

§ 15A-1369.1. Authority to release.

The Commission shall establish a medical release program to be administered by the Division. The Commission shall prescribe when and under what conditions an inmate may be released for medical release, consistent with the provisions of G.S. 15A-1369.4. The Commission may adopt rules to implement the medical release program. (2008-2, s. 1; 2011-145, s. 19.1(h).)
