12 improvement project except as needed to comply with this Article or as otherwise authorized by
13 (i) an act of the General Assembly or (ii) subsection (b) of this section. Funds that
14 become available by gifts, excess patient receipts above those budgeted at the University of North
15 Carolina Hospitals at Chapel Hill, federal or private grants, receipts becoming a part of special
16 funds by act of the General Assembly, or any other funds available to a State agency or institution
17 may be utilized for advanced planning through the working drawing phase of capital
18 improvement projects, upon approval of the Director of the Budget.

19 (b) Notwithstanding any other provision of law to the contrary, ~~the Department of~~
20 ~~Agriculture and Consumer Services is the following agencies are~~ authorized to utilize the types
21 of funds described in subsection (a) of this section ~~to build~~ for capital improvement projects with
22 a total project cost less than one hundred fifty thousand dollars (\$150,000) as follows:

23 (1) The Department of Agriculture and Consumer Services, for equipment
24 structures that meet the description contained in G.S. 143-138(b4)(1)c. on an
25 as-needed basis, provided that the total project cost does not exceed one
26 hundred twenty five thousand dollars (\$125,000)-basis.

27 (2) The Wildlife Resources Commission, for equipment storage or maintenance
28 buildings."

29 **SECTION 1.1.(b)** This section becomes effective July 1, 2023.

30
31 **DAM REMOVAL FUNDING EXTENSION AND ELIGIBILITY REVISION**

32 **SECTION 1.2.(a)** Notwithstanding any provision of S.L. 2021-180 or the
33 Committee Report described in Section 43.2 of that act to the contrary, funds appropriated for
34 the removal of high-hazard dams in the mountain region of the State (i) may be used for dams

1 not categorized as high-hazard but otherwise prioritized for removal by the Commission utilizing
2 data-driven criteria that take into account beneficial impacts on restoration of fisheries and
3 wildlife resources, accessibility of the areas to be restored by dam removal to the public for
4 recreational, hunting, and fishing activities and other relevant criteria and (ii) shall not revert at
5 the end of the 2022-2023 fiscal year but shall remain available for expenditure until June 30,
6 2025.

7 **SECTION 1.2.(b)** This section becomes effective June 30, 2023.

8 **PART II. POLICY AND STATUTORY MATTERS**

43 **"(b) The special activity licenses and stamp issued by the Wildlife Resources Commission**
44 **are as follows:**

45 **...**

46 **(2b) Bonus CWD Deer License. – This license may be issued to an individual**
47 **resident or nonresident of the State who holds a valid North Carolina hunting**
48 **license that entitles the licensee to take big game, or an individual resident**
49

1 who is exempt from the hunting license requirement in accordance with
2 G.S. 113-276(c) and G.S. 113-276(d) and entitles the holder to take two deer
3 of either sex in an area identified by the Wildlife Resources Commission for
4 special management action due to the presence of or potential for Chronic
5 Wasting Disease during seasons and by methods authorized by the Wildlife
6 Resources Commission. This license expires June 30.

7 "

8 **SECTION 2.2.(b)** G.S. 113-291.2 reads as rewritten:

9 **"§ 113-291.2. Seasons and bag limits on wild animals and birds; including animals and**
10 **birds taken in bag; possession and transportation of wildlife after taking.**

11 ...

12 (a1) When the Executive Director of the Wildlife Resources Commission receives a
13 petition from the State Health Director declaring a rabies emergency for a particular county or
14 district pursuant to G.S. 130A-201, the Executive Director of the Wildlife Resources
15 Commission shall develop a plan to reduce the threat of rabies exposure to humans and domestic
16 animals by foxes, raccoons, skunks, or bobcats in the county or district. The plan shall be based
17 upon the best veterinary and wildlife management information and techniques available. The
18 plan may involve a suspension or liberalization of any regulatory restriction on the taking of
19 foxes, raccoons, skunks, or bobcats, except that the use of poisons, other than those used with
20 dart guns, shall not be permitted under any circumstance. If the plan involves a suspension or
21 liberalization of any regulatory restriction on the taking of foxes, raccoons, skunks, or bobcats,
22 the Executive Director of the Wildlife Resources Commission shall prepare and adopt temporary
23 rules setting out the suspension or liberalization pursuant to G.S. 150B-21.1(a)(1). The Executive
24 Director shall publicize the plan and the temporary rules in the major news outlets that serve the
25 county or district to inform the public of the actions being taken and the reasons for them. Upon
26 notification by the State Health Director that the rabies emergency no longer exists, the Executive
27 Director of the Wildlife Resources Commission shall cancel the plan and repeal any rules adopted
28 to implement the plan. The Executive Director of the Wildlife Resources Commission shall
29 publicize the cancellation of the plan and the repeal of any rules in the major news outlets that
30 serve the county or district.

31 (a2) Notwithstanding G.S. 113-306 and Chapter 150B of the General Statutes, when the
32 Executive Director of the Wildlife Resources Commission receives notification of a new
33 confirmed Chronic Wasting Disease-positive cervid in North Carolina, the Executive Director of
34 the Wildlife Resources Commission is authorized to issue proclamations to establish and modify
35 Primary Surveillance Area(s) and Secondary Surveillance Area(s) and mandatory sampling
36 requirements for cervids taken in those areas by licensed and license-exempt individuals or those
37 otherwise permitted by the Commission. Each proclamation shall state the hour and date upon
38 which it becomes effective and shall be issued at least 48 hours prior to the effective date and
39 time. A permanent file of the text of all proclamations shall be maintained in the office of the
40 Executive Director. Certified copies of proclamations are entitled to judicial notice in any civil
41 or criminal proceeding.

42 ...

43 (e) Upon application of any landholder or agent of a ~~landholder accompanied by a fee of~~
44 ~~fifty dollars (\$50.00),~~ landholder, the Executive Director or the Executive Director's designee
45 may issue to such the landholder or agent a special license permit and a number of special
46 antlerless or antlered deer tags that in the judgment of the Executive Director or designee is
47 sufficient to accommodate the landholder or the landholder's agent's deer population
48 management objectives or objectives, correct any deer population imbalance that may occur on
49 the property, property, or address disease management in deer population. Subject to applicable
50 hunting license requirements, the special deer tags may be used by any person or persons selected
51 by the landholder or his agent as authority to take antlerless deer, including male deer with

1 "buttons" or spikes not readily visible, or antlered deer on the tract of land concerned during any
2 established deer hunting season. The Executive Director or designee may stipulate on the ~~license~~
3 permit that special deer tags for antlered deer, if applicable, may only be valid for deer that meet
4 certain minimum harvest criteria. The Executive Director or designee may also define on the
5 ~~license-permit~~ valid hunt dates that fall outside of the general deer hunting ~~season~~, season, manner
6 of take, and disease testing requirements. Harvested antlerless or antlered deer for which special
7 tags are issued shall be affixed immediately with a special deer tag and shall be reported
8 ~~immediately in the wildlife cooperator tagging book supplied with the special deer tags. This~~
9 ~~tagging book and any unused tags shall be returned to the Commission within 15 days of the~~
10 ~~close of the season, pursuant to the Commission's requirements for big game harvest reporting.~~
11 The Wildlife Resources Commission may offer an alternate reporting system when the
12 Commission determines that such an alternate system is appropriate. Antlerless or antlered deer
13 taken under this program and tagged with the special tags provided shall not count as part of the
14 daily bag, possession, and season limits of the person taking the deer.

17 CONFORMING CHANGES TO PERSONAL FLOTATION DEVICE STATUTES

18 **SECTION 2.3.** G.S. 75A-13.3(d) reads as rewritten:

19 "(d) No person shall operate a personal watercraft on the waters of this State, nor shall the
20 owner of a personal watercraft knowingly allow another person to operate that personal
21 watercraft on the waters of this State, unless:

- 22 (1) Each person riding on or being towed behind the vessel is wearing a ~~type I,~~
23 ~~type II, type III, or type V~~ personal flotation device approved by the United
24 States Coast Guard. Inflatable personal flotation devices do not satisfy this
25 requirement; and
- 26 (2) In the case of a personal watercraft equipped by the manufacturer with a
27 lanyard-type engine cut-off switch, the lanyard is securely attached to the
28 person, clothing, or flotation device of the operator at all times while the
29 personal watercraft is being operated in such a manner to turn off the engine
30 if the operator dismounts while the watercraft is in operation."
31

32 RELOCATION OF FALLEN OFFICERS MEMORIAL

33 **SECTION 2.4.** G.S. 100-2.1(c) reads as rewritten:

34 "(c) Exceptions. – This section does not apply to the following:

- 35 (1) Highway markers set up by the Board of Transportation in cooperation with
36 the Department of Environmental Quality and the Department of Natural and
37 Cultural Resources as provided by Chapter 197 of the Public Laws of 1935.
- 38 (2) An object of remembrance owned by a private party that is located on public
39 property and that is the subject of a legal agreement between the private party
40 and the State or a political subdivision of the State governing the removal or
41 relocation of the object.
- 42 (3) An object of remembrance for which a building inspector or similar official
43 has determined poses a threat to public safety because of an unsafe or
44 dangerous condition.
- 45 (4) An object of remembrance commemorating law enforcement officers of the
46 Wildlife Resources Commission killed in the line of duty."

48 ONLINE ELECTRONIC LICENSING CONFORMING CHANGES

49 **SECTION 2.5.(a)** G.S. 75A-34(a) reads as rewritten:

50 "(a) Any owner of a motorized vessel or sailboat 14 feet or longer or any personal
51 watercraft, as defined in G.S. 75A-13.3(a), that is applying for a certificate of number for the first

1 time in this State pursuant to G.S. 75A-5(a), and any new owner of a motorized vessel or sailboat
2 14 feet or longer or any personal watercraft to whom ownership is being transferred under
3 G.S. 75A-5(c) shall apply to the Commission for a certificate of title for that vessel. Any other
4 vessel may be titled in this State at the owner's option. A vessel may not be titled in this State if
5 it is titled in another state, unless the current title is ~~surrendered~~submitted to the Commission
6 along with the application for a certificate of title in this State. The Commission shall issue a
7 certificate of title upon reasonable evidence of ownership, which may be established by affidavit,
8 bill of sale, manufacturer's statement of origin, certificate of title in this State, certificate of
9 number or title from another state, or other document satisfactory to the Commission. Only one
10 certificate of title may be issued for any vessel in this State. A vessel may not be titled in this
11 State if it is documented with the United States Coast Guard, unless the documentation has
12 expired or been deleted by the United States Coast Guard. The Commission shall issue a
13 certificate of title upon receipt of a completed application, along with the appropriate fee and
14 reasonable evidence of ownership. The Commission shall require a manufacturer's statement of
15 origin for all new vessels being issued a certificate of number and a certificate of title for the first
16 time. The Commission may request a pencil tracing of the hull identification number (serial
17 number) for vessels being transferred, in order to positively identify the vessel before issuance
18 of a certificate of title for that vessel."

19 **SECTION 2.5.(b)** G.S. 75A-41 reads as rewritten:

20 **"§ 75A-41. Security interests subsequently created.**

21 Except for security interests in vessels that are inventory held for sale, security interests
22 created in vessels by the voluntary act of the owner after the original issue of title to the owner
23 must be shown on the certificate of title. In such cases, the owner shall file an application with
24 the Commission on a form furnished for that purpose, setting forth all security interests and other
25 information as the Commission requires. The Commission, if satisfied that it is proper that the
26 security interests be recorded, shall upon ~~surrender~~submission of the certificate of title covering
27 the vessel, issue a new certificate of title showing any security interests in the order of the priority
28 according to the date of the filing of the application. For the purpose of recording the subsequent
29 security interest, the Commission may require any secured party to deliver the certificate of title
30 to the Commission. The newly issued certificate shall be sent or delivered to the secured party of
31 first priority listed on the certificate of title."
32
