7 The General Assembly of North Carolina enacts:

8 **SECTION 1.** Article 1 of Chapter 75 of the General Statutes is amended by
9 adding a new section to read:

10 **"§ 75-39. Representations regarding accommodations for lodging.**

11 Any person, firm, or corporation that advertises for rent in this State
12 accommodations for overnight lodging must include in the advertisements accurate
13 information that includes the total number of rooms available for rent as overnight
14 lodging and the number and size of beds in those rooms, and must provide the
15 accommodation with the specific number and specific size of beds as represented at the
16 time of accepting a reservation. Failure to provide the accommodations with the
17 specific number and the specific size of beds represented at the time of accepting a
18 reservation to a person who has prepaid for the accommodations or has guaranteed the
19 price of the accommodations by credit card is an unfair and deceptive trade practice
20 under this Article."

21 **SECTION 2.** This act becomes effective January 1, 2006, and applies to
22 contracts entered into on or after that date.
