1 A BILL TO BE ENTITLED
2 AN ACT TO PROVIDE FOR A DROPOUT PREVENTION AND RECOVERY PILOT
3 PROGRAM WITH CHARTER SCHOOLS.

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** S.L. 2011-259 is repealed.

6 **SECTION 2.** The State Board of Education shall establish a Dropout Prevention
7 and Recovery Pilot Program in Mecklenburg County. The State Board of Education shall select
8 three charter schools that have been approved by the State Board under G.S.115C-238.29D to
9 provide the educational services and programming for the Dropout Prevention and Recovery
10 Pilot Program. The purpose of the pilot program is to reengage students and increase the
11 graduation rates in North Carolina through an educational program that provides flexible
12 scheduling and a blended learning environment with individualized and self-paced learning
13 options.

14 **SECTION 3.** To be eligible to participate in the pilot program, a charter school or
15 its affiliated charter management organization or education management organization must be
16 accredited by the Southern Association of Colleges and Schools as an indicator of quality
17 instructional programming. All teachers employed by a charter school participating in the pilot
18 program shall be licensed teachers under G.S. 115C-296.

19 **SECTION 4.** The pilot program shall provide at least the following:

- 20 (1) Facilities that are easily accessible to the students being served.
21 (2) Flexible scheduling, including at least two different sessions per day that are
22 designed to accommodate students' extracurricular commitments.
23 (3) Differentiated instruction that shall include individualized, group, and online
24 instructional components.
25 (4) The capacity for assessing, recording, and responding to the students'
26 academic progress on a daily basis using assessments that are aligned with
27 State and local standards and requirements.
28 (5) A focus on serving a defined population of at-risk students who have
29 dropped out or are likely to drop out of school in the foreseeable future
30 without some type of intervention.
31 (6) Support services, including social workers and crisis intervention
32 professionals who are trained to assist students in removing barriers to
33 attending school and graduating.
34 (7) Instructional models that are self-paced and mastery-based.
35 (8) Individualized graduation plans to guide students to graduation with a
36 standard high school diploma.

1 **SECTION 5.** In selecting the charter schools that are to participate in the Dropout
2 Prevention and Recovery Pilot Program, the State Board of Education shall consider whether
3 an applying charter school or its affiliated charter management organization or education
4 management organization demonstrates all of the following criteria:

- 5 (1) A history of providing dropout recovery services to high school students in
6 charter or noncharter public schools.
- 7 (2) At least two years of relevant experience operating and providing services to
8 brick-and-mortar public schools.
- 9 (3) At least two years of relevant experience providing comprehensive online
10 learning programs.
- 11 (4) Relevant experience serving diverse student populations, including
12 socioeconomically disadvantaged students.
- 13 (5) An explanation of the steps taken by the applicant to ensure that its proposed
14 instructional content is aligned with State standards.
- 15 (6) A plan for the recruitment and hiring of State-certified teachers, including
16 hiring criteria.
- 17 (7) A plan for the recruitment and hiring of qualified administrators, including
18 hiring criteria.
- 19 (8) A detailed plan to work with the Charlotte-Mecklenburg School System,
20 other public schools and local school administrative units from which
21 students may have been previously enrolled, and the State Board of
22 Education to identify students who need to be served, to reengage those
23 students, and to provide alternative education options for students at risk of
24 dropping out. Students at risk of dropping out from their current schools may
25 be transferred into the pilot program.
- 26 (9) An operational plan that includes the following:
 - 27 a. The number and physical location of proposed sites and a list of the
28 equipment required.
 - 29 b. A proposed program calendar and daily schedule and an explanation
30 of how the calendar and schedule meet the needs of prospective
31 students. The schedule must include at least four hours per school
32 day of on-site learning at a physical location.
 - 33 c. The student-to-teacher ratio.
 - 34 d. A description of each of the instructional methods to be used and
35 number of hours per day for each method.
 - 36 e. A plan for differentiated instruction that must include individualized,
37 group, and online instructional components. Online instructional
38 components shall adhere to the approval provision under Section
39 7.22(h)(2) of S.L. 2011-145.
 - 40 f. Capacity for assessing, recording, and responding to students'
41 academic progress on a daily basis using standards-aligned
42 assessments.
 - 43 g. A detailed one-year budget.
 - 44 h. A system that awards credit based on mastery of course content and
45 standards. Course content and standards shall be consistent with the
46 North Carolina standard course of study as provided under
47 G.S. 115C-81.
 - 48 i. A plan for aggregation and reporting of student performance data and
49 reporting of financial activity that is in compliance with the North
50 Carolina Department of Public Instruction's requirements for all
51 charter schools.

1 **SECTION 6.** Data to inform student performance evaluation shall be gathered by
2 the participating charter schools according to State Board of Education policies on the annual
3 performance standards under the Ready Accountability Model. This data shall be reported to
4 the State Board of Education and used by the State Board to (i) report on the success of the
5 pilot program to the Joint Legislative Education Oversight Committee and (ii) make
6 continuation funding decisions about the pilot program.

7 **SECTION 7.** The participating charter schools shall receive funding as provided
8 under G.S. 115C-238.29H. During the initial two years of operation of the participating charter
9 schools, notwithstanding G.S. 115C-238.29D(d) and G.S. 115C-238.29H:

- 10 (1) An increase in enrollment is not a material revision to a participating charter
11 school's charter application.
- 12 (2) Participating charter schools shall be funded on the basis of projected
13 average daily membership anticipated for the final month of the upcoming
14 school year. Allotments for participating charter schools shall be adjusted on
15 the basis of the first month average daily membership. Reductions to
16 allotments for participating charter schools shall be transferred to the ADM
17 Contingency Reserve.
- 18 (3) If the December average daily membership exceeds the first month average
19 daily membership by more than thirty percent (30%), the State Board shall
20 provide participating charter schools additional funding from the ADM
21 Contingency Reserve on the basis of the December average daily
22 membership.

23 **SECTION 8.** Notwithstanding any other provision of law, the State Board of
24 Education shall authorize participating charter schools to implement flexible attendance
25 requirements for students participating in the pilot program due to the flexible scheduling and
26 online portions of the pilot program.

27 **SECTION 9.** The State Board of Education shall report to the Joint Legislative
28 Education Oversight Committee using data as described in Section 6 of this act on the
29 implementation and success of the pilot program on or before October 15, 2015.

30 **SECTION 10.** This act is effective when it becomes law and applies to the
31 2014-2015 school year.
