DEPARTMENT OF AGRICULTURE. AGRICULTURE AND CONSUMER SERVICES."

Section 16. G.S. 106-2 reads as rewritten:

"§ 106-2. Department of Agriculture <u>and Consumer Services</u> established; Board of Agriculture, membership, terms of office, etc.

The Department of Agriculture and Consumer Services is created and established and shall be under the control of the Commissioner of Agriculture, with the consent and advice of a board to be styled "The Board of Agriculture." The Board of Agriculture shall consist of the Commissioner of Agriculture, who shall be ex officio a member and chairman thereof and shall preside at all meetings, and of 10 other members from the State at large, so distributed as to reasonably represent the different sections and agriculture of the State. In the appointment of the members of the Board the Governor shall also take into consideration the different agricultural interests of the State, and shall appoint one member who shall be a practical tobacco farmer to represent the tobacco farming interest, one who shall be a practical cotton grower to represent the cotton interest, one who shall be a practical truck farmer or general farmer to represent the truck and general farming interest, one who shall be a practical dairy farmer to represent the dairy and livestock interest of the State, one who shall be a practical poultryman to represent the poultry interest of the State, one who shall be a practical peanut grower to represent the peanut interests, one who shall be experienced in marketing to represent the marketing of products of the State. The members of such Board shall be appointed by the Governor by and with the consent of the Senate, when the terms of the incumbents respectively expire. The term of office of such members shall be six years and until their successors are duly appointed and qualified. The terms of office of the five members constituting the present Board of Agriculture shall continue for the time for which they were appointed. In making appointments for the enlarged Board of Agriculture, the Governor shall make the appointments so that the term of three members will be for two years, three for four and four for six years. Thereafter the appointments shall be made for six years. Vacancies in such Board shall be filled by the Governor for the unexpired term.

The Commissioner of Agriculture and the members of the Board of Agriculture shall be practical farmers engaged in their profession."

Section 17. G.S. 106-17 reads as rewritten:

"§ 106-17. Acquisition of research farm.

1 2

The Department of Agriculture <u>and Consumer Services</u> is hereby authorized and empowered to acquire by purchase, gift, donation, or lease, a tract or boundary of land of not less than 100 acres in the sandhill section of North Carolina, and in northeastern North Carolina composed of the Counties of Camden, Chowan, Currituck, Gates, Pasquotank and Perquimans, to be developed and used as a 'research farm' for the purposes of work in investigation in agriculture.

Such 'research farm' when acquired and established shall be operated, managed and controlled as other 'research farms' in the State."

Section 18. G.S. 106-18 reads as rewritten:

"§ 106-18. Peanut research farm.

The Department of Agriculture <u>and Consumer Services</u> is hereby authorized and directed to purchase, establish and operate a research farm in some suitable place in the peanut section of eastern North Carolina for the purpose of studying the growing of peanuts, looking toward the improvement of seed, fertilizer, the control of disease, through experiments, and such other matters pertaining to the growth and improvement of the quality of peanuts. The said research farm to be purchased and established in time for operation not later than January 1, 1938. In doing this work the Department of Agriculture is authorized to make such reasonable expenditures for establishing and operating such peanut research farm as may be necessary for its proper conduct and in the same way as is now being done for the other research farms in the State. The research farm shall be established, operated and controlled by the Department of Agriculture as the other research farms for the study of other farm crops."

Section 19. G.S. 106-19 reads as rewritten:

"§ 106-19. State Chemist; duties of office.

The Department of Agriculture <u>and Consumer Services</u> shall employ an analyst or State Chemist skilled in agricultural chemistry, and such assistants as may be necessary. It shall be the duty of the State Chemist to analyze such fertilizers and products as may be required by this Department, and to aid as far as practicable in suppressing fraud in the sale of commercial fertilizers. He shall also, under the direction of the Department, analyze for citizens of the State such samples of ores, minerals, mineral and potable waters, soils, marls and phosphates as may be deemed by the Department of benefit to the development of the material interest of the State, when such samples are supplied under rules by the Department, and he shall carry on such other investigations as the Department may direct. He shall make regular reports to the Department of all analyses, assays, and experiments made, which shall be furnished when deemed needful to such newspapers as will publish the same." Section 20. G.S. 106-21 reads as rewritten:

"§ 106-21. Timber conditions to be investigated and reported.

The Department of Agriculture <u>and Consumer Services</u> shall investigate and report upon the conditions of the timber in North Carolina, and recommend such legislation as will promote the growth thereof and preserve the same."

Section 21. G.S. 106-21.1 reads as rewritten:

"§ 106-21.1. Feed Advisory Service; fee.

1 2

The Department of Agriculture <u>and Consumer Services</u> shall operate a Feed Advisory Service for the analysis of animal feeds in order to provide a feeding management service to all animal producers in North Carolina. A fee of ten dollars (\$10.00) shall accompany each feed sample sent to the Department for testing. A fee of seventy-five dollars (\$75.00) shall accompany each feed sample which is to be tested for the presence of fumonisin."

Section 22. G.S. 106-21.2 reads as rewritten:

"§ 106-21.2. Food Bank information and referral service.

The Department of Agriculture <u>and Consumer Services</u> may maintain an information and referral service for persons and organizations that have notified the department of their desire to donate food to a nonprofit organization or a nonprofit corporation."

Section 23. G.S. 106-22.1 reads as rewritten:

"§ 106-22.1. State farms. State-owned farmland, including timberland, allocated to the Department of Agriculture and Consumer Services for the State Farm Program, shall be managed by the Department for research, teaching, and demonstration in agriculture, forestry, and aquaculture. Research projects on the State farms shall be approved by the Department. The Department may sell surplus commodities produced on the farms."

Section 24. G.S. 106-22.2 reads as rewritten:

"§ 106-22.2. Museum of Natural Sciences; Maritime Museum; disposition of objects.

Notwithstanding Article 3A of Chapter 143 of the General Statutes, G.S. 143-49(4), or any other law pertaining to surplus State property, the Department of Agriculture and Consumer Services may sell or exchange any object from the collections of the Museum of Natural Sciences and the Maritime Museum when it would be in the best interests of the Museums to do so. Sales or exchanges shall be conducted in accordance with generally accepted practices for accredited museums. If an object is sold, the net proceeds of the sale shall be deposited in the State treasury to the credit of a special fund to be used for the improvement of the Museums' collections or exhibits."

Section 25. G.S. 106-24 reads as rewritten:

"§ 106-24. Collection and publication of information relating to agriculture; cooperation.

The Department of Agriculture <u>and Consumer Services</u> shall collect, compile, systematize, tabulate, and publish statistical information relating to agriculture. The Department is authorized to use sample surveys to collect primary data relating to agriculture. The Department is authorized to cooperate with the United States Department of Agriculture and the several boards of county commissioners of the State, to accomplish the purpose of this Part."

All information published by the Department of Agriculture <u>and Consumer Services</u> pursuant to this Part shall be classified so as to prevent the identification of information received from individual farm operators. All information received pursuant to this Part from individual farm operators shall be held confidential by the Department and its employees. Information collected by the Department from individual farm operators for the purposes of its animal health programs may be disclosed by the State Veterinarian when, in his judgment, the disclosure will assist in the implementation of these programs."

Section 27. G.S. 106-65.23 reads as rewritten:

"§ 106-65.23. Structural Pest Control Division of Department of Agriculture <u>and Consumer Services</u> recreated; Director; Structural Pest Control Committee created; appointment; terms; quorum.

There is hereby recreated, within the North Carolina Department of Agriculture, Agriculture and Consumer Services, a Division thereof, to be known as the Structural Pest Control Division of said Department. The Commissioner of Agriculture is hereby authorized to appoint a Director of said Division whose duties and authority shall be determined by the Commissioner. Said Director shall act as secretary to the Structural Pest Control Committee herein created.

There is hereby created a Structural Pest Control Committee to be composed of the following members. The Commissioner shall appoint one member of the Committee who is not in the structural pest control business for a four-year term. The Commissioner of Agriculture shall designate an employee of the Department of Agriculture and Consumer Services to serve on said Committee at the pleasure of the Commissioner. The dean of the School of Agriculture of North Carolina State University at Raleigh shall appoint one member of the Committee who shall serve for one term of two years and who shall be a member of the entomology faculty of said University. The vacancy occurring on the Committee by the expired term of the member from the entomology faculty of said University shall be filled by the dean of the School of Agriculture of North Carolina State University at Raleigh who shall designate any person of his choice from the entomology faculty of said University to serve on said Committee at the pleasure of the dean. The Secretary of Environment, Health, and Natural Resources shall appoint one member of the Committee who shall be an epidemiologist in the Division of Health Services and who shall serve at the pleasure of the Secretary. The Governor shall appoint two members of said Committee who are actively engaged in the pest control industry, who are licensed in at least two phases of structural pest control as provided under G.S. 106-65.25(a), and who are residents of the State of North Carolina but not affiliates of the same company. The initial Committee members from the pest control industry shall be appointed as follows: one for a two-year term and one for a three-year term. Governor shall appoint one member of the Committee who is a public member and who is unaffiliated with the structural pest control industry, the pesticide industry, the Department of Agriculture, Agriculture and Consumer Services, the Department of

- Environment, Health, and Natural Resources and the School of Agriculture at North 1
- Carolina State University at Raleigh. The initial public member shall be appointed for a 2
- 3 term of two years, commencing July 1, 1991. After the initial appointments by the
- 4 Governor, all ensuing appointments by the Governor shall be for terms of four years.
- 5 Any vacancy occurring on the Committee by reason of death, resignation, or otherwise 6
 - shall be filled by the Governor or the Commissioner of Agriculture, as the case may be,
- 7 for the unexpired term of the member whose seat is vacant. A member of the Committee 8 appointed by the Governor shall not succeed himself.

The Committee shall make final decisions under this Article concerning licenses, certified applicator cards, and identification cards. The Committee shall report annually to the Board of Agriculture the action taken in the Committee's final decisions and the financial status of the Structural Pest Control Division.

The Director shall be responsible for and answerable to the Commissioner of Agriculture as to the operation and conduct of the Structural Pest Control Division.

Each member of the Committee who is not an employee of the State shall receive as compensation for services per diem and necessary travel expenses and registration fees in accordance with the provisions as outlined for members of occupational licensing boards and currently provided for in G.S. 93B-5. Such per diem and necessary travel expenses and registration fees shall apply to the same effect that G.S. 93B-5 might hereafter be amended.

Four members of the Committee shall constitute a quorum but no action at any meeting of the Committee shall be taken without four votes in accord. The chairman shall be entitled to vote at all times.

The Committee shall meet at such times and such places in North Carolina as the chairman shall direct; provided, however, that four members of the Committee may call a special meeting of the Committee on five days' notice to the other members thereof.

Except as otherwise provided herein, all members of the Committee shall be appointed or designated, as the case may be, prior to and shall commence their respective terms on July 1, 1967.

At the first meeting of the Committee they shall elect a chairman who shall serve as such at the pleasure of the Committee."

the Department such examinations of plants and products named herein as are necessary to insure the compliance with the provisions of this Article. For the purpose of inspection, the authorized experts of the Department shall have authority, during business hours, to enter all plants or storage rooms where cream, ice cream, butter, or cheese or ingredients used in the same are made, stored, or kept, and any person who shall hinder, prevent, or attempt to prevent any duly authorized expert of the Department in the performance of his duty in connection with this Article shall be guilty of a violation of this Article."

Section 45. G.S. 106-266.6(5) reads as rewritten:

"(5) 'Health authorities' includes the Department of Environment, Health, and Natural Resources, the <u>State-North Carolina Department of Agriculture, Agriculture and Consumer Services, the Commissioner of Agriculture, and the local health authorities."</u>

Section 46. G.S. 106-268 reads as rewritten:

"§ 106-268. Definitions; enforcement of Article.

The definitions set forth in this section shall apply to milk, dairy products, ice cream, frozen desserts, frozen confections or any other products which purport to be milk, dairy products or frozen desserts for which a definition and standard of identity has been established and when any of such products heretofore enumerated shall be sold, offered for sale or held with intent to sell by a milk producer, manufacturer or distributor, and insofar as practicable and applicable, the definitions contained in Article 12 of Chapter 106 of the General Statutes, as amended, shall be effective as to the products enumerated in this Article and section.

The term 'adulteration' means:

- (1) Failure to meet definitions and standards as established by the Board of Agriculture.
- (2) If any valuable constituent has been in whole or in part omitted or abstracted therefrom.
- (3) If any substance has been substituted wholly or in part thereof.
- (4) If it is adjudged to be unfit for human consumption.

The term 'misbranded' means:

- (1) If its labeling is false or misleading in any particular.
- (2) If it is offered for sale under the name of another dairy product or frozen dessert.
- (3) If it is sold in package form unless it bears a prominent label containing the name of the defined product, name and address of the producer, processor or distributor and carries an accurate statement of the quantity of contents in terms of weight or measure.

The Department of Agriculture, Agriculture and Consumer Services, through its agents or inspectors, shall have free access during business hours to all places of business, buildings, vehicles, cars, storage places, containers and vessels used in the production, testing, processing and distribution of milk, cream, butter, cheese, ice cream, frozen dessert or any dairy product for which standards of purity and of identity have been established, as well as any substance which purports to be milk, dairy products, frozen

dessert or confection for which a definition and standard of purity has been established; the Department of Agriculture, acting through its duly authorized agents and inspectors, may open any box, carton, parcel, package or container holding or containing, or supposed to hold or contain any of the above-enumerated dairy products, as well as related products, and may take therefrom samples for analysis, test or inspection. If it appears that any of the provisions of this Article or of this section have been violated, or whenever a duly authorized agent of the Department of Agriculture—has cause to believe that any milk, cream, butter, cheese, ice cream, frozen dessert or any dairy product for which standards of purity and of identity have been established or any substance which purports to be milk, a dairy product or a frozen dessert for which a definition and standard of identity has been established, is adulterated or misbranded or by reason of contamination with microorganisms has become deleterious to health during production. processing or distribution, and such products, or any of them, are in a stage of production, or are being exposed for sale, or are being held for processing or distribution or such products are being held with intent to sell the same, such agent or inspector is hereby authorized to issue a 'stop-sale' order which shall prohibit further sale of any of the products above enumerated or which shall prohibit further processing, production or distribution of any of the products above enumerated. The agent or inspector shall affix to such product a tag or other appropriate marking giving notice that such product is, or is suspected of, being adulterated, misbranded or contaminated and that the same has been detained or embargoed, and warning all persons not to remove or dispose of such product, by sale or otherwise, until permission for removal or disposal is given by such agent or inspector, until the law or regulation has been complied with or said violation has otherwise been legally disposed of. It shall be unlawful for any person to remove or dispose of any embargoed product, by sale or otherwise, without such permission: Provided, that if such adulteration or misbranding can be corrected by proper labeling or processing of the products so that the products meet the definitions and standards of purity and identity, then with the approval of such agent or inspector, sale and removal may be made. Any milk, dairy products or any of the products enumerated in this Article or section not in compliance with this Article or section shall be subject to seizure upon complaint of the Commissioner of Agriculture, or any of the agents or inspectors of the Department of Agriculture, Agriculture and Consumer Services, to a court of competent jurisdiction in the area in which said products are located. In the event the court finds said products, or any of them, to be in violation of this Article or of this section, the court may order the condemnation of said products, and the same shall be disposed of in any manner consistent with the rules and regulations of the Board of Agriculture and the laws of the State and in such a manner as to minimize any loss or damage as far as possible: Provided, that in no instance shall the disposition of said products be ordered by the court without first giving the claimant or owner of same an opportunity to apply to the court for the release of said products or for permission to again process or relabel the same so as to bring the product in compliance with this Article or section. In the event any 'stop-sale' order shall be issued under the provisions of this Article or section, the agents, inspectors or representatives of the Department of Agriculture and Consumer Services shall release

Section 47. G.S. 106-277.9(7) reads as rewritten:

- "(7) To use the name of the Department of Agriculture <u>and Consumer</u>
 <u>Services</u> or the results of tests and inspections made by the Department for advertising purposes."
- Section 48. G.S. 106-277.28(3) reads as rewritten:
 - "(3) Each seed dealer or grower who has seed, whether originated or labeled by the dealer or grower, that is offered for sale in this State shall report the quantity of seed offered for sale and pay an inspection fee of two cents (2¢) for each container of seeds weighing 10 pounds or more. Seed shall be subject to the inspection fee and reporting requirements only once in any 12-month period. This fee does not apply to seed grown by a farmer and offered for sale by the farmer at the farm where the seed was grown.

Each seed dealer or grower shall keep accurate records of the quantity of seeds and container weights offered for sale from each distribution point in the State. These records shall be available to the Commissioner or an authorized representative of the Commissioner at any and all reasonable hours for the purpose of verifying the quantity of seed offered for sale and the fees paid. Each seed dealer or grower shall report quarterly on forms furnished by the Commissioner the quantity and container weight of seeds first offered for sale that quarter. The reports shall be made on the first day of January, April, July, and October, or within 10 days thereafter. Inspection fees shall be due and paid with the next quarterly report filed after the seed is first offered for sale. If the report is not filed and the inspection fees paid to the Department of Agriculture and Consumer Services by the tenth day following the date due, or if the report of the quantity or container weights is false, the Commissioner may issue a stop-sale order for all seed offered for sale by the dealer or grower. If the inspection fees are unpaid more than 15 days after the due date, the amount due shall bear a penalty of ten percent (10%) which shall be added to the inspection fees due."

Section 49. G.S. 106-307.1 reads as rewritten:

"§ 106-307.1. Serums, vaccines, etc., for control of animal diseases.

The North Carolina Department of Agriculture <u>and Consumer Services</u> is authorized and empowered to purchase for resale serums, viruses, vaccines, biologics, and other products for the control of animal and poultry diseases. The resale of said serums, viruses, vaccines, biologics and other products shall be at a reasonable price to be determined by the Commissioner of Agriculture."

Section 50. G.S. 106-313 reads as rewritten:

"§ 106-313. Price of serum to be fixed.

1 2

The Department of Agriculture <u>and Consumer Services</u> shall fix the price of anti-hog-cholera serum at such an amount as will cover the cost of production."

Section 51. G.S. 106-322.3(10) reads as rewritten:

"(10) Where the owner has failed to submit the reports required by the United States <u>Department of Agriculture</u> and <u>the North Carolina Departments Department</u> of Agriculture <u>and Consumer Services</u> for animals on which indemnity is paid under Article 34."

Section 52. G.S. 106-418.10 reads as rewritten:

"§ 106-418.10. Prohibited conduct.

It shall be unlawful for any person to:

- (1) Carry on or conduct the business of a livestock dealer without a current valid license issued by the North Carolina Department of Agriculture and Consumer Services under the provisions of this Article;
- (2) Fail to keep the records required by G.S. 106-418.13."

Section 53. G.S. 106-426 reads as rewritten:

"§ 106-426. Expert graders to be employed; cooperation with United States Department of Agriculture.

The North Carolina Department of Agriculture <u>and Consumer Services</u> shall have authority to employ expert cotton graders to grade cotton in this State under such rules and regulations as it may adopt. The North Carolina Department of Agriculture may seek the aid of the United States Department of Agriculture in the prosecution of this work, and shall have authority to enter into such contracts or arrangements as shall be mutually agreeable in furtherance of the object and purpose of this Article."

Section 54. G.S. 106-451.7(7) reads as rewritten:

"(7) 'Warehouseman' means a person licensed by North Carolina Department of Agriculture and Consumer Services to engage in the business of storing cotton for hire."

Section 55. G.S. 106-451.9(2) and (3) read as rewritten:

- "(2) To assign and reassign the administrative and enforcement duties and functions assigned to him in this Article to one or more divisions within the Department of Agriculture. Agriculture and Consumer Services.
- (3) To delegate to any division head and other officer or employee of the Department of Agriculture Agriculture and Consumer Services any of the powers and duties given to the Department by statute or by rules promulgated pursuant to this Article."

Section 56. G.S. 106-542 reads as rewritten:

"§ 106-542. Hatcheries, chick dealers and others to obtain license to operate.

(a) It shall be unlawful for any person, firm or corporation to operate a hatchery within this State without first obtaining a hatchery license from the Department of Agriculture and Consumer Services for a fee of twenty-five dollars (\$25.00) per year.

Section 57. G.S. 106-549.01 reads as rewritten:

"§ 106-549.01. Civil penalties.

The Department of Agriculture and Consumer Services may assess a civil penalty of not more than five thousand dollars (\$5,000) against any person who violates a provision of this Article or any rule promulgated thereunder. In determining the amount of the penalty, the Department shall consider the degree and extent of harm caused by the violation."

Section 58. G.S. 106-549.15(3) reads as rewritten:

'Authorized representative' means the Director of the Meat and Poultry Inspection Service of the North Carolina Department of Agriculture. Agriculture and Consumer Services."

Section 59. G.S. 106-549.29 reads as rewritten:

"§ 106-549.29. North Carolina Department of Agriculture and Consumer Services responsible for cooperation.

- The North Carolina Department of Agriculture and Consumer Services is (a) hereby designated as the State agency which shall be responsible for cooperating with the Secretary of Agriculture of the United States under the provisions of section 301 of the Federal Meat Inspection Act and such agency is directed to cooperate with the Secretary of Agriculture of the United States in developing and administering the meat inspection program of this State under this and the previous Article in such a manner as will effectuate the purposes of this and the previous Article.
- In such cooperative efforts, the North Carolina Department of Agriculture and Consumer Services is authorized to accept from said Secretary advisory assistance in planning and otherwise developing the State program, technical and laboratory assistance and training (including necessary curricular and instructional materials and equipment), and financial and other aid for administration of such a program.
- The North Carolina Department of Agriculture and Consumer Services is further authorized to recommend to the said Secretary of Agriculture such officials or employees of this State as the Commissioner shall designate, for appointment to the advisory committees provided for in Section 301 of the Federal Meat Inspection Act; and the Commissioner or his authorized representative shall serve as the representative of the Governor for consultation with said Secretary under paragraph (c) of Section 301 of said act."

Section 60. G.S. 106-549.38 reads as rewritten:

"§ 106-549.38. Rules and regulations of State Department of Agriculture. **Agriculture and Consumer Services.**

All rules and regulations of the North Carolina—Department of Agriculture and Consumer Services not inconsistent with the provisions of this Article shall remain in full force and effect until amended or repealed by the Board."

Section 61. G.S. 106-549.51(12) and (13) read as rewritten:

- "(12) 'Inspection service' means the official government service within this State—the—Department of Agriculture and Consumer Services designated by the Commissioner as having the responsibility for carrying out the provisions of this Article.
- 'Inspector' means an employee or official of the State—Department of Agriculture and Consumer Services authorized by the Commissioner to inspect poultry and poultry products under the authority of this Article, or any employee or official of the government of any county or other governmental subdivision of this State authorized by the Commissioner to inspect poultry and poultry products under authority of this Article, under an agreement entered into between the Department of Agriculture and such governmental subdivision."

Section 62. G.S. 106-549.52 reads as rewritten:

- "(a) The Department of Agriculture <u>and Consumer Services</u> is hereby designated as the State agency which shall be responsible for cooperating with the Secretary of Agriculture of the United States under the provisions of section 5 of the Federal Poultry Products Inspection Act and such agency is directed to cooperate with the Secretary of Agriculture of the United States in developing and administering the poultry products inspection program of this State under this Article and in developing and administering the program of this State under G.S. 106-549.58 in such a manner as will effectuate the purposes of this Article and said federal act.
- (b) In such cooperative efforts, the Department of Agriculture—is authorized to accept from said Secretary advisory assistance in planning and otherwise developing the State program, technical and laboratory assistance and training (including necessary curricular and instructional materials and equipment), and financial and other aid for administration of such a program.
- (c) The Department of Agriculture—is further authorized to recommend to the Secretary of Agriculture such officials or employees of this State as the Commissioner shall designate, for appointment to the advisory committees provided for in section 5 of the Federal Poultry Products Inspection Act; and the Commissioner shall serve as the representative of the Governor for consultation with said Secretary under subsection (c) of section 5 of said act."

Section 63. G.S. 106-549.94 reads as rewritten:

- "§ 106-549.94. Regulation of pen-raised quail by Department of Agriculture; and Consumer Services; certain authority of North Carolina Wildlife Resources Commission not affected.
- (a) The North Carolina-Department of Agriculture and Consumer Services is given exclusive authority to regulate the production and sale of pen-raised quail for food purposes. The Board of Agriculture shall promulgate rules and regulations for the

production and sale of pen-raised quail for food purposes in such a manner as to provide for close supervision of any person, firm, or corporation producing and selling pen-raised quail for food purposes.

(b) The North Carolina Wildlife Resources Commission shall retain its authority to

regulate the possession and transportation of live pen-raised quail."

Section 64. G.S. 106-549.97 reads as rewritten:

"§ 106-549.97. Regulation of fallow deer by Department of Agriculture; Agriculture and Consumer Services; certain authority of North Carolina Wildlife Resources Commission not affected.

(a) The Department of Agriculture <u>and Consumer Services</u> shall regulate the production and sale of fallow deer for food purposes. The Board of Agriculture shall adopt rules for the production and sale of fallow deer for food purposes in such a manner as to provide for close supervision of any person, firm, or corporation producing and selling fallow deer for food purposes.

As used in this section, 'fallow deer' (Dama dama spp.) means a small European deer raised commercially for production and sale for food purposes.

 (b) The North Carolina Wildlife Resources Commission shall regulate the possession and transportation of live fallow deer and may adopt rules to prevent the release or escape of fallow deer upon finding that it is necessary to protect live fallow deer or to prevent damage to the native deer population or its habitat."

 Section 65. G.S. 106-621(1) reads as rewritten:

"(1) Adulterated grain: Grain which contains any substance, such as, but not limited to, Captan, carbon tetrachloride, Malathion, Parathion, DDT, Dieldrin, Thiram, Endrin, Heptachlor, Maneb, Methoxychlor, 2, 6-dichloro, 4-nitroaniline, pentachloronitrobenzene, hexachlorobenzene, Demeton, Phorate, Carbophenothion, in excess of the tolerance for human or animal consumption established for such substances by the laws of the State or the regulations of the North Carolina-Department of Agriculture, Agriculture and Consumer

Services or both the State and the Department." Section 66. G.S. 106-627 reads as rewritten:

"§ 106-627. Determination of adulteration.

For purposes of evidence under this Article, the grain dealer or his agent, upon receipt or pending receipt of suspected adulterated grain, may, at his discretion, call any law-enforcement officer to verify the sampling technique, [and] origin of sampled grain and subsequently send or request the law-enforcement officer to send the sample of grain in a sealed package to the Department of Agriculture <u>and Consumer Services</u> for inspection and analysis in order to protect only the chain of evidence.

Upon [a] finding by the Department of Agriculture—that said sample—is adulterated grain, the Department shall notify the grain dealer of the results and return the sample to the original sender in a sealed package."

"(10) The term 'Department' means the North Carolina Department of Agriculture. Agriculture and Consumer Services."

Section 68. G.S. 106-662(b)(6) reads as rewritten:

In the trial of any suit or action wherein there is called in question the value or composition of any lot of commercial fertilizer, a certificate signed by the fertilizer chemist and attested with the seal of the Department of Agriculture,—Agriculture and Consumer Services, setting forth the analysis made by the chemist of the Department of Agriculture,—of any sample of said commercial fertilizer, drawn under the provisions of this section and analyzed by them under the provisions of the same, shall be prima facie proof that the lot of fertilizer represented by the sample was of the value and constituency shown by said analysis. And the said certificate of the chemist shall be admissible in evidence."

Section 69. G.S. 106-662(e)(2) reads as rewritten:

The sample shall be drawn in the presence of the manufacturer, "(2)seller, or representative designated by either party together with two disinterested adult persons; or in case the manufacturer, seller, or representative of either refuses or is unable to witness the drawing of such a sample, a sample may be drawn in the presence of three disinterested adult persons; provided, any such sample shall be taken with the same type of sampler as used by the inspector of the Department of Agriculture and Consumer Services in taking samples and shall be drawn, mixed, and divided, as directed in subdivisions (1), (2), (3), and (4) of subsection (b) of this section, except that the sample shall be divided into two parts each to consist of at least one pound. Each of these is to be placed into a separate, tight container, securely sealed, properly labeled, and one sent to the Commissioner for analysis and the other to the manufacturer. A certificate statement in a form which will be prescribed and supplied by the Commissioner must be signed by the parties taking and witnessing the taking of the sample. Such certificate is to be made and signed in duplicate and one copy sent to the Commissioner and the other to the manufacturer or seller of the brand sampled. The witnesses of the taking of any sample, as provided for in this section, shall be required to certify that such sample has been continuously under their observation from the taking of the sample up to and including the delivery of it to an express agency, a post office or to the office of the Commissioner."

Section 80. G.S. 113-129(16) reads as rewritten:

"(16) Wildlife. – Wild animals; wild birds; all fish found in inland fishing waters; and inland game fish. Unless the context clearly requires otherwise, the definitions of wildlife, wildlife resources, wild animals, wild birds, fish, and the like are deemed to include species normally wild, or indistinguishable from wild species, which are raised or kept in captivity. Nothing in this definition is intended to abrogate the exclusive authority given the Department of Agriculture and Consumer Services to regulate the production and sale of penraised quail for food purposes."

Section 81. G.S. 113-273(h) reads as rewritten:

"(h) Game Bird Propagation License. – No person may propagate game birds in captivity or possess game birds for propagation without first procuring a license under

this subsection. The Wildlife Resources Commission may by rule prescribe the activities to be covered by the propagation license, which species of game birds may be propagated, and the manner of keeping and raising the birds, in accordance with the overall objectives of conservation of wildlife resources. Except as limited by this subsection, propagated game birds may be raised and sold for purposes of propagation, stocking, food, or taking in connection with dog training as authorized in G.S. 113-291.1(d). Migratory game bird operations authorized under this subsection must also comply with any applicable provisions of federal law and rules. The Wildlife Resources Commission may impose requirements as to shipping, marking packages, banding, tagging, or wrapping the propagated birds and other restrictions designed to reduce the change of illicit game birds being disposed of under the cover of licensed operations. The Wildlife Resources Commission may make a reasonable charge for any bands, tags, or wrappers furnished propagators. The game bird propagation license is issued by the Wildlife Resources Commission upon payment of a fee of five dollars (\$5.00). authorizes a person or individual to propagate and sell game birds designated in the license, in accordance with the rules of the Wildlife Resources Commission, except:

- (1) Wild turkey and ruffed grouse may not be sold for food.
- Production and sale of pen-raised quail for food purposes is under the exclusive control of the Department of Agriculture. Agriculture and Consumer Services. The Wildlife Resources Commission, however, may regulate the possession, propagation, and transportation of live pen-raised quail.

Wild turkey acquired or raised under a game bird propagation license shall be confined in a cage or pen approved by the Wildlife Resources Commission and no such wild turkey shall be released for any purpose or allowed to range free. It is a Class 3 misdemeanor to sell wild turkey or ruffed grouse for food purposes, to sell quail other than lawfully acquired pen-raised quail for food purposes, or to release or allow wild turkey to range free "

Section 82. G.S. 113A-164.4(3) reads as rewritten:

"(3) Maintain a Natural Heritage Program to provide assistance in the selection and nomination for registration or dedication of natural areas. The Program shall include classification of natural heritage resources, an inventory of their locations, and a data bank for that information. The Program shall cooperate with the Department of Agriculture and Consumer Services in the selection and nomination of areas that contain habitats for endangered and rare plant species, and shall cooperate with the Wildlife Resources Commission in the selection and nomination of areas that contain habitats for endangered and rare animal species. Information from the natural heritage data bank may be made available to public agencies and private persons for environmental assessment and land management purposes. Use of the inventory data for any purpose inconsistent with the Natural Heritage Program may not be authorized. The

Program shall include other functions as may be assigned for 1 2 registration, dedication, and protection of natural areas and nature 3 preserves." 4 Section 83.
