

§ 130A-45.10. Confidentiality of credentialing information.

Information acquired by a public health authority or by persons acting for or on behalf of a public health authority in connection with the credentialing and peer review of persons having or applying for privileges to practice in a public health facility is confidential and is not a public record under Chapter 132 of the General Statutes; provided that information otherwise available to the public shall not become confidential merely because it was acquired by the authority or by persons acting for or on behalf of the authority.
