10 (a) Subject to the provision of subsection (b) of this section, for the purpose of

38 "Sec. 5.50. Adequate public facilities ordinance authorized.

39 For the purpose of protecting against scattered or premature development of land that
40 would threaten the public health, safety, and welfare due to lack of adequate water
41 supply, sewerage, stormwater drainage, traffic circulation, mass transit, solid waste, open
42 space, parks, schools, fire protection, or any other public facilities or services; for the
43 purpose of preventing the excessive, inefficient, and uncoordinated expenditure of public

1 funds for the supply of such facilities or services; and for the purpose of promoting the
2 health, safety, and general welfare of the community, the Town of Chapel Hill may
3 exercise the following powers:

- 4 (1) To adopt ordinances to assure that public facilities or services
5 (including, but not limited to, streets and roads, sidewalks, traffic
6 control devices, water and sewer lines, and schools) are available at an
7 adequate level of service to serve proposed development.
- 8 (2) To condition development application approvals upon the applicant's
9 provision of transportation management programs which address the
10 traffic and transportation impacts of the new development, which
11 programs may include, but are not limited to, requirements for
12 improvements to public transportation facilities impacted by the
13 proposed development or payments in lieu of improvements.
- 14 (3) To adopt ordinances to require existing development to address the
15 impact on the health, safety, and general welfare of the community, of
16 traffic generated or promoted by that development, including the
17 authority to require implementation of transportation management plans
18 and other steps to ensure implementation of an appropriate

20 **"ARTICLE 10. REGULATION OF OPEN BURNING.**

21 "Sec. 5.51. After conducting a public hearing, the Town may adopt ordinances to
22 regulate and prohibit the open burning of trees, limbs, stumps, and construction debris
23 within the Town or the Town's extraterritorial jurisdiction.

24 The Town may, as a condition of approval for any permit for a subdivision, clearing
25 and development of land, or construction of buildings within the Town or the Town's
26 extraterritorial jurisdiction, regulate and prohibit the open burning of trees, limbs, stumps,
27 and construction debris associated with the permitted activity."

28 Section 4.(a) G.S. 163-47(a) reads as rewritten:

29 "(a) The chief judges and judges of election shall conduct the primaries and
