SENATE DRS75224-RR-28 (03/03)

Short Title: Legislative Campaigns Pilot.

(Public)

Sponsors: Senator Goss.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH A PILOT PROGRAM TO PROVIDE CANDIDATES FOR NINE
3 LEGISLATIVE SEATS WITH THE OPTION OF FINANCING THEIR CAMPAIGNS
4 FROM A VOLUNTARY TAXPAYER-DESIGNATED FUND, PROVIDED THAT THEY
5 GAIN AUTHORIZATION TO DO SO FROM REGISTERED VOTERS AND THAT
6 THEY ABIDE BY STRICT FUND-RAISING AND SPENDING LIMITS.

7 The General Assembly of North Carolina enacts:

8 SECTION 1. Chapter 163 of the General Statutes is amended by adding a new
9 Article to read:

10 "Article 22R.

11 "The North Carolina Legislative Campaigns Pilot Program.

12 "**§ 163-278.395. Purpose and establishment of North Carolina Legislative Campaigns**
13 **Pilot Program.**

14 The purpose of this Article is to ensure the vitality and fairness of democratic elections in
15 North Carolina to the end that any eligible citizen of this State can realistically choose to seek
16 and run for public office. It is also the purpose of this Article to protect the constitutional rights
17 of voters and candidates from the detrimental effects of increasingly large amounts of money
18 being raised and spent in North Carolina to influence the outcome of elections. It is essential to
19 the public interest that the potential for corruption or the appearance of corruption is minimized
20 and that the equal and meaningful participation of all citizens in the democratic process is
21 ensured. Accordingly, this Article establishes the North Carolina Legislative Campaigns Pilot
22 Program using the North Carolina Voter-Owned Elections Fund as an alternative source of
23 campaign financing for candidates in selected legislative seats, if those candidates obtain a
24 sufficient number of qualifying contributions from registered voters in their districts and
25 voluntarily accept strict fund-raising and spending limits.

24 candidate or the candidate's committee that meets all of the following
25 conditions:

26 a. Made by any registered voter who resides in the district in which the

29 b. Made only during the qualifying period and obtained with the
30 approval of the candidate or candidate's committee.

42 primary, the trigger equals the maximum amount a participating candidate is
43 permitted by G.S. 163-278.398(b) to raise in qualifying contributions. In the
44 case of a general election, the trigger equals the funding available under
45 G.S. 163-278.399(b)(4).

46 **§ 163-278.397. Sources of funding.**

47 (a) Use of Fund. – The election campaigns of certified candidates for office shall be
48 financed, and administrative and enforcement costs of the Board related to this Article shall be
49 paid from the Fund.

50 (b) Sources of Funding. – Money received from all the following sources must be
51 deposited in the Fund:

- 1 (1) Unspent Fund revenues distributed for an election that remain unspent or
2 uncommitted at the time the recipient is no longer a certified candidate in the
3 election.
- 4 (2) Money ordered returned to the Fund in accordance with G.S. 163-278.404.

11 provide to the Joint Legislative Commission on Governmental Operations of the General
12 Assembly a report documenting, evaluating, and making recommendations relating to the
13 administration, implementation, and enforcement of this Article. This report may be combined
14 with other reports evaluating the Public Campaign Fund under Article 22D of this Chapter and
15 the Fund under Article 22J of this Chapter. In its report, the Board shall set out the funds
16 received to date and the expected needs of the Fund during the next election cycle and make
17 recommendations about the feasibility of expanding its provisions to include other candidates
18 for State office based on the experience of this Article and the experience of similar programs
19 in North Carolina and other states. The Board shall also evaluate and make recommendations
20 regarding how to address activities that could undermine the purpose of this Article, including
21 spending that appears to target candidates but is not reached by regulation.

22 **"§ 163-278.397A. Selection of districts for pilot program.**

23 Nine districts shall be selected for the pilot program every two years. In order to provide a
24 useful test of the provisions in this Article, the pilot program shall occur in districts (i) that are
25 relatively competitive, based on the ratio of party affiliation of registered voters in the district
26 compared to the statewide ratio, and (ii) where there is a demonstrated interest to use the pilot
27 program. The districts shall be selected in the following manner:

- 28 (1) By July 1 of the year before the election, the Executive Director of the Board
29 shall prepare a list of the legislative districts in which the ratio in the district
30 of registered voters affiliated with the State's majority party to voters
31 affiliated with the minority party is greater than seventy-five percent (75%)
32 and less than one hundred twenty-five percent (125%) of the ratio between
33 those parties statewide for voters registered for the legislative primary
34 election before the July 1 deadline.
- 35 (2) From the list of eligible districts prepared by the Executive Director, the
36 majority and minority leaders of the Senate shall each select up to six
37 districts in the Senate, and the majority and minority leaders of the House of
38 Representatives shall each select up to 12 districts in the House. Those
39 leaders shall report their recommended selections to the Executive Director
40 of the Board no later than July 31 of the year before the election.
- 41 (3) The State Board of Elections by August 15 shall consider the
42 recommendations provided by the legislative leaders in subdivision (2) of
43 this section and shall make a final selection of three districts in the Senate
44 and six districts in the House of Representatives that meet the criteria
45 described in subdivision (1) of this section. The selection shall be made by at
46 least a three-fourths vote of the members of the State Board present and
47 voting.

48 **"§ 163-278.398. Requirements for participation.**

49 (a) Declaration of Intent to Participate. – Any individual choosing to receive campaign
50 funds from the Fund shall first file with the Board a declaration of intent to participate in the act
51 as a candidate for a stated office. The declaration of intent shall be filed before or during the

1 qualifying period and before collecting any qualifying contributions. In the declaration, the
2 candidate shall swear or affirm that only one political committee, identified with its treasurer,
3 shall handle all contributions, campaign-related expenditures, and obligations for the
4 participating candidate and that the candidate will comply with the contribution and
5 expenditure limits set forth in subsection (e) of this section and all other requirements set forth
6 in this Article or adopted by the Board. Failure to comply is a violation of this Article.

7 (b) Demonstration of Support of Candidacy. – Participating candidates who seek
8 certification to receive campaign funds from the Fund shall first, during the qualifying period,
9 obtain qualifying contributions from at least 300 registered voters in the case of a Senate
10 candidate and at least 150 registered voters in the case of a House of Representatives candidate
11 in an aggregate sum that at least equals six thousand dollars (\$6,000) in the case of a Senate
12 candidate and three thousand dollars (\$3,000) in the case of a House candidate, but that does
13 not exceed forty thousand dollars (\$40,000) in the case of a Senate candidate and twenty-five
14 thousand dollars (\$25,000) in the case of a House candidate. Multiple contributions from the
15 same individual to the same candidate shall not count as more than one qualifying contribution.
16 No payment, gift, anything of value, or the opportunity to win anything of value shall be given
17 in exchange for a qualifying contribution.

18 (c) Certification of Candidates. – Upon receipt of a submittal of the record of
19 demonstrated support by a participating candidate, the Board shall determine whether or not the
20 candidate has complied with all the following requirements:

- 21 (1) Signed and filed a declaration of intent to participate in this Article.
- 22 (2) Submitted a report itemizing the appropriate number of qualifying
23 contributions received from registered voters, which the Board shall verify
24 through a random sample or other means it adopts. The report shall include
25 the county of residence of each registered voter listed.
- 26 (3) Filed a valid notice of candidacy pursuant to this Chapter.
- 27 (4) Otherwise met the requirements for participation in this Article.

28 The Board shall certify candidates complying with the requirements of this section as soon
29 as possible and no later than five business days after receipt of a satisfactory record of
30 demonstrated support.

31 (d) Final Report for Qualifying Contributions. – No later than five business days after
32 the end of the qualifying period, all participating candidates shall submit a report to the Board
33 of all previously unreported qualifying contributions, together with copies of the contribution
34 forms described in G.S. 163-278.396(15), in accordance with procedures developed by the
35 Board. Within seven business days after submittal of the final report, the Board shall determine,
36 through a random audit or other means it adopts, whether the contributions abide by the
37 definition of qualifying contributions, whether they must be returned to the donor, and whether
38 they exceed the maximum amount of qualifying contributions.

39 (e) Restrictions on Contributions and Expenditures for Participating and Certified
40 Candidates. – The following restrictions shall apply to contributions and expenditures with
41 respect to participating and certified candidates:

- 42 (1) Beginning August 1 of the year before the election and before the filing of a
43 declaration of intent, a candidate for office may accept in contributions up to
44 five thousand dollars (\$5,000) from sources and in amounts permitted by
45 Article 22A of this Chapter and may expend up to five thousand dollars
46 (\$5,000) for any campaign purpose related to the upcoming election. A
47 candidate who exceeds either of these limits shall be ineligible to file a
48 declaration of intent or receive funds from the Fund. However, the
49 acceptance of contributions in excess of that twenty thousand dollar
50 (\$20,000) limit does not render the candidate ineligible if the candidate pays
51 to the Board an amount equal to the contributions accepted by the candidate

1 in excess of that limit. The Board shall deposit all such payments into the
2 Fund.

3 (2) From the filing of a declaration of intent through the end of the qualifying
4 period, a candidate may accept only qualifying contributions, contributions
5 under ten dollars (\$10.00) from voters residing in the candidate's district,
6 in-kind party contributions as permitted in subdivision (3) of this subsection,
7 and personal and family contributions permitted under subdivision (4) of this
8 subsection. The total contributions the candidate may accept during this
9 period shall not exceed the maximum qualifying contributions for that
10 candidate. Except for personal and family contributions permitted under
11 subdivision (4) of this subsection, multiple contributions from the same
12 contributor to the same candidate shall not exceed one hundred dollars
13 (\$100.00). In addition to these contributions, the candidate may only expend
14 during this period the remaining money raised pursuant to subdivision (1) of
15 this subsection and possible matching funds received pursuant to
16 G.S. 163-278.401. If the candidate has any remaining money that was raised
17 as contributions before August 1 of the year before the election, the
18 candidate may not expend that money after filing the declaration of intent,
19 except for purposes permitted under subdivision (2), (3), (6), (7), or (8) of
20 G.S. 163-278.16B(a).

21 (3) After the qualifying period and through the date of the general election, the
22 candidate shall cease campaign-related fund-raising activities and shall
23 expend only the funds the candidate receives from the Fund pursuant to
24 G.S. 163-278.399(b)(4) plus any funds remaining from the qualifying period
25 and possible matching funds. In addition, during that period a candidate may
26 accept in-kind contributions from political party executive committees, up to
27 an aggregate value of ten percent (10%) of the amount the candidate is
28 entitled to receive under G.S. 163-278.399(b)(4).

29 (4) During the qualifying period, the candidate may contribute up to one
30 thousand dollars (\$1,000) of that candidate's own money to the campaign.
31 Debt incurred by the candidate for a campaign expenditure shall count
32 toward that limit. During the qualifying period, the candidate may accept in
33 contributions up to one thousand dollars (\$1,000) from each member of that
34 candidate's family consisting of spouse, parent, child, brother, and sister, as
35 long as the candidate accepts no more than two thousand dollars (\$2,000)
36 from all those family members combined. Up to one hundred dollars
37 (\$100.00) of a contribution from the candidate's family member may be
38 treated as a qualifying contribution if it meets the requirements of
39 G.S. 163-278.396(15)a. and b.

40 (5) A candidate and the candidate's committee shall limit the use of all revenues
41 permitted by this subsection to expenditures for campaign-related purposes
42 only related to the upcoming election. The Board shall publish guidelines
43 outlining permissible campaign-related expenditures. In establishing those
44 guidelines, the Board shall differentiate expenditures that reasonably further
45 a candidate's campaign from expenditures for personal use that would be
46 incurred in the absence of the candidacy.

47 (6) Except as provided in subdivision (1) of this subsection, any contribution
48 received by a participating or certified candidate that falls outside that
49 permitted by this subsection shall be returned to the donor as soon as
50 practicable. Contributions intentionally made, solicited, or accepted in
51 violation of this Article are subject to civil penalties as specified in

1 G.S. 163-278.403. The funds involved shall be forfeited to the Civil Penalty
2 and Forfeiture Fund.

3 (7) A candidate shall return to the Fund any amount distributed for an election
4 that is unspent and uncommitted at the date of the election, or at the time the
5 individual ceases to be a certified candidate, whichever occurs first. For
6 accounting purposes, all qualifying, personal, and family contributions shall
7 be considered spent before revenue from the Fund is spent or committed.

8 (f) Revocation. – A candidate may revoke, in writing to the Board, a decision to
9 participate in the Fund at anytime. After a revocation, that candidate may accept and expend
10 outside the limits of this Article without violating this Article. Within 10 days after revocation,
11 a candidate shall return to the Board all money received from the Fund.

12 **§ 163-278.399. Distribution from the Fund.**

13 (a) Timing of Fund Distribution. – The Board shall distribute to a certified candidate
14 revenue from the Fund as follows:

15 (1) In an amount determined under subdivision (b)(2) of this section within five
16 business days of receipt of the candidate's primary grant reports. The
17 distribution of grants for a contested primary under subdivision (b)(2) of this
18 section shall be done incrementally, based upon reports by the candidate of
19 qualifying contributions raised. Those reports shall be made in accordance
20 with G.S. 163-278.400(b), and shall be no more frequent than one per 10
21 business days.

22 (2) In an amount determined under subdivision (b)(4) of this section within five
23 business days after the certified candidate's name is approved to appear on
24 the ballot in a contested general election, but no earlier than five business
25 days after the primary.

26 (b) Amount of Fund Distribution. – No later than August 1 of the second year before an
27 election, the Board shall determine the amount of funds, rounded to the nearest one hundred
28 dollars (\$100.00), to be distributed to certified candidates as follows:

29 (1) No primary. – No funds shall be distributed.

30 (2) Contested primaries. – For every contribution that a certified candidate
31 receives in excess of the minimum certification requirements of
32 G.S. 163-278.398(b) and that meets the contribution limits of
33 G.S. 163-278.396(15), the candidate shall be eligible for a distribution from
34 the Fund before the primary equal to four times the contribution amount.
35 The aggregate total of all qualifying contributions, contributions raised after
36 certification, family and personal money, and distribution from the Fund
37 shall not exceed the maximum qualifying contribution limit in
38 G.S. 163-278.398(b).

39 (3) Uncontested general elections. – No funds shall be distributed.

40 (4) Contested general elections. – Funds shall be distributed to a certified
41 candidate for the Senate in an amount equal to the median amount of
42 campaign-related expenditures made by all major party candidates who
43 reported campaign expenditures for contested general election races for the
44 Senate for the immediately preceding two general elections, but not less than
45 eighty thousand dollars (\$80,000). Funds shall be distributed to a certified
46 candidate for the House in an amount equal to the median amount of
47 campaign-related expenditures made by all major party candidates who
48 reported campaign expenditures for contested general election races for the
49 House for the immediately preceding two general elections, but not less than
50 fifty thousand dollars (\$50,000). For purposes of this subsection,
51 expenditures are made in the general election if they are required to be

1 reported on the third and fourth quarterly reports.

2 (c) Method of Fund Distribution. – The Board, in consultation with the State Treasurer
3 and the State Controller, shall develop a rapid, reliable method of conveying funds to certified
4 candidates. In all cases, the Board shall distribute funds to certified candidates in a manner that
5 is expeditious, ensures accountability, and safeguards the integrity of the Fund. If the money in
6 the Fund is insufficient to fully fund all certified candidates, then the available money shall be
7 distributed proportionally, according to each candidate's eligible funding, and the candidate
8 may raise additional money in the same manner as a noncertified candidate for the same office
9 up to the unfunded amount of the candidate's eligible funding.

10 **"§ 163-278.400. Reporting requirements.**

11 (a) Reporting by Noncertified Candidates and Independent Expenditure Entities. – Any
12 noncertified candidate with a certified opponent shall report total income, expenses, and
13 obligations to the Board by facsimile machine or electronically within 24 hours after the total
14 amount of campaign expenditures or obligations made, or funds raised or borrowed, exceeds
15 eighty percent (80%) of the trigger for matching funds as defined in G.S. 163-278.396(17). Any
16 entity making independent expenditures in support of or opposition to a certified candidate or
17 in support of a candidate opposing a certified candidate, or paying for electioneering
18 communications, as defined in G.S. 163-278.80 or G.S. 163-278.90, that refer to one of those
19 candidates, shall report the total funds received, spent, or obligated for those expenditures or
20 electioneering communications to the Board by facsimile machine or electronically within 24
21 hours after the total amount of expenditures or obligations made, or funds raised or borrowed,
22 for the purpose of making the independent expenditures or electioneering communications,
23 exceeds three thousand dollars (\$3,000). After this 24-hour filing, the noncertified candidate or
24 independent expenditure or electioneering communications entity shall comply with an
25 expedited reporting schedule. The schedule and forms for reports required by this subsection
26 shall be supplied by the Board.

27 (b) Reporting by Participating and Certified Candidates. – Notwithstanding other
28 provisions of law, participating and certified candidates shall report any money received,
29 including all previously unreported qualifying contributions, all campaign expenditures,
30 obligations, and related activities to the Board according to procedures developed by the Board.
31 A certified candidate who ceases to be certified or ceases to be a candidate or who loses a
32 primary, special election, or general election shall file a final report with the Board and at the
33 same time return any unspent revenues received from the Fund. In developing these
34 procedures, the Board shall utilize existing campaign reporting procedures whenever practical.

35 (c) Timely Access to Reports. – The Board shall ensure prompt public access to the
36 reports received in accordance with this Article. The Board may utilize electronic means of
37 reporting and storing information.

38 **"§ 163-278.401. Matching funds.**

39 (a) When Matching Funds Become Available. – When any report or group of reports
40 shows that 'funds in opposition to a certified candidate or in support of an opponent to that
41 candidate' as described in this section, exceed the trigger for matching funds as defined in
42 G.S. 163-278.396(17), the Board shall issue immediately to that certified candidate an
43 additional amount equal to the reported excess within the limits set forth in this section. 'Funds
44 in opposition to a certified candidate or in support of an opponent to that candidate' shall be
45 equal to the sum of subdivisions (1) and (2) as follows:

46 (1) The greater of the following:

47 a. Campaign expenditures or obligations made, or funds raised or
48 borrowed, whichever is greater, reported by any one nonparticipating
49 opponent of a certified candidate. Where a certified candidate has
50 more than one nonparticipating opponent, the measure shall be taken

1 from the nonparticipating candidate showing the highest relevant
2 dollar amount.

3 b. The funds distributed in accordance with G.S. 163-278.399(b) to a
4 certified opponent of the certified candidate.

5 (2) The sum of all expenditures and electioneering communications reported in
6 accordance with G.S. 163-278.400(a) of entities making independent
7 expenditures or electioneering communications in opposition to the certified
8 candidate or in support of any opponent of that certified candidate.

9 (b) Limit on Matching Funds in Contested Primary. – Total matching funds to a
10 certified candidate in a contested primary shall be limited to an amount equal to two times the
11 maximum qualifying contributions. Matching funds are available to a certified candidate with
12 an opponent in the primary or to a certified candidate who is clearly referred to in expenditures
13 reportable under G.S. 163-278.400 made in opposition to that candidate.

14 (c) Limit on Matching Funds in Contested General Election. – Total matching funds to
15 a certified candidate in a contested general election shall be limited to an amount equal to two
16 times the amount described in G.S. 163-278.399(b)(4).

17 (d) Determinations by Board. – In the case of electioneering communications, the
18 Board shall determine which candidate, if any, is entitled to receive matching funds as a result
19 of the communication. The Board shall issue matching funds based on the communication only
20 if it ascertains that the communication is susceptible of no reasonable interpretation other than
21 as an appeal to vote for or against a specific candidate. In making its determination, the Board
22 shall not consider evidence external to the communication itself of the intent of the sponsor or
23 the effect of the communication. The Board shall notify each candidate it determines is entitled
24 to receive matching funds based on those communications, the sponsor of those
25 communications, and any candidate who is an opponent of the candidate it determines is
26 entitled to the matching funds. The Board shall give the sponsor of the communication and any
27 opposing candidate an adequate opportunity to rebut the determination of the Board. In
28 considering the rebuttal, all candidates in the race and the sponsor shall be given adequate and
29 equal opportunity to be heard. The Board shall adopt procedures for implementing this
30 subsection, balancing in those procedures adequacy of opportunity to rebut and adequacy and
31 equality of opportunity to be heard on the rebuttal with the need to expedite the decision on
32 awarding matching funds. The Board shall distribute the matching funds, if any, at the
33 conclusion of its process.

34 (e) Proportional Measuring of Multicandidate Communications. – In calculating the
35 amount of matching funds a certified candidate is eligible to receive under this section, the
36 Board shall include the proportion of expenditures, obligations, or payments for multicandidate
37 communications that pertains to the candidate.

38 (f) No Matching Funds for Communications Supporting or Opposing All Candidates. –
39 No matching funds are available under this section as a result of a communication that supports
40 all candidates for the same office or opposes all candidates for the same office.

41 **"§ 163-278.402. Unaffiliated and new-party candidates.**

42 Unaffiliated candidates certified pursuant to G.S. 163-122 and new-party candidates
43 certified pursuant to G.S. 163-98 shall be eligible for revenues from the Fund in the same
44 amounts and at the same time as specified in G.S. 163-278.399. For unaffiliated candidates and
45 new-party candidates, the deadline for seeking certification to receive revenue from the Fund is
46 noon on the first business day of July of the election year.

47 **"§ 163-278.403. Civil penalty.**

48 In addition to any other penalties that may be applicable, any individual, political
49 committee, or other entity that violates any provision of this Article is subject to a civil penalty
50 of up to ten thousand dollars (\$10,000) per violation or three times the amount of any financial
51 transactions involved in the violation, whichever is greater. In addition to any fine, for good

1 cause shown, a candidate found in violation of this Article may be required to return to the
2 Fund all amounts distributed to the candidate from the Fund. If the Board makes a
