3 ESTATE AND GENERATION-SKIPPING TRANSFER TAX LAWS.

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** Article 7 of Chapter 31 of the General Statutes is amended by adding
6 a new section to read:

7 **"§ 31-46.1. Construction of certain formula clauses applicable to estates of decedents**
8 **dying in calendar year 2010.**

9 (a) Purpose. – The federal estate tax and generation-skipping transfer tax expired
10 January 1, 2010, for one year. To carry out the intent of decedents in the construction of wills
11 and trusts, and to promote judicial economy in the administration of trusts and estates, this
12 section construes certain formula clauses that reference federal estate and generation-skipping
13 transfer tax laws and that are used in wills of decedents who die in calendar year 2010.

14 (b) Applicability. – This section applies to a will of a decedent who dies after December
15 31, 2009, and before the earlier of January 1, 2011, and the effective date of the reinstatement
16 of the federal estate tax and generation-skipping transfer tax. This section does not apply to a
17 will that is executed or amended after December 31, 2009, or to a will that clearly manifests an
18 intent that a contrary rule applies when a decedent dies on a date on which there is no
19 then-applicable federal estate or generation-skipping transfer tax.

20 (c) Construction. – A will that is subject to this section is considered to refer to the
21 federal estate and generation-skipping transfer tax laws as they applied with respect to estates
22 of decedents dying on December 31, 2009, if the will contains a formula that meets one or
23 more of the following conditions:

- 24 (1) The formula refers to any of the following: 'applicable credit amount,'
25 'applicable exclusion amount,' 'applicable exemption amount,' 'applicable
26 fraction,' 'estate tax exemption,' 'generation-skipping transfer tax exemption,'
27 'GST exemption,' 'inclusion ratio,' 'marital deduction,' 'maximum marital
28 deduction,' 'unified credit,' or 'unlimited marital deduction.'
29 (2) The formula measures a share of an estate or trust based on the amount that
30 can pass free of federal estate taxes or the amount that can pass free of
31 federal generation-skipping transfer taxes.
32 (3) The formula is otherwise based on a provision of federal estate tax or federal
33 generation-skipping transfer tax law similar to the provisions in subdivision
34 (1) or (2) of this subsection.

1 (d) Judicial Determination. – The personal representative or an affected beneficiary
2 under a will or testamentary trust may bring an action in the superior court division of the
3 General Court of Justice under Article 26 of Chapter 1 of the General Statutes, and the trustee
4 of a trust created under the will or an affected beneficiary under the trust may bring a
5 proceeding as permitted under Article 2 of Chapter 36C of the General Statutes to determine
6 whether the decedent intended that the references under subsection (c) of this section be
7 construed with respect to the federal law as it existed after December 31, 2009. The action must
8 be commenced within 12 months following the death of the decedent."

9 **SECTION 2.** Article 1 of Chapter 36C of the General Statutes is amended by

12 **dying in calendar year 2010.**

13 (a) Purpose. – The federal estate tax and generation-skipping transfer tax expired
14 January 1, 2010, for one year. To carry out the intent of decedents in the construction of wills
15 and trusts, and to promote judicial economy in the administration of trusts and estates, this
16 section construes certain formula clauses that reference federal estate and generation-skipping
17 transfer tax laws and that are used in trusts created by settlors who die in calendar year 2010.

18 (b) Applicability. – This section applies to a trust created by a settlor who dies after

22 clearly manifests an intent that a contrary rule applies when a decedent dies on a date on which
23 there is no then-applicable federal estate or generation-skipping transfer tax.

24 (c) Construction. – A trust subject to this section is considered to refer to the federal
25 estate and generation-skipping transfer tax laws as they applied with respect to estates of
26 decedents dying on December 31, 2009, if the trust contains a formula that meets one or more
27 of the following conditions:

35 generation-skipping transfer taxes.

36 (3) The formula is otherwise based on a provision of federal estate tax or federal
37 generation-skipping transfer tax law similar to the provisions in subdivision
38 (1) or (2) of this subsection.

39 (d) Judicial Determination. – The trustee of the trust or an affected beneficiary under
40 the trust may commence a proceeding to determine whether the settlor intended that the
41 references under subsection (c) of this section be construed with respect to the federal law as it
42 existed after December 31, 2009. The proceeding must be commenced within 12 months
43 following the death of the settlor."
