If the State repeals any State funding mechanism for a reduction in the local telephone rates for low-income residential consumers, the Commission shall take appropriate action to eliminate any requirement for the reduced rate funded by the repealed State funding mechanism. For the purposes of this section, a State funding mechanism for a reduction in the local telephone rates includes a tax credit allowed for the public utility to recover the reduction in rates.

Nothing in this section prohibits the Commission from establishing different rates for natural gas service to counties that are substantially unserved, to the extent that those rates reflect the cost of providing service to the unserved counties and upon a finding by the Commission that natural gas service would not otherwise become available to the counties."

SECTION 11.2. Effective July 1, 2014, G.S. 105-164.44K(b), as enacted by Section 4.3(a) of S.L. 2013-316, reads as rewritten:

"(b) Franchise Tax Share. – The quarterly franchise tax share of a city is the total amount of electricity gross receipts franchise tax distributed to the city under repealed G.S. 105-116.1 or repealed provisions of G.S. 159B-27 for the same related quarter that was the last quarter in which taxes were imposed on electric power companies under repealed ~~G.S. 105-116~~.G.S. 105-116 or repealed provisions of G.S. 159B-27. The quarterly franchise tax share of a city includes adjustments made for the hold-harmless amounts under repealed G.S. 105-116. If the franchise tax share of a city, including the hold-harmless adjustments, is less than zero, then the amount is zero. The determination made by the Department with respect to a city's franchise tax share is final and is not subject to administrative or judicial review.

The franchise tax share of a city that has dissolved, merged with another city, or divided into two or more cities since it received a distribution under repealed G.S. 105-116.1 or repealed provisions of G.S. 159B-27 is adjusted as follows:

- (1) If a city dissolves and is no longer incorporated, the franchise tax share of the city is added to the amount distributed under subsection (c) of this section.
- (2) If two or more cities merge or otherwise consolidate, their franchise tax shares are combined.
- (3) If a city divides into two or more cities, the franchise tax share of the city that divides is allocated among the new cities in proportion to the total amount of ad valorem taxes levied by each on property having a tax situs in the city."

SECTION 11.3.(a) G.S. 105-129.16D(b) reads as rewritten:

"§ 105-129.16D. Credit for constructing renewable fuel facilities.

(b) Production Credit. – A taxpayer that constructs and places in service in this State a commercial facility for processing renewable fuel is allowed a credit equal to twenty-five percent (25%) of the cost to the taxpayer of constructing and equipping the facility. The entire credit may not be taken for the taxable year in which the facility is placed in service but must be taken in seven equal annual installments beginning with the taxable year in which the facility is placed in service. If, in one of the years in which the installment of a credit accrues, the facility with respect to which the credit was claimed is disposed of or taken out of service, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17.

Notwithstanding subsection (d) of this section, this section is repealed effective for facilities placed in service on or after January 1, 2017, in the case of a taxpayer that meets both of the following conditions:

- (1) Signs a letter of commitment with the Department of Commerce on or before September 1, 2013, stating the taxpayer's intent to construct and place into service in this State a commercial facility for processing renewable fuel.
- (2) Begins construction of the facility on or before December 31, 2013."

SECTION 11.3.(b) This section is effective when it becomes law.
