15 to draft or proposed amendments submitted to the federal government for comments but not
16 submitted for approval. The amendment shall remain posted on the Department's Web site at
17 least until the plan has been approved, rejected, or withdrawn. If the authority for submitting
18 the amendment to the State Plan is pursuant to subdivision (3), (4), (5), or (6) of subsection (b)
19 of this section, then, prior to submitting an amendment to the federal government, the
20 Department shall submit to the General Assembly members receiving notice under this
21 subsection and to the Fiscal Research Division an explanation of the amendment, the need for
22 the amendment, and the federal time limits required for implementation of the amendment.

23 (e) The Department shall submit an amendment to the State Plan to the federal
24 government by a date sufficient to provide the federal government adequate time to review and
25 approve the amendment so the amendment may be effective by the date required by the
26 directing authority in subsection (b) of this section. Additionally, if a change is made to the

27 ~~and Human Services on any change in a reimbursement amount at the same time as it sends out~~
28 ~~public notice of this change prior to presentation to the Health Care Financing Administration."~~

29 **SECTION 2.(b)** By repealing language in subsection (a) of this section related to
30 giving to the General Assembly notice of a public notice, it is not the intent of the General
31 Assembly to remove the required notice of the changes to reimbursement amounts for services,
32 equipment, or supplies. Rather, it is the intent that those notices be given pursuant to
33 G.S. 108A-54.1A(f), rather than pursuant to both G.S. 108A-54.1A(f) and G.S. 108A-55(c).

34 **SECTION 3.** This act becomes effective July 1, 2014, and the amendment to
