- 19 (15) Assess all insurers in accordance with G.S. 58-50-220.

20 (f) The Executive Director, with the approval of the Board, shall operate the Pool
21 in a manner so that the estimated cost of providing the benefit plans offered during any
22 calendar year is not anticipated to exceed the total income the Pool expects to receive
23 from policy premiums and other revenue available to the Pool. The Board may impose a
24 cap on enrollment or may suspend enrollment for an indefinite period if the Board finds
25 that estimated costs are anticipated to exceed income, except that any enrollment cap or
26 suspension shall not apply to federally defined eligible individuals who are eligible to
27 enroll in the Pool pursuant to G.S. 58-50-195(a)(5).

28 (g) The Executive Director shall make an annual report to the Speaker of the
29 House of Representatives, the President Pro Tempore of the Senate, the Commissioner,

34 (h) Neither the Board nor the employees of the Pool are liable for any obligations
35 of the Pool. There shall be no liability on the part of, and no cause of action of any
36 nature shall arise against, the Pool or its agents or employees, the Board, the Executive
37 Director, or the Commissioner or the Commissioner's representatives for any action
38 taken by them in good faith in the performance of their powers and duties under this
39 Part.

40 (i) The members of the Board are public servants under G.S. 138A-3(30) and are
41 subject to the provisions of Chapter 138A of the General Statutes.

42 "**§ 58-50-185. Administrator.**"

43 (a) The Executive Director, in collaboration with the Board, shall select through
44 a competitive bidding process one or more insurers to administer the Pool. The

1 Executive Director shall evaluate bids submitted based on criteria established by the
2 Board. The criteria shall allow for the comparison of information about each bidding
3 administrator and selection of a Pool Administrator based on at least the following:

- 4 (1) Proven ability to handle health insurance coverage to individuals.
- 5 (2) Efficiency and timeliness of the claim processing procedures.
- 6 (3) Estimated total charges for administering the Pool.
- 7 (4) Ability to apply effective cost containment programs and procedures
8 and to administer the Pool in a cost-efficient manner.
- 9 (5) Financial condition and stability.
- 10 (6) Evidence of authority to provide third-party administrative services in
11 North Carolina.

12 (b) The Administrator shall serve for a period specified in the contract between
13 the Pool and the Administrator subject to removal for cause and subject to any terms,
14 conditions, and limitations of the contract between the Pool and the Administrator. At
15 least one year before the expiration of each period of service by an Administrator, the
16 Executive Director shall invite eligible entities, including the current Administrator,
17 unless the current Administrator was removed for cause, to submit bids to serve as the
18 Administrator. Selection of the Administrator for the succeeding period shall be made at
19 least six months before the end of the current period.

20 (c) The Administrator shall perform such functions relating to the Pool as may be
21 assigned to it, including:

- 22 (1) Verification of eligibility.
- 23 (2) Payment of claims.
- 24 (3) Establishment of a premium billing procedure for collection of
25 premiums from individuals covered under the Pool.
- 26 (4) Other necessary functions to assure timely payment of benefits to
27 covered persons under the Pool.

28 (d) The Administrator shall submit regular reports to the Executive Director and
29 the Board regarding the operation of the Pool. The contract between the Pool and the
30 Administrator shall specify the frequency, content, and form of the report.

31 (e) Following the close of each calendar year, the Administrator shall determine
32 net written and earned premiums, the expense of administration, and the paid and
33 incurred losses for the year and report this information to the Executive Director and the
34 Board on a form prescribed by the Executive Director.

35 (f) The Administrator shall be paid as provided in the contract between the Pool
36 and the Administrator.

37 **"§ 58-50-190. Risk Pool rates and policy forms.**

38 (a) The Pool shall adopt and modify, as appropriate, rates, rate schedules, rate
39 adjustments, expense allowances, agent referral fees, claim reserve formulas, and any
40 other actuarial function appropriate to the operation of the Pool. Rates and rate
41 schedules may be adjusted for appropriate factors such as age, sex, and geographic
42 variation in claim cost and shall take into consideration appropriate rating factors in
43 accordance with established actuarial and underwriting practices.

1 **(b)** The Pool shall determine the standard risk rate by considering the premium
2 rates charged by other insurers offering health insurance coverage to individuals. The
3 standard risk rate shall be established using reasonable actuarial techniques and shall
4 reflect anticipated experience and expenses for the coverage. Pool rates shall be one
5 hundred seventy-five percent (175%) of rates established as applicable for individual
6 standard rates and shall be adjusted annually, at the time of annual renewal.

7 **(c)** The Executive Director, with the approval of the Board and the
8 Commissioner, shall have the authority to develop incentive programs with premium
9 discounts. The Pool may provide for premium surcharges for covered individuals who
10 are smokers. Premium surcharge rates shall be established by the Executive Director, in
11 collaboration with the Board, subject to the approval of the Commissioner.

12 **(d)** Provider reimbursement rates under Pool coverage shall be limited to the
13 rates allowed for providers under the Medicare Program for those services covered by
14 Medicare. The Board shall establish reimbursement rates for services for which
15 Medicare has not established an allowed rate. Providers rendering medical care to an
16 insured shall accept payment of the amount established under this subsection, less any
17 applicable deductible, coinsurance, or co-payment amounts, as payment in full for
18 services rendered.

19 **(e)** The Pool shall submit all premium rates and premium rate schedules and
20 amendments to the Commissioner for approval. The Pool shall not use any premium
21 rates, premium rate schedules or amendments to the rates and schedules unless the
22 Commissioner has approved them. The Commissioner, in evaluating the premium rates
23 and premium rate schedules, shall consider the factors provided in this section. The Pool
24 shall provide all individuals enrolled in the Pool with at least 45 days' notice of any
25 change in Pool premium rates or premium rate schedules.

26 **(f)** The Pool shall submit all policy forms, riders, endorsements, and applications
27 for coverage to the Commissioner for approval. The Pool shall not use any policy forms,
28 riders, endorsements, or applications for coverages unless the Commissioner has
29 approved them. Except for any provisions that are specifically treated otherwise under
30 this Part, the provisions of this Chapter that apply to benefit plans and policy forms of
31 health insurers generally shall apply to the benefit plans offered and policy forms used
32 by the Pool.

33 **"§ 58-50-195. Eligibility for Pool coverage.**

34 **(a)** Any individual who is and continues to be a resident of this State is eligible
35 for Pool coverage if the individual provides evidence of any of the following:

36 **(1)** A notice of rejection or refusal to issue substantially similar health
37 insurance coverage for health reasons by an insurer. A rejection or
38 refusal by an insurer offering only stop-loss, excess loss, or
39 reinsurance coverage with respect to the applicant is not sufficient
40 evidence of eligibility.

41 **(2)** An offer to issue health insurance coverage only with a conditional
42 rider that limits coverage for the individual's high-risk medical
43 condition.

- 1 (3) A refusal by an insurer to issue health insurance coverage except at a
2 rate exceeding the Pool rate.
- 3 (4) A diagnosis of the individual with one of the medical or health
4 conditions listed by the Board in accordance with this section. An
5 individual diagnosed with one or more of these conditions is eligible
6 for Pool coverage without applying for other health insurance
7 coverage.
- 8 (5) Qualification as a federally defined eligible individual, whether or not
9 currently covered by an insurer under that qualification.
- 10 (6) An individual who is legally domiciled in this State and is eligible for
11 the credit for health insurance costs under the Trade Adjustment
12 Assistance Reform Act of 2002, section 35 of the Internal Revenue
13 Code of 1986. Each dependent of an individual who is eligible for Pool
14 coverage under this subdivision shall also be eligible for Pool
15 coverage.
- 16 (7) The individual has current individual health insurance coverage at a
17 rate exceeding the Pool rate.
- 18 (b) The Board, upon recommendation of the Executive Director, shall adopt a list
19 of medical or health conditions for which a person shall be eligible for Pool coverage
20 under subdivision (a)(4) of this section. The Board may amend the list as the Board
21 considers appropriate.
- 22 (c) An individual is not eligible for coverage under the Pool if:
- 23 (1) The individual has or obtains medical care benefits substantially
24 similar to or more comprehensive than the benefit plan offered by the
25 Pool, or would be eligible to have coverage if the person elected to
26 obtain it, except that:
- 27 a. An individual may maintain other coverage for the period of
28 time the individual is satisfying any preexisting condition
29 waiting period under a Pool policy; and
- 30 b. An individual may maintain Pool coverage for the period of
31 time the individual is satisfying a preexisting condition waiting
32 period under another health insurance policy intended to replace
33 the Pool policy.
- 34 (2) The individual is determined to be eligible for enrollment in the State
35 Medical Assistance Plan.
- 36 (3) The individual has previously terminated Pool coverage unless 12
37 months have lapsed since the termination, except that this subdivision
38 shall not apply with respect to an applicant who is a federally defined
39 eligible individual or to an applicant eligible for or receiving benefits
40 under the Trade Adjustment Assistance Program.
- 41 (4) The individual is an inmate or resident of a public institution, except
42 that this subdivision shall not apply with respect to an applicant who is
43 a federally defined eligible individual.

1 (5) The individual's premiums are paid for or reimbursed under any
2 government-sponsored program or by any government agency or
3 health care provider, except as an otherwise qualifying full-time
4 employee, or dependent thereof, of a government agency or health care
5 provider. This subdivision shall not apply for individuals receiving
6 benefits under the Trade Adjustment Assistance Program or to
7 individuals receiving premium subsidies made available by the State
8 based on individual income levels.

9 (6) The individual has in effect on the date Pool coverage takes effect
10 health insurance coverage from an insurer or insurance arrangement.

11 (d) Coverage under the Pool shall cease:

12 (1) On the date an individual is no longer a resident of this State.

13 (2) On the date an individual requests coverage to end.

14 (3) Upon the death of the covered individual.

15 (4) On the date State law requires cancellation of the Pool policy.

16 (5) At the option of the Pool, 30 days after the Pool makes any inquiry
17 concerning the individual's eligibility or residence to which the
18 individual does not reply.

19 (6) Because the individual has failed to make the payments required under
20 this Part.

21 (e) Except as provided in subsection (d) of this section, an individual who ceases
22 to meet the eligibility requirements of this section may be terminated at the end of the
23 Pool policy period for which the necessary premiums have been paid.

24 **"§ 58-50-200. Unfair referral to Pool.**

25 It is an unfair trade practice under Article 63 of this Chapter and under Chapter 75 of
26 the General Statutes for an employer, an insurer, an insurance producer, as defined in
27 G.S. 58-33-10(7), or a third-party administrator to refer an individual employee to the
28 Pool or arrange for an individual employee to apply to the Pool for the purpose of
29 separating that employee from a group medical care benefit plan provided in connection
30 with the employee's employment. This section shall not prohibit an insurer or insurance
31 producer from informing an individual of other coverage options, including coverage
32 provided by the Pool.

33 **"§ 58-50-205. Minimum Pool benefits.**

34 (a) The Pool shall offer at least two types of benefit plans for individuals eligible
35 under G.S. 58-50-195, including preferred provider organizations with different levels
36 of deductibles and cost-sharing, and at least one choice of a health savings account. The
37 covered services and benefit levels may vary between the types of benefit plans, but at
38 least two types of benefit plans must, at a minimum, cover the benefits and services
39 outlined in the National Association of Insurance Commissioners' (NAIC) Model
40 Health Pool for Uninsurable Individuals Act and be consistent with comprehensive
41 coverage generally available to persons who are eligible for individual health insurance
42 other than Medicare. All benefit plans offered by the Pool shall include disease or case
43 management services.

1 (b) The Board, upon the recommendation of the Executive Director shall adopt
2 rules regarding the lifetime limits and per individual combined coinsurance and
3 deductibles for the health insurance products offered by the Pool. The initial rules shall
4 include not less than one million dollars (\$1,000,000) lifetime limit and a combined
5 annual limit of up to five thousand dollars (\$5,000) per individual on coinsurance and
6 deductibles. The Board, upon recommendation of the Executive Director, shall adopt
7 rules adjusting these limitations at least once every five years to reflect changes in the
8 medical component of the Consumer Price Index.

9 **"§ 58-50-210. Preexisting conditions.**

10 (a) Except as otherwise provided by law, Pool coverage shall exclude charges or
11 expenses incurred during the first 12 months following the effective date of coverage as
12 to any condition for which medical advice, care, or treatment was recommended or
13 received as to such conditions during the 12-month period immediately preceding the
14 effective date of coverage, except that no preexisting condition exclusion shall be
15 applied to a federally defined eligible individual.

16 (b) Subject to subsection (a) of this section, the preexisting condition exclusions
17 shall be waived to the extent that similar exclusions, if any, have been satisfied under
18 any prior health insurance coverage that was involuntarily terminated, provided that:

19 (1) Application for Pool coverage is made not later than 63 days following
20 the involuntary termination, and in such case coverage in the Pool
21 shall be effective from the date on which the prior coverage was
22 terminated; and

23 (2) The applicant is not eligible for continuation or conversion rights that
24 would provide coverage substantially similar to Pool coverage.

25 **"§ 58-50-215. Nonduplication of benefits.**

26 (a) The Pool shall be payor of last resort of benefits whenever any other benefit
27 or source of third-party payment is available. Benefits otherwise payable under
28 coverage shall be reduced by all amounts paid or payable through any other medical
29 care benefits and by all hospital and medical expenses paid or payable under any
30 workers' compensation coverage notwithstanding any provision of law to the contrary,
31 automobile medical payment, or liability insurance, whether provided on the basis of
32 fault or no-fault, and by any hospital or medical benefits paid or payable under or
33 provided pursuant to any State or federal law or program.

34 (b) The Pool shall have a cause of action against an eligible person for the
35 recovery of the amount of benefits paid that are not for covered expenses. Benefits due
36 from the Pool may be reduced or refused as a setoff against any amount recoverable
37 under this subsection.

38 **"§ 58-50-220. Assessments.**

39 (a) For the purposes of providing the funds necessary to carry out the powers and
40 duties of the Pool, and except as provided in subsection (c) of this section, the Pool shall
41 assess all insurers at such time and for such amounts as the Board finds necessary to
42 ensure effective and efficient operation of the Pool. Assessments shall be due in not less
43 than 30 days after prior written notice to the insurers and shall accrue interest at twelve
44 percent (12%) per annum on and after the due date.

1 (b) Except with respect to special assessments authorized under this section, and
2 except as otherwise provided in subsection (c) of this section, the Pool shall assess each
3 insurer in an amount not to exceed two dollars (\$2.00) per covered individual insured or
4 reinsured or for whom medical care benefits are administered by each insurer per
5 month. The assessment shall be based on actual or expected losses, actuarially
6 appropriate reserves, and administrative expenses in excess of expected or collected
7 premiums and federal loss reimbursements, if any, received by the Pool.

8 In addition to the assessment, the Pool may impose on each insurer a special
9 assessment only when enrollment in the Pool has been capped or suspended. A special
10 assessment may be made to cover only the additional losses of the Pool that are
11 expected to result from the continued entry into the Pool by federally defined eligible
12 individuals during the time that enrollment is closed to all other individuals eligible
13 under G.S. 58-50-195. The special assessment shall be based on actual or expected
14 losses, actuarially appropriate reserves, and administrative expenses in excess of
15 expected and collected premiums for the federally defined eligible individuals who
16 enrolled or are expected to enroll while the suspension of enrollment is in effect.

17 (c) Effective until January 1, 2014, except with respect to special assessments
18 authorized under this section, the Pool shall assess each insurer an amount not to exceed
19 the following limitations for each covered individual insured, reinsured, or for whom
20 medical care benefits are administered, per month:

21 (1) Seventy cents (70¢) for the 2008 and 2009 calendar years.

22 (2) One dollar (\$1.00) for the 2010 calendar year.

23 (3) One dollar and thirty cents (\$1.30) for the 2011 calendar year.

24 (4) One dollar and seventy cents (\$1.70) for the 2012 calendar year.

25 (5) Two dollars (\$2.00) for the 2013 calendar year and all years thereafter.

26 (d) The Pool shall make reasonable efforts designed to ensure that each covered
27 individual is counted only once with respect to any assessment. For that purpose, the
28 Pool shall require each insurer to include in its count of covered individuals all
29 individuals whose coverage it insures (including by way of excess or stop-loss
30 coverage) in whole or in part and regardless of any reinsurance on those lives that it
31 may obtain, except that lives covered under the Pool and reinsured or administered by a
32 third-party administrator shall not be included in the count. The Pool shall allow a
33 reinsurer to exclude from its number of covered individuals those individuals who have
34 been counted by the primary insurer or by the primary reinsurer or primary excess or
35 stop-loss insurer for the purposes of determining its assessment under this section.

36 (e) The Pool may verify each insurer's assessment based on annual statements
37 and other reports deemed to be necessary by the Pool. The Pool may use any reasonable
38 method of estimating the number of covered individuals of an insurer if the specific
39 number is unknown.

40 (f) If assessments and other receipts by the Pool exceed the actual losses and
41 administrative expenses of the Pool, the excess shall be held at interest and used by the
42 Pool to offset future losses or to reduce Pool premiums. Future losses include reserves
43 for claims incurred but not reported.

1 (g) The Commissioner may suspend or revoke, after notice and hearing, the
2 license of any insurer that fails to pay an assessment. As an alternative, the
3 Commissioner may levy a forfeiture on any insurer that fails to pay an assessment when
4 due. The forfeiture may not exceed five percent (5%) of the unpaid assessment per
5 month, but no forfeiture shall be less than one hundred dollars (\$100.00) per month.

6 **"§ 58-50-220. Reserve created.**

7 (a) There is hereby established a reserve, to be known as the Reserve for the
8 North Carolina Health Insurance Risk Pool.

9 All premiums, fees, charges, rebates, refunds, or any other receipts including, but not
10 limited to, earnings on investments, occurring or arising in connection with the Pool, as
11 established by this Article, shall be deposited into the Reserve. Disbursements from the
12 Reserve shall include any and all amounts required to pay the claims, benefits, and
13 administrative costs as may be determined by the Executive Director and the Board.

14 The Reserve shall be deposited with the State Treasurer and invested as provided in
15 G.S. 147-69.2 and G.S. 147-69.3.

16 (b) Disbursement from the Reserve may be made by warrant drawn on the State
17 Treasurer by the Executive Director, or the Executive Director and the Board may by
18 contract authorize the Administrator to draw the warrant.

19 **"§ 58-50-230. Complaint procedures.**

20 An applicant or participant in coverage from the Pool is entitled to have complaints
21 against the Pool reviewed by a grievance committee appointed by the Executive
22 Director. Members of the Board shall not serve on the grievance committee. The
23 grievance process shall comply with G.S. 58-50-62. The grievance committee shall
24 report to the Board after completion of the review of each complaint. The Executive
25 Director shall retain all written complaints regarding the Pool at least until the third
26 anniversary of the date the Pool received the complaint. Independent review of an
27 appeal decision upholding a noncertification or a second-level grievance review
28 decision upholding a noncertification shall be subject to review pursuant to Part 4 of this
29 Article.

30 **"§ 58-50-235. Audit.**

31 An audit of the Pool shall be conducted annually under the oversight of the State
32 Auditor. The cost of the audit shall be reimbursed to the State Auditor from the Reserve
33 for the North Carolina Health Insurance Risk Pool.

34 **"§ 58-50-240. Taxation.**

35 The Pool established under this Part is exempt from any and all State taxes.

36 **"§ 58-50-245. Rules.**

37 The Board and the Commissioner may adopt rules pursuant to Chapter 150B of the
38 General Statutes, including temporary rules, to implement this Part.

39 **"§ 58-50-250. Collective action.**

40 The establishment of rates, forms, or procedures, and any other joint or collective
41 action required by this Part may not be the basis of any legal action or criminal or civil
42 liability or penalty against the Pool or any insurer.

43 **"§ 58-50-255. Pool financing; Board reporting.**

1 (a) The Board shall monitor methods of financing the Pool to ensure a stable
2 funding source and allow for its continued operation. This monitoring shall include
3 supplementary sources of funding, such as funds obtained from public and private
4 not-for-profit foundations, or other appropriate and available State or non-State funds.
5 The Board shall also review on a regular basis:

- 6 (1) The number of individuals in this State who are uninsured as of a date
7 certain because of high-risk conditions.
8 (2) The number of uninsured individuals who would qualify for coverage
9 under the Pool based on G.S. 58-50-195 and its Plan of Operation.
10 (3) The cost of coverage under each of the health insurance plans
11 developed by the Board, including administrative costs.
12 (4) The extent to which assessments meet or exceed amounts necessary
13 for coverage and Board operations.
14 (5) The status of a request by the State to the Centers for Medicare and
15 Medicaid Services for approval of the North Carolina Health Insurance
16 Risk Pool to be considered an acceptable "alternative mechanism"
17 under the federal Health Insurance Portability and Accountability Act
18 in accordance with 45 C.F.R. § 148.128(e).
19 (6) Methods for providing a premium subsidy on a sliding scale basis for
20 individuals with incomes up to three hundred percent (300%) of the
21 federal poverty guidelines.

22 (b) The Board shall report its findings and recommendations to the General
23 Assembly on March 1, 2008, and annually thereafter."

24 **§§ 58-50-260 through 265: Reserved for future codification purposes.**

25 **SECTION 1.2.** Effective January 1, 2014, G.S. 58-50-220(c) as enacted in
26 Section 1.1 of this act is repealed.

27 **SECTION 1.3.** Effective January 1, 2014, G.S. 58-50-220(b) as enacted in
28 Section 1.1 of this act reads as rewritten:

29 "(b) Except with respect to special assessments authorized under this section, ~~and~~
30 ~~except as otherwise provided in subsection (c) of this section,~~ the Pool shall assess each
31 insurer in an amount not to exceed two dollars (\$2.00) per covered individual insured or
32 reinsured or for whom medical care benefits are administered by each insurer per
33 month. The assessment shall be based on actual or expected losses, actuarially
34 appropriate reserves, and administrative expenses in excess of expected or collected
35 premiums and federal loss reimbursements, if any, received by the Pool.

36 In addition to the assessment, the Pool may impose on each insurer a special
37 assessment only when enrollment in the Pool has been capped or suspended. A special
38 assessment may be made to cover only the additional losses of the Pool that are
39 expected to result from the continued entry into the Pool by federally defined eligible
40 individuals during the time that enrollment is closed to all other individuals eligible
41 under G.S. 58-50-195. The special assessment shall be based on actual or expected
42 losses, actuarially appropriate reserves, and administrative expenses in excess of
43 expected and collected premiums for the federally defined eligible individuals who
44 enrolled or are expected to enroll while the suspension of enrollment is in effect."

1 **SECTION 1.4.** On or before January 1, 2008, the Executive Director shall
2 notify the Centers for Medicare and Medicaid Services that the State has established the
3 North Carolina Health Insurance Risk Pool and shall request that the North Carolina
4 Health Insurance Risk Pool be approved as an acceptable "alternative mechanism"
5 under the federal Health Insurance Portability and Accountability Act in accordance
6 with 45 C.F.R. § 148.128(e). The Executive Director shall notify the Commissioner
7 when the Centers for Medicare and Medicaid Services approve the request.

8 **SECTION 1.5.** The Executive Director shall study methods for encouraging
9 healthy behaviors among the Pool's insureds and report the Executive Director's
10 findings to the Board and to the General Assembly not later than one year after initial
11 implementation of the Pool.

12 **SECTION 1.6.** Notwithstanding G.S. 58-50-210(a), individuals enrolling in
13 the Pool within six months of the date that enrollment into the Pool first begins shall be

16 "(a) The Joint Legislative Health Care Oversight Committee shall review, on a
17 continuing basis, the provision of health care and health care coverage to the citizens of

19 to improve health care for North Carolinians. To this end, the Committee shall study the
20 delivery, availability, and cost of health care in North Carolina. The Committee shall
21 also review, on a continuing basis, the implementation of the State Health Insurance
22 Program for Children established under Part 8 of Article 2 of Chapter 108A of the
