35 **PART II. REVISE UNIVERSITY GENERAL OBLIGATION INDEBTEDNESS**

36 **SECTION 2.** Pursuant to Section 2(b) of S.L. 2000-3, the General Assembly

40 The unused funds from "Berryhill Laboratory Building – Comprehensive Renovation"

43 University of North Carolina at Chapel Hill by:

- (1) Reducing the portion to "Berryhill Laboratory Building – Comprehensive Renovation" by eight million six hundred thousand dollars (\$8,600,000) so that it reads two million one hundred thousand dollars (\$2,100,000); and

29 **"§ 116-274. General powers.**

30 (a) An authority created under this Article has all powers that a city or county has
31 under Articles 1 through 7 of Chapter 63 of the General Statutes and, in regard to
32 financing capital expenditures and operations, shall have such powers as are delegated
33 to or conferred upon the constituent institutions or the University of North Carolina
34 Health Care System. Notwithstanding other provisions of law, both regulations adopted
35 by an authority under this Article and development regulations adopted by a county or
36 municipality under Article 18 of Chapter 153A or Article 19 of Chapter 160A of the

40 ground or graveyard, then it shall be lawful for the airport authority
41 after 30 days' notice to the surviving spouse, or the next of kin of the
42 deceased buried therein, or the person in control of the graves, if any
43 are known, to remove the body interred therein and reinter the same in
44 some cemetery in the same county. If no surviving spouse or next of

1 kin or person in control can be found, then the airport authority can

4 be conducted under the supervision of the clerk of the superior court
5 for that county or his or her representative, and the expense of such

3 (c) The authority shall enjoy governmental immunity, however, the authority
4 may contract to insure itself and any of its officers, agents, or employees against
5 liability for wrongful death or negligence or intentional damage to persons or property
6 or against absolute liability for damage to persons or property caused by an act or
7 omission of the authority or of any of its officers, agents, or employees when acting
8 within the scope of their authority and the course of their employment. The members of
9 the authority shall determine what liabilities and what officers, agents, and employees
10 shall be covered by any insurance purchased pursuant to this provision.

11 Purchase of insurance pursuant to this provision waives the authority's governmental
12 immunity to the extent of insurance coverage for any act or omission occurring in the
13 exercise of a governmental function. By entering into an insurance contract with the
14 authority, an insurer waives any defense based upon the governmental immunity of the
15 authority.

16 If the authority has waived its governmental immunity pursuant to the foregoing
17 provisions of this section, any person, or if he dies, his personal representative,
18 sustaining damages as a result of an act or omission of the authority or any of its
19 officers, agents, or employees occurring in the exercise of a governmental function, may
20 sue the authority for recovery of damages. To the extent of the coverage of insurance
21 purchased pursuant to this section, governmental immunity may not be a defense to the
22 action. Otherwise, however, the authority has all defenses available to private litigants
23 in any action brought pursuant to these provisions without restriction, limitation, or
24 other effect whether the defense arises from common law or by virtue of a statute.

25 **"§ 116-275. Cessation of operation.**

26 In the event of cessation of the operation of an airport established under this Article,
27 or the abandonment of any of the property acquired hereunder for airport purposes, the
28 title to such real or personal property or rights under any existing lease shall vest in The
29 University of North Carolina, and upon the sale of any property after cessation of
30 operations, the proceeds therefrom shall first be distributed pro rata to the constituent
31 university member or to the University of North Carolina Health Care System to
32 reimburse their or their affiliated foundations' investments in the authority and thereafter
33 shall vest in the University."

34

43 Commission."

44 **SECTION 4.2.** G.S. 90-171.101(a) reads as rewritten:

13 loan, whichever is earlier. The scholarship loan may be terminated upon the recipient's
14 withdrawal from school or by the recipient's failure to meet the standards set by the
15 Commission."

16 **SECTION 4.4.** This section becomes effective January 1, 2009, and applies
17 to all scholarship loans issued on and after July 1, 2009.

18 **PART V. MODIFY TRAC RESPONSIBILITIES**

19 **SECTION 5.1.** G.S. 143-433.6 reads as rewritten:

20 **"§ 143-433.6. Legislative findings.**

21 (a) The General Assembly finds and determines that the Tax Reform Act of 1984
22 established a federal volume limitation upon the aggregate amount of "private activity
23 bonds" that may be issued by each state; that, pursuant to Section 103(n) of the Internal
24 Revenue Code of 1954, as amended, a previous Governor of North Carolina issued
25 Executive Order 113 proclaiming a formula for allocating the federal volume limitation
26 for North Carolina; that on October 22, 1986, the Tax Reform Act of 1986, hereinafter
27 referred to as the "Tax Reform Act", was enacted; that the Tax Reform Act (i)
28 establishes a new unified limitation for private activity bonds on a state by state basis,
29 (ii) establishes a new definition of the types of private activity bonds to be included
30 under those new limitations, (iii) establishes a new low-income housing credit to induce
31 the construction of and the improvement of housing for low-income people, and (iv)
32 limits the aggregate use of this low-income housing credit on a state by state basis; that
33 the Tax Reform Act provides for federal formulas for the allocation of these "state by
34 state" resources, and also provides for states which cannot use the federal formula for
35 allocation to set allocation procedures and formulas which are more appropriate for the
36 individual states; that the Tax Reform Act gives authority for the legislature of each
37 state to formulate and execute plans for allocation; and that Section 146 of the Internal
38 Revenue Code of 1986, as amended, and Section 42 of the Internal Revenue Code of
39 1986, as amended, will require continued inquiry and study in the ways in which North
40 Carolina can best and most fairly manage and utilize resources provided therein.

41 (b) The General Assembly further finds and determines that the Economic
42 Growth and Tax Relief Reconciliation Act of 2001 added new subsections (a)(13) and
43 (k) to section 142 of the Internal Revenue Code of 1986, as amended, which (i)
44

1 establish a new type of private activity bond that can be issued to finance "qualified
2 public educational facilities," (ii) establish an annual aggregate limitation on the face
3 amount of qualified public educational facility bonds that may be issued on a
4 state-by-state basis, (iii) provide that each state may allocate the annual aggregate
5 limitation for any calendar year in such manner as each state determines appropriate,
6 and (iv) provide for an elective carryforward by each state of the unused annual
7 aggregate limitation; and that subsections (a)(13) and (k) will require continued inquiry
8 and study in the ways in which North Carolina can best and most fairly manage and
9 utilize the resource provided therein."

10 **SECTION 5.2.** G.S. 143-433.8 reads as rewritten:

11 **"§ 143-433.8. Duties.**

- 17 (2) Continue to monitor bond markets, economic development financing
18 trends, school financing trends, housing markets, and tax incentives
19 available to induce events and programs favorable to North Carolina,
20 its cities and counties, and individual citizens.
- 21 (3) Continue to study the ways in which North Carolina can best and most
22 fairly manage and utilize the allocation of ~~private activity bonds and~~
23 ~~low income housing credits~~private activity bonds, low-income
24 housing credits, and qualified public educational facility bonds.
- 25 (4) Report to the Governor, Lieutenant Governor, ~~and~~ the Speaker of the
