LOSING RETIREMENT BENEFITS.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 135-3(8)c. reads as rewritten:

"c. **(Effective until June 30, 2007)** Should a beneficiary who retired on an early or service retirement allowance under this Chapter be reemployed, or otherwise engaged to perform services, by an employer participating in the Retirement System on a part-time, temporary, interim, or on a fee-for-service basis, whether contractual or otherwise, and if such beneficiary earns an amount during the 12-month period immediately following the effective date of retirement or in any calendar year which exceeds fifty percent (50%) of the reported compensation, excluding terminal payments, during the 12 months of service preceding the effective date of retirement, or twenty thousand dollars (\$20,000), whichever is greater, as hereinafter indexed, then the retirement allowance shall be suspended as of the first day of the month following the month in which the reemployment earnings exceed the amount above, for the balance of the calendar year. The retirement allowance of the beneficiary shall be reinstated as of January 1 of each year following suspension. The amount that may be earned before suspension shall be increased on January 1 of each year by the ratio of the Consumer Price Index to the Index one year earlier, calculated to the nearest tenth of a percent (1/10 of 1%).

The computation of postretirement earnings of a beneficiary under this sub-subdivision, G.S. 135-3(8)c., who has been

2 capacity with a public school for at least six months  
3 immediately preceding the effective date of reemployment,  
4 shall not include earnings while the beneficiary is employed to  
5 teach in a permanent full-time or part-time capacity that  
6 exceeds fifty percent (50%) of the applicable workweek in a

12 Beneficiaries employed under this sub-subdivision are not  
13 entitled to any benefits otherwise provided under this Chapter  
14 as a result of this period of employment.

15 The computation of postretirement earnings of a beneficiary  
16 under this sub-subdivision, G.S. 135-3(8)c., who has been
