A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AND CONFORMING CHANGES TO THE REVENUE LAWS AND RELATED STATUTES, TO CLARIFY THAT THE CREDIT FOR CREATING JOBS IS ALLOWED ONLY FOR NEW JOBS CREATED IN THIS STATE, AND TO PROHIBIT THE USE OF FUTURE ROOM TAX COLLECTIONS IN CERTAIN COUNTIES AND CITIES TO DEVELOP OR CONSTRUCT A HOTEL OR SIMILAR LODGING FACILITY.

The General Assembly of North Carolina enacts:

SECTION 1. Section 30C.3(b) of S.L. 2002-126, as amended by Section 37A.4 of S.L. 2003-284, reads as rewritten:

"SECTION 30C.3.(b) This section is effective on and after January 1, 2002, and applies to the estates of decedents dying on or after that date. This section ~~is and~~ Section 37A.5 of S.L. 2003-284 are repealed effective for the estates of decedents dying on or after July 1, 2005."

SECTION 2. The lead-in language of Section 2 of S.L. 2003-360 reads as rewritten:

"SECTION 2. The capital improvements projects, and their respective costs, authorized by this act to be constructed and financed as provided in Sections ~~4-1, 5,~~ and 6 of this act are as follows:"

SECTION 3.(a) S.L. 2003-405 is reenacted.

SECTION 3.(b) This section is effective on and after August 12, 2003, and is repealed effective on the date that S.L. 2003-405 is repealed.

SECTION 4.(a) G.S. 105-32.2(b) reads as rewritten:

"(b) Amount. – The amount of the estate tax imposed by this section for estates of decedents dying on or after January 1, 2002, is the maximum credit for state death taxes allowed under section 2011 of the Code without regard to the phase-out and termination of that credit under subdivision (b)(2) and subsection (f) of that ~~section-section and~~

1 without regard to the deduction for state death taxes allowed under section 2058 of the
2 Code. If any property in the estate is located in a state other than North Carolina, the
3 amount of tax payable depends on whether the decedent was a resident of this State at
4 death. If the decedent was a resident of this State at death, the amount of tax due under
5 this section is reduced by the lesser of the amount of the death tax paid the other state or
6 an amount computed by multiplying the credit by a fraction, the numerator of which is
7 the gross value of the estate that has a tax situs in another state and the denominator of
8 which is the value of the decedent's gross estate. If the decedent was not a resident of
9 this State at death, the amount of tax due under this section is an amount computed by
10 multiplying the credit by a fraction, the numerator of which is the gross value of real
11 property that is located in North Carolina plus the gross value of any personal property
12 that has a tax situs in North Carolina and the denominator of which is the value of the
13 decedent's gross estate. For purposes of this section, the gross value of property is its
14 gross value as finally determined in the federal estate tax proceedings."

16 decedents dying on or after July 1, 2005.

18 "**§ 105-113.5. Tax on cigarettes.**

19 A tax is levied on the sale or possession for sale in this State, by a distributor, of all
20 cigarettes at the rate of two and one-half mills per individual cigarette.

21 ~~This tax does not apply to any of the following:~~

22 (1) ~~Sample cigarettes distributed without charge in packages containing~~
23 ~~five or fewer cigarettes.~~

24 (2) ~~Cigarettes in a package of cigarettes given without charge by the~~
25 ~~manufacturer of the cigarettes to an employee of the manufacturer who~~
26 ~~works in a factory where cigarettes are made, if the cigarettes are not~~
27 ~~taxed by the federal government."~~

28 **SECTION 6.** G.S. 105-113.68(a)(2) is repealed.

29 **SECTION 7.** G.S. 105-113.83(b) reads as rewritten:

30 "(b) Beer and Wine. – The excise taxes on malt beverages and wine levied under
31 G.S. 105-113.80(a) and (b), respectively, are payable to the Secretary by the resident
32 wholesaler or importer who first handles the beverages in this State. The excise taxes ~~on~~
33 ~~wine~~ levied under G.S. 105-113.80(b) on wine shipped directly to consumers pursuant
34 to G.S. 18B-1001.1 must be paid by the wine shipper permittee. The taxes on malt
35 beverages and wine shall be paid only once on the same beverages. The tax shall be
36 paid on or before the 15th day of the month following the month in which the beverage
37 is first sold or otherwise disposed of in this State by the wholesaler, importer, or wine
38 shipper permittee. When excise taxes are paid on wine or malt beverages, the
39 wholesaler, importer, or wine shipper permittee shall submit to the Secretary verified
40 reports on forms provided by the Secretary detailing sales records for the month for
41 which the taxes are paid. The report shall indicate the amount of excise tax due, contain
42 the information required by the Secretary, and indicate separately any transactions to
43 which the excise tax does not apply."

44 **SECTION 8.** G.S. 105-113.108(a) reads as rewritten:

1 "(a) Revenue Stamps. – The Secretary shall issue stamps to affix to unauthorized
2 substances to indicate payment of the tax required by this Article. Dealers shall report
3 the taxes payable under this Article at the time and on the ~~form~~-return prescribed by the
4 Secretary. ~~Dealers~~ Notwithstanding any other provision of law, dealers are not required
5 to give their name, address, social security number, or other identifying information on
6 the ~~form~~-return, and the return is not required to be verified by oath or affirmation.
7 Upon payment of the tax, the Secretary shall issue stamps in an amount equal to the
8 amount of the tax paid. Taxes may be paid and stamps may be issued either by mail or
9 in person."

10 **SECTION 8.1.** G.S. 105-114.1(b), as amended by ratified Senate Bill 51,
11 2003 General Assembly, reads as rewritten:

16 liability company's capital stock, surplus, and undivided profits; (ii) fifty-five percent
17 (55%) of the limited liability company's appraised ad valorem tax value of property; and
18 (iii) the limited liability company's actual investment in tangible property in this State,
19 as appropriate. ~~the limited liability company's net assets."~~

20 **SECTION 9.** G.S. 105-129.2 is amended by adding a new subdivision to
21 read:

22 "**§ 105-129.2. Definitions.**

23 The following definitions apply in this Article:

24 . . .

25 (12a) Interstate air courier. – Defined in G.S. 105-164.3."

26 **SECTION 10.** 105-129.4(b2) reads as rewritten:

27 "(b2) Health Insurance. – A taxpayer is eligible for a credit for creating jobs or for
28 worker training under this Article if the taxpayer provides health insurance for the
29 positions for which the credit is claimed when the jobs are created and each year it
30 claims an installment or carryforward of the credit. A taxpayer is eligible for the other
31 credits under this Article if the taxpayer provides health insurance for all of the full-time
32 positions at the location with respect to which the credit is claimed when the taxpayer
33 engages in the activity that qualifies for the credit and each year it claims an installment
34 or carryforward of the credit. For the purposes of this subsection, a taxpayer provides
35 health insurance if it pays at least fifty percent (50%) of the premiums for health care
36 coverage that equals or exceeds the minimum provisions of the basic health care plan of
37 coverage recommended by the Small Employer Carrier Committee pursuant to
38 G.S. 58-50-125.

39 Each year that a taxpayer claims a credit or an installment or carryforward of a credit
40 allowed under this Article, the taxpayer must provide with the tax return the taxpayer's
41 certification that the taxpayer continues to provide health insurance for the jobs for
42 which the credit was claimed or the full-time jobs at the location with respect to which
43 the credit was claimed. If the taxpayer ceases to provide health insurance for the jobs

1 during a taxable year, the credit expires and the taxpayer may not take any remaining
2 installment or carryforward of the credit."

3 **SECTION 11.** G.S. 105-129.4(b6) reads as rewritten:

4 "(b6) Overdue Tax Debts. – A taxpayer is not eligible for a credit allowed under
5 this Article if, at the time the taxpayer claims the credit or an installment or
6 carryforward of the credit, the taxpayer has received a notice of an overdue tax debt and
7 that overdue tax debt has not been satisfied or otherwise resolved."

8 **SECTION 12.** G.S. 105-129.6(b) reads as rewritten:

9 "(b) Reports. – The Department of Revenue shall publish by ~~March~~ April 1 of
10 each year the following information itemized by credit and by taxpayer for the
11 12-month period ending the preceding December 31:

- 12 (1) The number of claims for each credit allowed in this Article.
- 13 (2) The number and enterprise tier area of new jobs with respect to which
14 credits were generated and to which credits were claimed.
- 15 (3) The cost and enterprise tier area of machinery and equipment with
16 respect to which credits were generated and to which credits were
17 claimed.
- 18 (4) The number of new jobs created by businesses located in development
19 zones, and the percentage of jobs at those locations that were filled by
20 residents of the zones.
- 21 (5) The amount and enterprise tier area of worker training expenditures
22 with respect to which credits were generated and to which credits were
23 claimed.
- 24 (6) The amount and enterprise tier area of new research and development
25 expenditures with respect to which credits were generated and to
26 which credits were claimed.
- 27 (7) The cost and enterprise tier area of real property investment with
28 respect to which credits were generated and to which credits were
29 claimed."

30 **SECTION 13.** G.S. 105-129.9(d) reads as rewritten:

31 "(d) Expiration. – As used in this subsection, the term 'disposed of' means
32 disposed of, taken out of service, or moved out of State.

33 If, in one of the seven years in which the installment of a credit accrues, the
34 machinery and equipment with respect to which the credit was claimed are disposed of,
35 ~~taken out of service, or moved out of State,~~ the credit expires and the taxpayer may not
36 take any remaining installment of the credit for that machinery and equipment unless
37 the cost of that machinery and equipment is offset in the same taxable year by the
38 taxpayer's new investment in eligible machinery and equipment placed in service in the
39 same enterprise tier, as provided in this subsection. If, during the taxable year the
40 taxpayer disposed of the machinery and equipment for which installments remain, there
41 has been a net reduction in the cost of all the taxpayer's eligible machinery and
42 equipment that are in service in the same enterprise tier as the machinery and equipment
43 that were disposed of, and the amount of this reduction is greater than twenty percent
44 (20%) of the cost of the machinery and equipment that were disposed of, then the

1 taxpayer forfeits the remaining installments of the credit for the machinery and
2 equipment that were disposed of. If the amount of the net reduction is equal to twenty
3 percent (20%) or less of the cost of the machinery and equipment that were disposed of,
4 or if there is no net reduction, then the taxpayer does not forfeit the remaining
5 installments of the expired credit. In determining the amount of any net reduction during
6 the taxable year, the cost of machinery and equipment the taxpayer placed in service
7 during the taxable year and for which the taxpayer claims a credit under Article 3B of
8 this Chapter may not be included in the cost of all the taxpayer's eligible machinery and
9 equipment that are in service. If in a single taxable year machinery and equipment with
10 respect to two or more credits in the same tier are disposed of, the net reduction in the
11 cost of all the taxpayer's eligible machinery and equipment that are in service in the
12 same tier is compared to the total cost of all the machinery and equipment for which
13 credits expired in order to determine whether the remaining installments of the credits
14 are forfeited.

15 The expiration of a credit does not prevent the taxpayer from taking the portion of an
16 installment that accrued in a previous year and was carried forward to the extent
17 permitted under G.S. 105-129.5.

18 If, in one of the seven years in which the installment of a credit accrues, the
19 machinery and equipment with respect to which the credit was claimed are moved to an
20 area in a higher-numbered enterprise tier, or are moved from a development zone to an
21 area that is not a development zone, the remaining installments of the credit are allowed
22 only to the extent they would have been allowed if the machinery and equipment had
23 been placed in service initially in the area to which they were moved."

24 **SECTION 14.** G.S. 105-129.35(c)(4) reads as rewritten:

25 "(4) State Historic Preservation Officer. – Defined in
26 G.S. ~~105-129.6~~.105-129.36."

27 **SECTION 15.** G.S. 105-130.4(a)(6) reads as rewritten:

28 "(a) As used in this section, unless the context otherwise requires:

29 . . .

30 (6) 'Public utility' means any corporation that is subject to control of one
31 of more of the following entities: the North Carolina Utilities
32 Commission, the Federal Communications Commission, the Interstate
33 Commerce Commission, the Federal ~~Power~~Energy Regulatory
34 Commission, or the Federal Aviation Agency; and that owns or
35 operates for public use any plant, equipment, property, franchise, or
36 license for the transmission of communications, the transportation of
37 goods or persons, or the production, storage, transmission, sale,
38 delivery or furnishing of electricity, water, steam, oil, oil products, or
39 gas. The term also includes a motor carrier of property whose principal
40 business activity is transporting property by motor vehicle for hire
41 over the public highways of this State."

42 **SECTION 16.(a)** G.S. 105-130.46 reads as rewritten:

43 "§ **105-130.46. Credit for manufacturing cigarettes for exportation while**
44 **increasing employment and utilizing State Ports.**

1 (a) Purpose. – The credit authorized by this section is intended to enhance the
2 economy of this State by encouraging qualifying cigarette manufacturers to increase
3 employment in this State with the purpose of expanding this State's economy, the use of
4 the North Carolina State Ports, and the use of other State goods and services, including
5 tobacco.

6 (b) Definitions. – The following definitions apply in this section:

7 (1) Employment level. – The total number of full-time jobs and part-time
8 jobs converted into full-time equivalences. A job is included in the
9 employment level for a year only if that job is located within the State
10 for more than six months of the year. A job is located in this State if
11 more than fifty percent (50%) of the employee's duties are performed
12 in this State.

13 (2) Exportation. – The shipment of cigarettes manufactured in the United
14 States to a foreign country sufficient to relieve the cigarettes in the
15 shipment of the federal excise tax on cigarettes.

16 (3) Full-time job. – A position that requires at least 1,600 hours of work
17 per year and is intended to be held by one employee during the entire
18 year.

19 (4) Successor in business. – A corporation that through amalgamation,
20 merger, acquisition, consolidation, or other legal succession becomes
21 invested with the rights and assumes the burdens of the predecessor
22 corporation and continues the cigarette exportation business.

23 (c) Employment Level. – In order to be eligible for a full credit allowed under
24 this section, the corporation must maintain an employment level in this State for the
25 taxable year that exceeds the corporation's employment level in this State at the end of
26 the 2004 calendar year by at least 800 full-time jobs. In the case of a successor in
27 business, the corporation must maintain an employment level in this State for the
28 taxable year that exceeds all its predecessor corporations' combined employment levels
29 in this State at the end of the 2004 calendar year by at least 800 full-time jobs. ~~A job is~~
30 ~~located in this State if more than fifty percent (50%) of the employee's duties are~~
31 ~~performed in this State.~~

32 (d) Credit. – A corporation that satisfies the employment level requirement under
33 subsection ~~(b)~~(c) of this section, is engaged in the business of manufacturing cigarettes
34 for exportation, and exports cigarettes and other tobacco products through the North
35 Carolina State Ports during the taxable year is allowed a credit as provided in this
36 section. The amount of credit allowed under this section is equal to forty cents (40¢) per
37 one thousand cigarettes exported. The amount of credit earned during the taxable year
38 may not exceed ten million dollars (\$10,000,000).

39 (e) Reduction of Credit. – A corporation that has previously satisfied the
40 qualification requirements of this section but that fails to satisfy the employment level
41 requirement in a succeeding year may still claim a partial credit for the year in which
42 the employment level requirement is not satisfied. The partial credit allowed is equal to
43 the credit that would otherwise be allowed under subsection ~~(e)~~(d) of this section
44 multiplied by a fraction. The numerator of the fraction is the number of full-time jobs by

1 which the corporation's employment level in this State for the taxable year exceeds the
2 corporation's employment level in this State at the end of the 2004 calendar year. The
3 denominator of the fraction is 800. In the case of a successor in business, the numerator
4 of the fraction is the number of full-time jobs by which the corporation's employment
5 level in this State for the taxable year exceeds all its predecessor corporations' combined
6 employment levels in this State at the end of the 2004 calendar year.

7 (f) Allocation. – The credit allowed by this section may be taken against the
8 income taxes levied under this Part or the franchise taxes levied under Article 3 of this
9 Chapter. When the taxpayer claims a credit under this section, the taxpayer must elect
10 the percentage of the credit to be applied against the taxes levied under this Part with
11 any remaining percentage to be applied against the taxes levied under Article 3 of this
12 Chapter. This election is binding for the year in which it is made and for any
13 carryforwards. A taxpayer may elect a different allocation for each year in which the
14 taxpayer qualifies for a credit.

15 (g) Ceiling. – The total amount of credit that may be taken in a taxable year
16 under this section may not exceed the lesser of the amount of credit which may be
17 earned for that year under subsection ~~(e)~~(d) of this section or fifty percent (50%) of the
18 amount of tax against which the credit is taken for the taxable year reduced by the sum
19 of all other credits allowable, except tax payments made by or on behalf of the taxpayer.
20 This limitation applies to the cumulative amount of the credit allowed in any tax year,
21 including carryforwards claimed by the taxpayer under this section or G.S. 105-130.45
22 for previous tax years.

23 (h) Carryforward. – Any unused portion of a credit allowed in this section may
24 be carried forward for the next succeeding 10 years. All carryforwards of a credit must
25 be taken against the tax against which the credit was originally claimed. A successor in
26 business may take the carryforwards of a predecessor corporation as if they were
27 carryforwards of a credit allowed to the successor in business.

28 (i) Documentation of Credit. – A corporation that claims the credit under this
29 section must include the following with its tax return:

- 30 (1) A statement of the exportation volume on which the credit is based.
- 31 (2) A list of the corporation's export volumes shown on its monthly
32 reports to the Alcohol and Tobacco Tax and Trade Bureau of the
33 United States Treasury for the months in the tax year for which the
34 credit is claimed.
- 35 (3) Any other information required by the Department of Revenue.

36 (j) No Double Credit. – A taxpayer may not claim this credit and the credit
37 allowed under G.S. 105-130.45 for the same activity.

38 (k) Reports. – Any corporation that takes a credit under this section must submit
39 an annual report by May 1 of each year to the Senate Finance Committee, the House of
40 Representatives Finance Committee, the Senate Appropriations Committee, the House
41 of Representatives Appropriations Committee, and the Fiscal Research Division of the
42 General Assembly. The report must state the amount of credit earned by the corporation
43 during the previous year, the amount of credit including carryforwards claimed by the
44 corporation during the previous year, and the percentage of domestic leaf content in

1 cigarettes produced by the corporation during the previous year. The first reports
2 required under this section are due by May 1, 2006."

3 **SECTION 16.(b)** This section is effective for taxable years beginning on or
4 after January 1, 2006, and expires for exports occurring on or after January 1, 2018.

5 **SECTION 17.** G.S. 105-160.3(b)(6) is repealed.

6 **SECTION 18.** G.S. 105-164.3(28) reads as rewritten:

8 subdivision. Prepared food does not include food the retailer sliced,
9 repackaged, or pasteurized but did not ~~otherwise process.~~ heat, mix, or
10 sell with eating utensils.

11 a. It is sold in a heated state or it is heated by the retailer.

12 b. It consists of two or more foods mixed or combined by the
13 retailer for sale as a single item. This sub-subdivision does not

 29 of the employee's duties are performed in the area. The number of new positions a
 30 taxpayer fills during the taxable year is determined by subtracting the highest number of
 31 full-time employees the taxpayer had in this State at any time during the 12-month
 32 period preceding the beginning of the taxable year from the number of full-time
 33 employees the taxpayer has in this State at the end of the taxable year.

34 (a2) Installments. – The credit may not be taken in the taxable year in which the
 35 additional employee is hired. Instead, the credit must be taken in equal installments over
 36 the four years following the taxable year in which the additional employee was hired
 37 and is conditioned on the continued employment by the taxpayer of the number of
 38 full-time employees the taxpayer had upon hiring the employee that caused the taxpayer
 39 to qualify for the credit.

40 If, in one of the four years in which the installment of a credit accrues, the number of
 41 the taxpayer's full-time employees falls below the number of full-time employees the
 42 taxpayer had in the year in which the taxpayer qualified for the credit, the credit expires
 43 and the taxpayer may not take any remaining installment of the credit. The taxpayer

1 may, however, take the portion of an installment that accrued in a previous year and was
2 carried forward to the extent permitted under G.S. 105-129.5.

3 (a3) Transferred Jobs. – Jobs transferred from one area in the State to another area
4 in the State are not considered new jobs for purposes of this section. If, in one of the
5 four years in which the installment of a credit accrues, the position filled by the
6 employee is moved to an area in a higher- or lower-numbered enterprise tier, or is
7 moved from a development zone to an area that is not a development zone, the
8 remaining installments of the credit must be calculated as if the position had been
9 created initially in the area to which it was moved.

10 (b) Repealed by Session Laws 1989, c. 111, s. 1.

11 (b1), (c) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

12 (d) Planned Expansion. – A taxpayer that signs a letter of commitment with the
13 Department of Commerce to create at least twenty new full-time jobs in a specific area
14 within two years of the date the letter is signed qualifies for the credit in the amount
15 allowed by this section based on the area's enterprise tier and development zone
16 designation for that year even though the employees are not hired that year. In the case
17 of an interstate air courier that has or is constructing a hub in this State, the applicable
18 time period is seven years. The credit shall be available in the taxable year after at least
19 twenty employees have been hired if the hirings are within the applicable commitment
20 period. The conditions outlined in subsection (a) apply to a credit taken under this
21 subsection except that if the area is redesignated to a higher-numbered enterprise tier or
22 loses its development zone designation after the year the letter of commitment was
23 signed, the credit is allowed based on the area's enterprise tier and development zone
24 designation for the year the letter was signed. If the taxpayer does not hire the
25 employees within the applicable period, the taxpayer does not qualify for the credit.
26 However, if the taxpayer qualifies for a credit under subsection (a) in the year any new
27 employees are hired, the taxpayer may take the credit under that subsection.

28 (e), (f) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3."
