35 "§ 136-27.3. Use of certain right-of-way for sidewalk dining.

1 "(a) The Department may enter into an agreement with any local government permitting use
2 of the State right-of-way associated with components of the State highway system and located
3 within the zoning jurisdiction of the local government for sidewalk dining activities. For
4 purposes of this section "sidewalk dining activities" means serving food and beverages from a
5 restaurant abutting State right-of-way to customers seated in the State right-of-way. The
6 agreement between the Department and the local government shall provide that the local
7 government is granted the administrative right to permit sidewalk dining activities complying
8 with at least the following requirements and conditions:

- 9 (1) Tables, chairs, and other furnishings must be placed a minimum of six feet
10 from any travel lane.
- 11 (2) Tables, chairs, and other furnishings must be placed in such a manner that at
12 least five feet of unobstructed paved space of the sidewalk, measured from
13 any permanent or semi-permanent object, remains clear for the passage of
14 pedestrians and provides adequate passing space that complies with the
15 Americans with Disabilities Act.
- 16 (3) Tables, chairs and other furnishings shall not obstruct any driveway,
17 alleyway, building entrance or exit, emergency entrance or exit, fire hydrant
18 or standpipe, utility access, ventilations areas, or ramps necessary to meet
19 accessibility requirements under the Americans with Disabilities Act.

21 right-of-way to be used for sidewalk dining shall not be greater than 45
22 miles per hour.
- 23 (5) The restaurant operator shall provide evidence of adequate liability
24 insurance in an amount satisfactory to the local government, but in no event
25 in an amount less than the amount specified as the limit of Tort Claim

27 insured on any policies covering the business and the sidewalk activities.

29 harmless the Department or the local government from any claim resulting
30 from the operation of sidewalk dining.

32 issued by the state, county or city, including health and ABC permits, if any,
33 necessary for the operation of the restaurant of business, or a copy of the
34 application for the permit if no permit has been issued. This requirement
35 includes any permits or certificates issued by the county or city for exterior
36 alterations or improvements to the restaurant.
- 37 (8) The restaurant operator shall cease part or all sidewalk dining activities in
38 order to allow construction, maintenance, or repair of any street, sidewalk,

40 agents or employees, or by any other governmental entity or public utility.

41 The Department or the local government may impose additional requirements on a
42 case-by-case basis. Nothing in this section requires the Department or local government to
43 issue or maintain any agreement for sidewalk dining if, in the opinion of the Department or
44 local government, such activities cannot be conducted in a safe manner.

45 (b) A municipality applying to the Department for administrative rights under this

2 dining."

4 place.
5 **SECTION 4.** This act is effective when it becomes law.
