A BILL TO BE ENTITLED

AN ACT TO ENSURE COMPLIANCE WITH MOTOR CARRIER AND  
COMMERCIAL DRIVERS LICENSE PROVISIONS OF CHAPTER 20 OF THE  
GENERAL STATUTES AND TO AUTHORIZE THE COMMISSIONER OF  
MOTOR VEHICLES TO ENTER INTO THE UNIFIED MOTOR CARRIER  
REGISTRATION AGREEMENT.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 20-17.4(l) reads as rewritten:

"(l) ~~Disqualification for Testing Positive in a~~ Based on Drug or Alcohol Test. –  
Upon receipt of notice of a positive drug or alcohol test, or of refusal to participate in a  
drug or alcohol test, pursuant to G.S. 20-37.19(c), the Division ~~shall~~ must disqualify a  
~~driver~~ CDL holder from operating a commercial motor vehicle until receipt of proof of  
successful completion of assessment and treatment by a substance abuse professional in  
accordance with 49 C.F.R. § 382.503."

**SECTION 2.** G.S. 20-37.19(c) reads as rewritten:

"(c) The employer of any employee or applicant who tests positive or of any  
employee who refuses to participate in a drug or alcohol test required under 49 C.F.R.  
Part 382 and 49 C.F.R. Part 655 ~~shall~~ must notify the Division ~~of Motor Vehicles~~ in  
writing within five business days following the employer's receipt of confirmation of a  
positive drug ~~test~~ or alcohol test or of the employee's refusal to participate in the test.  
The notification ~~shall~~ must include the driver's name, address, drivers license number,  
social security number, and results of the drug or alcohol ~~test~~ test or documentation  
from the employer of the refusal by the employee to take the test."

**SECTION 3.** G.S. 20-382 reads as rewritten:

"§ 20-382. ~~Registration of for-hire interstate motor carriers and verification that~~  
~~their for-hire vehicles are insured.~~ For-hire motor carrier registration,  
insurance verification, and temporary trip permit authority.

1 (a) UCRA. – The Commissioner may enter into the Unified Carrier Registration  
2 Agreement (UCRA), established pursuant to Section 4305 of Public Law 109-73, and  
3 into agreements with jurisdictions participating in the UCRA to exchange information  
4 for any audit or enforcement activity required by the UCRA. Upon entry into the  
5 UCRA, the requirements set under the UCRA apply to the Division. If a requirement set  
6 under the UCRA conflicts with this section, the UCRA controls. Rules adopted to  
7 implement this section must ensure compliance with mandates of the Federal Motor  
8 Carrier Safety Administration and the United States Department of Transportation.

9 (a1) Carrier Registration. – A for-hire-motor carrier may not operate a for-hire  
10 motor vehicle in interstate commerce in this State unless the motor carrier has complied  
11 with all of the following requirements:

12 (1) Registered its operations with the Division by doing its base state.

13 (1a) Done one of the following:

14 a. Filing-Filed a copy of the certificate of authority issued to it by  
15 the United States Department of Transportation allowing it to  
16 operate-transport regulated items in this State and any  
17 amendments to that authority.

18 b. Certifying-Certified to the Division that it carries only items  
19 that are not regulated by the United States Department of  
20 Transportation.

21 (2) Verified, in accordance with subsection (b) or (c) of this section, that it  
22 has insurance for each for-hire motor vehicle it operates.

23 (3) Paid the fees set in G.S. 20-385.

24 (b) Insurance-Verification for Federally Regulated Motor Carriers-Verification. –  
25 A for-hire-motor carrier that operates a for-hire motor vehicle in interstate commerce in  
26 this State, State and is regulated by the United States Department of Transportation, and  
27 designates this State as its registration state must obtain a receipt from the Division  
28 verifying that each for hire motor vehicle the motor carrier operates in any jurisdiction  
29 is insured. To obtain a receipt, the motor carrier must apply annually to the Division  
30 during the application period and state the number of for hire motor vehicles the motor  
31 carrier intends to operate in each jurisdiction during the next calendar year. The  
32 certificate of authority issued to the motor carrier by the United States Department of  
33 Transportation is proof that the motor carrier has insurance for its for hire motor  
34 vehicles.

35 The motor carrier must keep a copy of the receipt in each of its for hire motor  
36 vehicles. The motor carrier may transfer the receipt from one for hire motor vehicle to  
37 another as long as the total number of for hire motor vehicles operated in any  
38 jurisdiction and in all jurisdictions does not exceed the number stated on the receipt.

39 A motor carrier may operate more for hire motor vehicles in a jurisdiction than  
40 stated in its most recent annual application only if the motor carrier files another  
41 application with the Division and obtains a receipt stating the increased number. A  
42 motor carrier that obtains a receipt for an increased number of for hire motor vehicles  
43 must put a copy of the new receipt in each of its for hire motor vehicles. The new  
44 receipt replaces rather than supplements the previous receipt. Transportation must verify

1 to the Division that each for-hire motor vehicle the motor carrier operates in this State is  
 2 insured in accordance with the requirements set by the United States Department of  
 3 Transportation. A motor carrier that operates a for-hire motor vehicle in interstate  
 4 commerce in this State and is exempt from regulation by the United States Department  
 5 of Transportation must verify to the Division that each for-hire motor vehicle the motor  
 6 carrier operates in this State is insured in accordance with the requirements set by the  
 7 North Carolina Utilities Commission.

8 (c) ~~Trip Permit. – Insurance Verification for Nonregulated Motor Carriers.—A~~  
 9 ~~for hire motor carrier that operates a for hire motor vehicle in interstate commerce in~~  
 10 ~~this State and is exempt from regulation by the United States Department of~~  
 11 ~~Transportation must verify to the Division that each for-hire motor vehicle the motor~~  
 12 ~~carrier operates in this State is insured. To do this, the motor carrier must obtain~~  
 13 ~~annually for each for hire motor vehicle a cab card approved by the Commissioner and~~  
 14 ~~a North Carolina identification stamp issued by the Division. To obtain an identification~~  
 15 ~~stamp, the motor carrier must apply annually to the Division during the application~~  
 16 ~~period for an identification stamp for each for hire motor vehicle the motor carrier~~  
 17 ~~intends to operate in this State during the next 12-month period beginning February 1.~~

18 The motor carrier must place the identification stamp on the cab card and keep the  
 19 cab card in the for hire motor vehicle for which it was issued. An identification stamp is  
 20 issued for a specific for hire motor vehicle and is not transferable from one for hire  
 21 motor vehicle to another.

22 A motor carrier may operate in this State a for hire motor vehicle for which it did  
 23 not obtain an identification stamp during the most recent annual application period only  
 24 if it obtains for that vehicle either a cab card and identification stamp or an emergency  
 25 permit. A motor carrier may obtain an additional identification stamp after the close of  
 26 the annual application period by filing an application for it with the Division. An  
 27 identification stamp issued after the close of the annual application period expires the  
 28 same date as one issued during the annual application period.

29 A motor carrier that is not registered as required by this section may obtain an  
 30 emergency trip permit by filing an application for it with the Division. An emergency  
 31 trip permit allows the motor carrier to operate a for-hire motor vehicle in this State for a  
 32 period not to exceed 10 days, ~~without a cab card and identification stamp between the~~  
 33 ~~time the motor carrier has applied for an identification stamp and the time the Division~~  
 34 ~~issues the identification stamp."~~

35 **SECTION 4.** G.S. 20-382.2(a)(2) is repealed.

36 **SECTION 5.** G.S. 20-385 reads as rewritten:

37 "**§ 20-385. Fee schedule.**

38 (a) Amounts.—The fees listed in this section apply to a motor carrier. These fees  
 39 are in addition to any fees required under the Unified Carrier Registration Agreement.
