9 "(a) School Calendar. – Each local board of education shall adopt a school
10 calendar consisting of 215 days all of which shall fall within the fiscal year. A school
11 calendar shall include the following:

23 instructional hours missed when schools are not opened due to
24 inclement weather.

25 If, due to inclement weather, a local board of education complies
26 with this subdivision by scheduling 1,000 hours of instruction on less
27 than 180 days, the local school administrative unit is deemed to have a
28 minimum of 180 days of instruction, teachers employed for a
29 10-month term are deemed to have been employed for 180

1 instructional days, and all other employees shall be compensated as if
2 they had worked their regularly scheduled hours for 180 instructional
3 days."
