6 The General Assembly of North Carolina enacts:

7 Section 1. Chapter 986 of the 1991 Session Laws (1992 Regular Session)  
8 reads as rewritten:

9 "Section 1. The State Board of Education may authorize a ~~two-year~~ three-year pilot  
10 project in the Mecklenburg County School Administrative Unit so that the Charlotte-  
11 Mecklenburg Board of Education may reduce class size in grades kindergarten through  
12 3 in certain schools by using State funds appropriated for teacher assistants for  
13 certificated teachers.

14 The Charlotte-Mecklenburg Board of Education shall use this authority only if the  
15 parents and the certificated employees in a school vote to approve of the board's plan for  
16 using the authority at their school:

- 17 (a) If the board develops a plan for the kindergarten level at a school, the  
18 certificated kindergarten staff and the parents of kindergarten children  
19 enrolled in the school shall vote by secret ballot on the plan. The board  
20 shall implement the plan only if a majority of those voting in each  
21 group approve the plan.

1           (b) If the board develops a plan for grades 1 through 3 at a school, the  
2           certificated staff at the school for those grades and the parents of  
3           children enrolled in those grades in the school shall vote by secret  
4           ballot on the plan. The board shall implement the plan only if a  
5           majority of those voting in each group approve the plan.

6           The Charlotte-Mecklenburg Board of Education shall not abolish any State-funded  
7           teacher assistant position that is filled on June 1, 1992, to implement this pilot project,  
8           and no more than 75 State-funded teacher assistant positions shall be abolished to  
9           implement this pilot project.

10          The pilot project may be implemented in no more than 18 World Class Pilot  
11          Schools, which shall be designated by the Charlotte-Mecklenburg Board of Education.

12           Sec. 1.1. A school may be designated a World Class Pilot School by the  
13          Charlotte-Mecklenburg Board of Education if the goals for the school include (i)  
14          offering core areas of instruction in mathematics, science, history, geography, and  
15          English, as well as instruction in foreign languages, the arts, career development,  
16          physical education, and health; (ii) setting high standards for achievement for each  
17          student; (iii) implementation of instructional methods which recognize that students  
18          learn at different rates using varying learning styles; (iv) involving the entire school  
19          community in educating children; and (v) encouraging experimentation and innovation  
20          to maximize learning for each student.

21           Sec. 2. The State Board shall conduct an independent evaluation to study the  
22          impact of this pilot project on student performance and shall report the results of its  
23          study to the Joint Legislative Education Oversight Committee by January 1, 1995.

24           Sec. 3. This act becomes effective July 1, 1992, and expires July 1, ~~1994.~~  
25          1995."

26           Sec. 2. This act is effective upon ratification.
