SECTION 7.(b4) From the enactment of this act until December 31, 2013, unless earlier terminated by the agreement of the City and Authority (the "Employee Transition Period"), the City shall continue to employ, subject to the provisions of this subsection, the employees of the City's Aviation Department and under the direction of the Aviation Director as of the date of this act (the "Airport Employees"), and the Authority shall lease the Airport Employees from the City. The City shall provide the following services in support of the Authority's lease of the Airport Employees, upon the terms and compensation set forth in this section, and the following provisions of this section shall be applicable during the Employee Transition Period:

The Airport Employees shall be directed by the City to perform work in a manner that meets the standards established by the Authority and that conforms to the Authority's policies, procedures, practices, and rules with respect to the Airport's operation. The Airport Employees shall be subject to all of the City's employment-related policies, as in effect from time to time (such as policies relating to terms of employment and eligibility for employee benefits). The City, as the employer, shall have ultimate control over the Airport Employees during the Employee Transition Period, including, but not limited to, the right to terminate the employment of any Airport Employee. Notwithstanding the foregoing, the Authority may at any time request the removal of any specific

Airport Employee if, in the good-faith judgment of the Authority, removal would be in the best interests of the operation of the Airport. In such event, the City will remove any such person within a reasonable time, subject to compliance with applicable personnel policies and procedures, applicable law, and the City's ability to secure a replacement reasonably acceptable to the Authority.

- (2) The City shall process the payroll for the Airport Employees during the Employee Transition Period. As consideration for such service and the lease of the Airport Employees, the Authority shall compensate the City by reimbursing the City the cost of all salaries, wages, bonuses, and benefits, including health care and retirement benefits, of the Airport Employees for their time worked during the Employee Transition Period and as required by law, as well as administrative costs incurred in processing such payroll. Upon the City's request, the Authority shall transfer to and deposit with the City sufficient funds to process payroll for Airport Employees in advance of each payroll date during the Employee Transition Period. At the conclusion of the Employee Transition Period, the City shall then refund the Authority any portion of such advance payments not used to process the payroll for the Airport Employees.
- (3) During the Employee Transition Period, the City shall continue to provide all employment benefits currently available to the Airport Employees, including, but not limited to, health care benefits, retirement benefits, disability insurance, life insurance, and accrued time off or leave, and the Authority shall promptly reimburse the City the costs of providing such benefits.
- (4) During the Employee Transition Period, the City shall keep in full force and effect workers' compensation insurance, self-insurance under Chapter 97 of the General Statutes, and any other insurance policy concerning the Airport Employees, and the Authority shall promptly reimburse the City the costs of maintaining such insurance.
- (5) The Authority shall indemnify, defend, and hold harmless the City from and against any and all losses and expenses incurred as a result of or in connection with any action or inaction taken by the Authority with respect to the Airport Employees during the Employee Transition Period, unless caused by the gross negligent action or willful misconduct of the City.
- (6) On January 1, 2014, or upon the earlier termination of the Employee Transition Period as provided in this subsection, the City shall terminate the employment of all Airport Employees, and the Authority shall be deemed to have hired the Airport Employees as of that date as the initial employees of the Authority. The initial terms of employment, compensation, and benefits of the Airport Employees under their employment with the Authority shall be the same as those provided or made available to them by the City of Charlotte as of December 31, 2013, or as of the earlier termination of the Employee Transition Period if terminated by agreement of the City and the Authority as provided in this subsection.

SECTION 7.(c) Property needed by the Authority for any airport, landing field, or facility may be acquired by the Authority by gift, devise, or purchase. Aviation easements needed by the Authority for any airport, landing field, or facility may likewise be acquired by gift, devise, or purchase.

SECTION 7.(d) Any lands acquired, owned, controlled, or occupied by the Authority shall and/or are hereby declared to be acquired, owned, controlled, and occupied for a public purpose.

SECTION 7.(e) The Authority is not authorized to levy any tax.

SECTION 7.(f) In consideration of the transfer of the Airport Property and Airport assets and liabilities to the Authority pursuant to Section 7(b1) of this act, and subject to the approval of the FAA, the Authority shall agree to pay to the City as compensation therefor, the amount equal to the unreimbursed or unrecovered cost to the City of acquiring the Airport Property that was not ultimately paid with Airport revenues or funds or the proceeds of federal, State, or private grants. Any amount to be paid by the Authority to the City pursuant to this

subsection shall be paid from future revenues from the operation of the Airport by the Authority remaining after payment by the Authority in the year of such payment all costs and expenses of the Airport including the payment of principal installments and interest on all bonds outstanding and other indebtedness of the Authority with respect to the Airport. Upon entering into such agreement by the Authority any claim by the City of Charlotte on account of transfer of property to the Authority pursuant to Section 7(b) of this act or otherwise, is hereby extinguished.

SECTION 8. The Authority shall make annual reports to the Cabarrus, Gaston, Iredell, Lincoln, Mecklenburg, and Union County Boards of Commissioners and the Charlotte City Council setting forth a summary of its general operations and transactions conducted by it pursuant to this act.

SECTION 9. All rights, powers, and authority given to the counties and/or municipalities by the statutes of North Carolina, which may now be in effect, or which may be enacted in the future, relating to the development, operation, maintenance, regulation, and/or control of municipal or other governmental airports and the regulations of aircraft are hereby vested in the Authority.

SECTION 10. The Authority is hereby expressly authorized to make and enter into contracts, leases, subleases, conveyances, and other agreements with any political subdivision, agency, department, or instrumentality of this State; any agency, department, or subdivision of the United States; or any other legal entity or person for the purpose of carrying out the provisions of this act.

SECTION 11. The powers of the Authority created by this act shall be construed liberally in favor of the Authority. No listing of powers included in this act is intended to be exclusive or restrictive, and the specific mention of, or failure to mention, particular powers in this act shall not be construed as limiting in any way the general powers of the Authority as stated in Section 6(a) of this act. It is the intent of this act to grant the Authority full power and right to exercise all authority necessary for the effective operation and conduct of the Authority. It is further intended that the Authority should have all implied powers necessary or incidental to carrying out the expressed powers and the expressed purposes for which the Authority is created. The fact that this act specifically states that the Authority possesses a certain power does not mean that the Authority must exercise such power unless this act specifically so requires.

SECTION 12. G.S. 66-58(a) shall not apply to the Authority or a lessee or sublessee of it.

SECTION 13. In its initial decisions, the Authority shall consider the consultant recommendations made to the City of Charlotte in 2013 concerning governance of the Airport.

SECTION 14. The Authority may make recommendations to the 2013 General Assembly prior to its reconvening in 2014 concerning amendments to this act as it deems advisable, and such recommendations shall be eligible for consideration as if it were a committee or commission.

SECTION 15. If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable.

SECTION 16. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 18th day of July, 2013.
