A BILL TO BE ENTITLED

AN ACT TO BROADEN THE LAW PROVIDING FOR THE ESTABLISHMENT OF  
CARTWAYS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 136-68 reads as rewritten:

**"§ 136-68. Special proceeding for establishment, alteration or discontinuance of  
cartways, etc.; petition; appeal.**

The establishment, alteration, or discontinuance of any cartway, church road, mill road, or like easement, for the benefit of any person, firm, association, or corporation, over the lands of another, shall be determined by a special proceeding instituted before the clerk of the superior court in the county where the property affected is situated. Such special proceeding shall be commenced by a petition filed with said clerk and the service of a copy thereof on the person or persons whose property will be affected thereby. From any final order or judgment in said special proceeding, any interested party may appeal to the superior court for a jury trial de novo on all issues including the right to relief, the location of a cartway, tramway or railway, and the assessment of damages. ~~and the~~ The

1 procedure established under Chapter 40, ~~40A~~, entitled 'Eminent Domain,' shall be  
2 followed in the conduct of such special proceeding insofar as the same is applicable and  
3 in harmony with the provisions of this section."

4 Sec. 2. G.S. 136-69 reads as rewritten:

5 **"§ 136-69. Cartways, tramways, etc., laid out; procedure.**

6 ~~If~~In order to ensure that all landowners who do not have a deeded or documented  
7 easement or right-of-way to a public road shall have a legal means of obtaining access to  
8 that road, if any person, firm, association, or corporation shall be engaged in the  
9 cultivation of any land or the cutting and removing of any standing timber, or the  
10 working of any quarries, mines, or minerals, or the operating of any industrial or  
11 manufacturing plants, or public or private cemetery, or the use of land as a single-family  
12 homestead, or taking action preparatory to the operation of any such enterprises, to which  
13 there is leading no public road, reasonable deeded or documented easement or right-  
14 of-way to a public road, or other adequate means of transportation, other than a navigable  
15 waterway, affording necessary and proper means of ingress thereto and egress therefrom,  
16 such person, firm, association, or corporation may institute a special proceeding as set out  
17 in the preceding section (G.S. 136-68), and if it shall G.S. 136-68. Should it be made to  
18 appear to the court necessary, reasonable and just that such person shall have a private  
19 way to a public road or watercourse or railroad over the lands of other persons, the court  
20 shall appoint a jury of view of three disinterested freeholders to view the premises and  
21 lay off a cartway, tramway, or railway of not less more than 18 feet in width, of travel  
22 surface or such other minimum width requested in the petition and found necessary and  
23 proper by the court, and not more than 30 feet in width for cuts, fills, and ditches or  
24 cableways, chutes, and flumes, and flumes. If a cartway is granted for the use of one or  
25 more single-family homesteads, each single-family homestead must consist of at least  
26 seven acres of land. Where there exists a private railroad crossing, that private railroad  
27 crossing may be used as part of a cartway established under this Article provided the  
28 person, firm, association or corporation seeking the cartway agrees to share  
29 proportionately with other landowners authorized to use the crossing the cost of  
30 maintaining the private crossing and to protect and hold harmless the railroad against all  
31 liability associated with the crossing, provided the railroad is being operated in a lawful  
32 manner at or in the vicinity of the crossing. Except as herein provided for the  
33 establishment of a cartway over an existing private railroad crossing, no real estate, right-  
34 of-way, easement, leasehold, or other interest in land which has been condemned by a  
35 railroad, or has been obtained for a railroad's use as a right-of-way, depot, or station  
36 house shall be used for the establishment of a cartway or other use under this Article  
37 except by agreement with the railroad. Should a petitioner seeking a cartway request a  
38 new railroad crossing, the railroad shall negotiate in good faith the location of the new  
39 crossing at the requested location or some other mutually agreeable location. The jury of  
40 view shall assess the damages the owner or owners of the land crossed may sustain  
41 thereby, and make report of their findings in writing to the clerk of the superior court.  
42 Exceptions to said report may be filed by any interested party and such exceptions shall  
43 be heard and determined by the clerk of the superior court. The clerk of the superior

1 court may affirm or modify said report, or set the same aside and order a new jury of  
2 view. All damages assessed by a judgment of the clerk, together with the cost of the  
3 proceeding, shall be paid into the clerk's office before the petitioners shall acquire any  
4 rights under said proceeding.

5 Where a tract of land lies partly in one county and partly in an adjoining county, or  
6 where a tract of land lies wholly within one county and the public road nearest or from  
7 which the most practical roadway to said land would run, lies in an adjoining county and  
8 the practical way for a cartway to said land would lead over lands in an adjoining county,  
9 then and in that event the proceeding for the laying out and establishing of a cartway may  
10 be commenced in either the county in which the land is located or the adjoining county  
11 through which said cartway would extend to the public road, and upon the filing of such  
12 petition in either county the clerk of the court shall have jurisdiction to proceed for the  
13 appointment of a jury from the county in which the petition is filed and proceed for the  
14 laying out and establishing of a cartway as if the tract of land to be reached by the  
15 cartway and the entire length of the cartway are all located within the bounds of said  
16 county in which the petition may be filed. A permissive use of a right-of-way or  
17 easement across the land of another shall not be a bar to the establishment of a cartway  
18 under this Article. In determining the path of a cartway, tramway or railway the jury of  
19 view shall give priority to the location of previously used easements or cartways."

20 Sec. 3. G.S. 136-70 reads as rewritten:

21 "**§ 136-70. Alteration or abandonment of cartways, etc., in same manner.**

22 Cartways or other ways established under this Article or heretofore established, may  
23 be altered, changed, or abandoned in like manner as herein provided for their  
24 establishment upon petition instituted by any interested party: ~~Provided, that all cartways,~~  
25 ~~tramways, or railways established for the removal of timber shall automatically terminate at the~~  
26 ~~end of a period of five years, unless a greater time is set forth in the petition and the judgment~~  
27 ~~establishing the same.~~ party. A cartway established under this Article shall not terminate  
28 until the time specified in the petition and as found necessary and proper by the court."

29 Sec. 3a. Compensation to the landowner for the establishment of a cartway  
30 over the property of another shall be as provided in Chapter 40A Article 4 of the North  
31 Carolina General Statutes.

32 Sec. 4. This act is effective upon ratification but sections 2 and 3 shall expire  
33 on July 1, 1997. This act applies to actions to establish cartways filed on or after the  
34 effective date, but before July 1, 1997.
