The following apply to nurses changing primary state of residence by moving 39 between two party states: 40 The nurse may apply for licensure in advance of a change in primary state of (1)41 residence. 42 A multistate license shall not be issued by the new home state until the nurse (2) 43 provides satisfactory evidence of a change in primary state of residence to 44 the new home state and satisfies all applicable requirements to obtain a 45 multistate license from the new home state.
