A BILL TO BE ENTITLED

AN ACT TO ESTABLISH NORTH CAROLINA AS A MEMBER OF THE
AGREEMENT AMONG THE STATES TO ELECT THE PRESIDENT BY
NATIONAL POPULAR VOTE.

The General Assembly of North Carolina enacts:

SECTION 1. Article 18 of Chapter 163 of the General Statutes is amended
by adding new sections to read:

**"§ 163-209.1. Agreement Among the States to Elect the President by National
Popular Vote; Compact Enacted and Entered Into.**

The "Agreement Among the States to Elect the President by National Popular Vote"
is enacted into law and entered into on behalf of North Carolina with any and all other
states legally joining therein in a form substantially as follows:

Article I—Membership

Any State of the United States and the District of Columbia may become a member
of this agreement by enacting this agreement.

**Article II—Right of the People in Member States to Vote for President and Vice
President**

Each member state shall conduct a statewide popular election for President and Vice
President of the United States.

Article III—Manner of Appointing Presidential Electors in Member States

Prior to the time set by law for the meeting and voting by the presidential electors,
the chief election official of each member state shall determine the number of votes for
each presidential slate in each state of the United States and in the District of Columbia

1 in which votes have been cast in a statewide popular election and shall add such votes
2 together to produce a 'national popular vote total' for each presidential slate.

3 The chief election official of each member state shall designate the presidential slate
4 with the largest national popular vote total as the 'national popular vote winner.'

5 The presidential elector certifying official of each member state shall certify the
6 appointment in that official's own state of the elector slate nominated in that state in
7 association with the national popular vote winner.

8 At least six days before the day fixed by law for the meeting and voting by the
9 presidential electors, each member state shall make a final determination of the number
10 of popular votes cast in the state for each presidential slate and shall communicate an
11 official statement of such determination within 24 hours to the chief election official of
12 each other member state.

13 The chief election official of each member state shall treat as conclusive an official
14 statement containing the number of popular votes in a state for each presidential slate
15 made by the day established by federal law for making a state's final determination
16 conclusive as to the counting of electoral votes by Congress.

17 In event of a tie for the national popular vote winner, the presidential elector
18 certifying official of each member state shall certify the appointment of the elector slate
19 nominated in association with the presidential slate receiving the largest number of
20 popular votes within that official's own state.

21 If, for any reason, the number of presidential electors nominated in a member state
22 in association with the national popular vote winner is less than or greater than that
23 state's number of electoral votes, the presidential candidate on the presidential slate that
24 has been designated as the national popular vote winner shall have the power to
25 nominate the presidential electors for that state, and that state's presidential elector
26 certifying official shall certify the appointment of such nominees. The chief election
27 official of each member state shall immediately release to the public all vote counts or
28 statements of votes as they are determined or obtained.

29 This article shall govern the appointment of presidential electors in each member
30 state in any year in which this agreement is, on July 20, in effect in states cumulatively
31 possessing a majority of the electoral votes.

32 33 **Article IV—Other Provisions**

34 This agreement shall take effect when states cumulatively possessing a majority of
35 the electoral votes have enacted this agreement in substantially the same form, and the
36 enactments by such states have taken effect in each state.

37 Any member state may withdraw from this agreement, except that a withdrawal
38 occurring six months or less before the end of a President's term shall not become
39 effective until a President or Vice President shall have been qualified to serve the next
40 term.

41 The chief executive of each member state shall promptly notify the chief executive
42 of all other states of when this agreement has been enacted and has taken effect in that
43 official's state, when the state has withdrawn from this agreement, and when this
44 agreement takes effect generally.

1 This agreement shall terminate if the electoral college is abolished.

2 If any provision of this agreement is held invalid, the remaining provisions shall not
3 be affected.

40 issue a certificate of the results of the election.

41 (2) The reference to G.S. 163-209 contained in G.S. 163-1(c) shall instead
42 be read as G.S. 163-209.1.
