A BILL TO BE ENTITLED

AN ACT TO ALLOW MECKLENBURG COUNTY TO USE THE PROCUREMENT PROCESS PROVIDED IN THIS ACT WHEN LETTING CONTRACTS AUTHORIZED BY ITS BOARD OF COMMISSIONERS TO INCREASE ENERGY EFFICIENCY, AND TO AUTHORIZE THAT COUNTY TO ENTER INTO LEASES FOR THE SITING AND OPERATION OF RENEWABLE ENERGY FACILITIES FOR TWENTY YEARS WITHOUT TREATING IT AS A SALE AND WITHOUT GIVING NOTICE BY PUBLICATION.

The General Assembly of North Carolina enacts:

SECTION 1. Mecklenburg County may contract for apparatus, supplies, materials, or equipment that will be used as part of any program authorized by its Board of Commissioners aimed at increasing energy efficiency without being subject to the requirements of G.S. 143-129, 143-131, and 143-132. Notwithstanding any provision of law, the county may award a contract under this section in its sole discretion.

SECTION 2.(a) In recognition of the complex and innovative nature of renewable energy systems, goods, and services and of the desirability of a single point of responsibility for contracts that include combinations of purchase of goods, design, installation, training, operation, maintenance, and related services, a political subdivision of the State may contract for renewable energy systems using the procedure set forth in this section, in addition to or instead of any other procedure available under North Carolina law.

SECTION 2.(b) Contracts for renewable energy systems may be entered into under a request for proposals procedure that satisfies the following minimum requirements:

- (1) Notice of the request for proposals shall be given in accordance with G.S. 143-129(b).
- (2) Contracts shall be awarded to the person or entity that submits the best overall proposal as determined by the awarding authority. Factors to be considered in awarding contracts shall be identified in the request for proposals.

SECTION 2.(c) The awarding authority may use procurement methods set forth in G.S. 143-135.9 in developing and evaluating requests for proposals under this section. In addition, the experience and financial stability of the proposer may be taken into consideration. The awarding authority may negotiate with any proposer in order to obtain a final contract that best meets the needs of the awarding authority. Negotiations allowed under this section shall not alter the contract beyond the scope of the original request for proposals in a manner that (i) deprives the proposers or potential proposers of a fair opportunity to compete for the contract

1 and (ii) would have resulted in the award of the contract to a different person or entity if the
2 alterations had been included in the request for proposals.

3 **SECTION 2.(d)** Proposals submitted under this section shall not be subject to
4 public inspection until a contract is awarded.

5 **SECTION 2.(e)** This act applies only to Mecklenburg County.

6 **SECTION 3.** This act is effective when it becomes law.
