5	SECTION 1. G.S. 115C-84.2(d) reads as rewritten:
6	"(d) Opening and Closing Dates. – Local boards of education shall determine the dates
7	of opening and closing the public schools under subdivision (a)(1) of this section. Except for
8	year-round schools, the opening date for students shall be no earlier than the Monday closest to

18	during any four of the last 10 years because of severe weather conditions, energy shortages,
19	power failures, or other emergency situations.
20	The required opening and closing dates under this subsection shall not apply to any school
21	that a local board designated as having a modified calendar for the 2003-2004 school year or to
22	any school that was part of a planned program in the 2003-2004 school year for a system of
23	modified calendar schools, so long as the school operates under a modified calendar."

28	school year for year-long courses and within the final five instructional days
29	of the semester for semester courses. Exceptions shall be permitted to
30	accommodate a student's individualized education program and section 504
31	(29 U.S.C. § 794) plans and for the administration of final exams for courses
32	with national or international curricula required to be held at designated
33	times. A local board of education that has implemented a school calendar
34 25	that concludes the fall semester prior to December 31 shall be permitted to
