropriated by it for the operation of programs of special
9 education and related services by local school administrative units not be reduced;
10 rather, that adequate funding be made available to meet the special educational and
11 related services needs of children with disabilities, without regard to which local
12 educational agency has the child in its care, custody, control, or program.

13 **§ 115C-111.5. Allocation of federal funds.**

14 Whenever any federal monies for the special education and related services for
15 children with disabilities are made available, these funds shall be allocated according to
16 a formula designed by the Board consistent with federal laws and regulations. This
17 formula shall ensure equitable distribution of resources and shall be implemented as
18 funds are made available from federal and State appropriations.

19 **§ 115C-111.6. Obligation to provide services for preschool children with**
20 **disabilities.**

21 State funds appropriated to the public schools to implement preschool services for
22 children with disabilities under this Article and IDEA shall be used to provide special
23 education and related services to preschool children with disabilities. These State funds
24 shall be used to supplement and not supplant existing federal, State, and local funding
25 for the public schools.

26 Preschool children with disabilities will continue to be served by all other State
27 funds to which they are otherwise entitled.

28 "Part 1G. Council on Educational Services for Exceptional Children.

26 area of mathematics and (ii) states that this learning disability will prevent the student
27 from mastering Algebra I."

28 **SECTION 3.(b)** G.S. 115C-105.25(b)(4) reads as rewritten:
